it would actually succeed much less become a force in the worlds of music television film fashion sports and even politics But it did work MTV became more than anyone had ever imagined I Want My MTV tells the story of the first decade of MTV the golden era when MTV's programming was all videos all the time and kids watched religiously to see their favorite bands learn about new music and have something to talk about at parties From its start in 1981 with a small cache of videos by mostly unknown British new wave acts to the launch of the reality television craze with The Real World in 1992 MTV grew into a tastemaker a career maker and a mammoth business Featuring interviews with nearly four hundred artists directors VJs and television and music executives I Want My MTV is a testament to the channel that changed popular culture forever

American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John's and Caroline's childhood in the White House the dark aftermath of their father's assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John's and Caroline's loving but at times trying relationship with their larger than life mother as well as Jackie's own emotional struggles romantic relationships and financial concerns following JFK's death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr's romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline's rise to become one of the wealthiest women in America and her life now as the sole keeper of her family's magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family
