modeled on God's love and justice. In particular, Heltzel explores the social forms that love and justice can take as religious communities join together to build beloved cities. He proclaims the importance of improvising for justice, likening the church's prophetic ministry to jazz music and develops a biblical theology of shalom justice. His vision draws inspiration from the black freedom struggle and the lives of Sojourner Truth, Howard Thurman, and Martin Luther King Jr. Pulsing with hope and beauty, *Resurrection City* compels evangelical Christians to begin a global movement for love and justice that truly embodies the kingdom of God.

So Tall Within Gary D. Schmidt, 2018-09-25 From celebrated author Gary D. Schmidt comes a picture book biography of a giant in the struggle for civil rights, perfectly pitched for readers today. Sojourner Truth was born into slavery but possessed a mind and a vision that knew no bounds. *So Tall Within* traces her life from her painful childhood through her remarkable emancipation to her incredible leadership in the movement for rights for both women and African Americans. Her story is told with lyricism and pathos by Gary D. Schmidt, one of the most celebrated writers for children in the twenty-first century, and brought to life by award-winning and fine artist Daniel Minter. This combination of talent is just right for introducing this legendary figure to a new generation of children.

Freedom Facts and Firsts Jessie Carney Smith, Linda T. Wynn, 2009-01-01 Spanning nearly 400 years from the early abolitionists to the present, *Freedom Facts and Firsts: 400 Years of the African American Civil Rights Experience* profiles more than 400 people, places, and events that have shaped the history of the black struggle for freedom. Covering such mainstay figures as Martin Luther King Jr., Malcolm X, and Rosa Parks, as well as delving into how lesser-known figures contributed to and shaped the history of civil rights, *Freedom Facts and Firsts* chronicles the breadth and passion of an entire people's quest for freedom. Among the inspiring stories found in this comprehensive resource are: How the Housewives League of Detroit started a nationwide movement to support black businesses, helping many to survive the Great Depression; What effect the sports journalist Samuel Harold Lacy had on Jackie Robinson's historic entrance into the major leagues; How the 9th and 10th Cavalry and the 24th and 25th Infantry became known as the Buffalo Soldiers, a term of respect and endearment; How Whoopi Goldberg survived poverty, drug addiction, single parenthood, and a welfare income, and used her personal history to take a satirical look at social issues; How world champion bicyclist Marshall Major Taylor was the first American-born black champion in any sport; How in 1890 John Mercer Langston became the first black U.S. congressman elected from his native state of Virginia. This inspiring resource offers an encouraging look at the historic struggles and triumphs of black men and women in politics, arts, music, journalism, law, social work, and sports. The authors chart a full and inspiring history of African American activism.
