Sojourners The Return Of German Jews And The Question Of Identity Texts And Contexts:

Sojourners ,1995-01-01 This absorbing book of interviews takes one to the heart of modern German Jewish history Of the eleven German Jews interviewed four are from West Berlin and seven are from East Berlin The interviews provide an exceptionally varied and intimate portrait of Jewish experience in twentieth century Germany There are first hand accounts of the Weimar Republic the Nazi era the Holocaust and the divided Germany of the Cold War era There are also vivid descriptions of the new united Germany with its alarming resurgence of xenophobia and anti Semitism Some of the men and women interviewed affirm their dual German and Jewish identities with vigor There is the West Berliner for instance who proclaims I am a German Jew I want to live here Others describe the impossibility of being both German and Jewish I don t have anything in common with the whole German people Many confess to profound ambivalence such as the East Berliner who feels that he is neither a native nor a foreigner in Germany If someone asks me Who are you then I can only say I am a fish out of water *Jews, Germans, and Allies* Atina Grossmann,2009-08-10 In the immediate aftermath of World War II more than a quarter million Jewish survivors of the Holocaust lived among their defeated persecutors in the chaotic society of Allied occupied Germany *Jews Germans and Allies* draws upon the wealth of diary and memoir literature by the people who lived through postwar reconstruction to trace the conflicting ways Jews and Germans defined their own victimization and survival comprehended the trauma of war and genocide and struggled to rebuild their lives In gripping and unforgettable detail Atina Grossmann describes Berlin in the days following Germany s surrender the mass rape of German women by the Red Army the liberated slave laborers and homecoming soldiers returning political exiles Jews emerging from hiding and ethnic German refugees fleeing the East She chronicles the hunger disease and homelessness the fraternization with Allied occupiers and the complexities of navigating a world where the commonplace mingled with the horrific Grossmann untangles the stories of Jewish survivors inside and outside the displaced persons camps of the American zone as they built families and reconstructed identities while awaiting emigration to Palestine or the United States She examines how Germans and Jews interacted and competed for Allied favor benefits and victim status and how they sought to restore normalcy in work in their relationships and in their everyday encounters *Jews Germans and Allies* shows how Jews were integral participants in postwar Germany and bridges the divide that still exists today between German history and Jewish studies **German Protestants Remember the Holocaust** K. Hannah Holtschneider,2001 Focusing on the 1980s 90s examines how Protestants in Germany interpret their self understanding as part of the community which is defined by its connection to the Nazi past Analyzes representations of the Holocaust and of the Christian Jewish relationship in three German Protestant theological texts the 1980 statement of the Rhineland synod of the Evangelical Church Zur Erneuerung des Verh ltnisses von Christen und Juden Marquardt s theological text *Von Elend und Heimsuchung der Theologie Prolegomena zur Dogmatik* 1992 and Britta J ngst s dissertation *Auf der Seite des Todes das Leben* 1996 The analysis of these texts is informed by the

development of narratives of collective memory of the Holocaust in German society in the 1980s 90s from the miniseries Holocaust to the Goldhagen controversy All three texts admit the responsibility of Christianity and Christians for the Holocaust and build theologies that do not reject Jews Contents that contrary to their stated intentions most Holocaust theologians do not truly listen to the Jewish perspective Calls on practitioners of theology after Auschwitz to embrace Jews and Judaism in order to restore the credibility of Christian Churches which abandoned the Jews in Auschwitz **Unlikely History** J. Zipes, L. Morris, 2016-04-30 In the English speaking world it is generally believed that there are very few Jews living and thriving in Germany Yet there has been an unlikely postwar history 1945 2001 that has been somewhat repressed in North America and the United Kingdom While most people are well informed about the Holocaust and the consequences that this tragic event has had for the world very few people know that there has been a steady increase in the population of Jews in Germany since 1945 and that there is a flourishing Jewish culture certainly a relatively strong Jewish presence in Germany today Does this development mean that Jews are playing a significant role in German social life Does this mean that the great German Jewish relationship often referred to as a kind of symbiosis has re emerged despite the odds against it The sixteen essays in this book written by the leading critics in the field cover the fascinating changes that have been made in German society since 1945 in the Jewish communities literature theater film architecture and other areas of interest including an examination of the resurgence of anti-Semitism in Austria For anyone interested in reading about the unpredictable transformations in German Jewish relations since 1945 Unlikely History will provide information and insights into a history that needs to be told to bring about greater understanding of Jews and Germans in contemporary Germany

Between Redemption and Doom Noah William Isenberg, 1999-01-01 Between Redemption and Doom is a revelatory exploration of the evolution of German Jewish modernism Through an examination of selected works in literature theory and film Noah Isenberg investigates the ways in which Jewish identity was represented in German culture from the eve of the First World War through the rise of National Socialism He argues that various responses to modernity particularly to its social cultural and aesthetic currents converge around the discourse on community its renaissance its crisis and its dissolution Isenberg opens with a general discussion of German modernism its primary forms movements and manifestations Subsequent chapters on Franz Kafka and Arnold Zweig deal with particular instances of the modern and often ambivalent search for forms of German Jewish identity based on cultural and ethnic community Discussions of Paul Wegener's film *Der Golem* and Walter Benjamin's childhood memoirs explore the culmination of German modernism and the modes through which Jews were identified in mass society Throughout Isenberg shows how Jewish authors and figures confronted the dilemma of self understanding the exigencies of community in the modern world in language culture memory and representation **Opera** Linda Hutcheon, Michael Hutcheon, 1996-01-01 An interdisciplinary study of the interconnected subtexts of erotic attraction illness and death in several 19th and 20th century operatic texts This is an examination of how

opera uses the singing body to give voice to the suffering person It presents medical and literary sources to make sense of the changing depiction of disease in opera **Jean-Paul Sartre and the Jewish Question** Jonathan Judaken,2006-12-01

Examines the image of the Jew in Sartre s work to rethink not only his oeuvre but also the role of the intellectual in France and the politics and ethics of existentialism This book explores how French identity is defined through the abstraction and allegorization of the Jew *Rahel Levin Varnhagen* Heidi Thomann Tewarson,Rahel Varnhagen,1998-01-01

For a woman Rahel Levin Varnhagen 1771 1833 occupied a unique place in German intellectual history Heidi Tewarson gives us a rich account of Varnhagen s intellectual community and her writings which led to her reputation as a leading intellectual of her era a champion of literary figures and movements of human rights and of Enlightenment values 17 illustrations **Keepers**

of the Motherland Dagmar C. G. Lorenz,1997-01-01 Keepers of the Motherland is the first comprehensive study of German and Austrian Jewish women authors Dagmar Lorenz begins with an examination of the Yiddish author Glikl Hamil whose works date from the late seventeenth and early eighteenth centuries and proceeds through such contemporary writers as Grete Weil Katja Behrens and Ruth Kl_ger Along the way she examines an extraordinary range of distinguished authors including Else Lasker Sch_ler Rosa Luxemburg Nelly Sachs and Gertrud Kolmar Although Lorenz highlights the author s individualities she unifies Keepers of the Motherland with sustained attention to the ways in which they all reflect upon their identities as Jews and women In this spirit Lorenz argues that the themes and characters as well as the environments evoked in the texts of Jewish women authors writing in German resist patriarchal structures The term motherland defining the domain of the Jewish woman s native language regardless of political or ethnic boundaries is juxtaposed with the concept fatherland referring to the power structures of the nation or state in which she resides Lorenz describes a vital diverse and largely dissident literary tradition a brilliant countertradition in effect that has endured in spite of oppression and genocide Combining careful research with inspired synthesis Lorenz provides an indispensable work for students of German Jewish and women s writings *The Exquisite Corpse* Kanta Kochhar-Lindgren,Davis Schneiderman,Tom Denlinger,2009-12-01

This work addresses historical and contemporary manifestations of poems drawings collages and performance works that employ the ritual of the cadaver exquis *Budapest Diary* Susan Rubin Suleiman,1999-04-01 In 1993 after the fall of communism and the death of her mother Suleiman returned to Budapest for a six month stay She recounts her ongoing quest for personal history interweaving it with the stories of present day Hungarians struggling to make sense of the changes in their individual and collective lives Suleiman s search for documents relating to her childhood the lives of her parents and their families and the Jewish communities of Hungary and Poland takes her on a series of fascinating journeys within and outside Budapest **The Nation Without Art** Margaret Rose Olin,2001-01-01

Case studies explore the Bezalel School of Arts and Crafts in Jerusalem whose efforts to use art to create a Jewish nationality in Palestine raise important issues of national identity and the discovery in 1932 of the third century Synagogue of Dura Europos a symbol for scholars struggling

against the Third Reich Among those who supported or challenged concepts of Jewish art Margaret Olin considers the nineteenth century rabbinical scholar David Kaufmann the philosopher Martin Buber the critic Clement Greenberg and the filmmaker Chantal Akerman

Finitude's Score Avital Ronell,1994-01-01 Suspending the distinction between headline news and high theory Avital Ronell examines the diverse figures of finitude in our modernity war guerrilla video trauma TV AIDS music divorce sadism electronic tagging rumor Her essays address such questions as How do rumors kill How has video become the conscience of TV How have the police come to be everywhere even where they are not Is peace possible Writing to the community of those who have no community to those who have known the infiniteness of abandonment her work explores the possibility one possibility among many that this time we have gone too far One last word It is possible that we have gone too far This possibility has to be considered if we as a species as a history are going to get anywhere at all

The Inveterate Dreamer Ilan Stavans,2001-01-01 Not only do modern Jewish languages like Yiddish and Hebrew have their own Jewish writers but every major Western tongue from German and Russian to English and Portuguese does as well These writers are often at the crossroad between the two traditions their Jewish one and their own national one Is there such a thing as a modern Jewish literary tradition one navigating across linguistic and national lines If so how should one define it Ilan Stavans is uniquely qualified to answer these questions and to comment on the power and challenges of cultural margins and literary crossings He has been at the forefront of an appreciation of the Jewish literary tradition that is less asphyxiating more global His reflections on Jewish Latin America have won him the nickname pathfinder This incomparable volume showcases Stavans's most insightful and provocative and at times controversial observations on transnational Jewish culture and literature Stavans explores the problems and prospects of representing Jewish experiences through such media as Holocaust memoirs and Jewish museums astutely comments on well known intellectual figures including Lionel Trilling Isaac Babel Primo Levi Harold Bloom and Walter Benjamin engages in memorable conversations with Norman Manea Joseph Brodsky and Ariel Dorfman and offers compelling glimpses of revelatory moments in his own life

The House of Joshua Mindy Thompson Fullilove,1999 Offers a series of meditations on the author's remarkable family ingrained in conflicts with the racial divisions of the world and the places where they have lived 7 photos

Subversions of International Order John Borneman,1998-01-01 Uses ethnographic tools to analyze political disorder and its representation at the end of the Cold War
