## **Soldiers In Politics:**

*Soldiers in Politics* Eric A. Nordlinger, 1977 Om milit rkup og mikit rregeringer i Latinamerika Asien Afrika og Mellem sten siden 1945 med mere indg ende omtale af begivenheder i Brasilien Peru Nigeria Ghana gypten Pakistan Burma og Sydkorea *Soldiers in Politics* Steffen W. Schmidt, Gerald Allen Dorfman, 1974 *Our Army* Jason K. Dempsey, 2009-12-07 Conventional wisdom holds that the American military is overwhelmingly conservative and Republican and extremely political Our Army paints a more complex picture demonstrating that while army officers are likely to be more conservative rank and file soldiers hold political views that mirror those of the American public as a whole and army personnel are less partisan and politically engaged than most civilians Assumptions about political attitudes in the U S Army are based largely on studies focusing on the senior ranks yet these senior officers comprise only about 6 percent of America s fighting force Jason Dempsey provides the first random sample survey that also covers the social and political attitudes held by enlisted men and women in the army Uniting these findings with those from another unique survey he conducted among cadets at the United States Military Academy on the eve of the 2004 presidential election Dempsey offers the most detailed look yet at how service members of all ranks approach politics He shows that many West Point cadets view political conservatism as part of being an officer raising important questions about how the army indoctrinates officers politically But Dempsey reveals that the rank and file army is not nearly as homogeneous as we think or as politically active and that political attitudes across the ranks are undergoing a substantial shift Our Army adds needed nuance to our understanding of a profession that seems increasingly distant from the average American *Soldiers, Politicians, and Civilians* David Pion-Berlin, Rafael Martínez, 2017-07-29 Are interactions between soldiers politicians and civilians improving Every nation has to come to grips with achieving a more enduring harmony between government the armed forces and society if it aspires to strengthen its democracy While there is an abundance of studies on civil military affairs few examine all three of these actors let alone establish any standards with which to assess whether progress is being made This ambitious book devises a novel framework equipped with six dimensions each of which opens a unique window into civil military affairs and which form a more integrated view of the subject Those dimensions are accompanied by a set of benchmarks and metrics that assess progress and compare one country against another The framework is applied to case studies of Argentina Brazil Chile and Uruguay with the conviction that insights could be gleaned that may be relevant elsewhere Ultimately by unpacking the civil military relation into its various dimensions this study has shed light on what it takes to transform what was once a politically minded military into an organization dedicated to serving a democratic state and society *Soldiers and Politics in Southeast Asia* J. Stephen Hoadley, The Cold War brought about increasing interest from scholars in the politics of national development and in the case of civilian led underdeveloped countries the effects of military insurgency Two ideologically opposed positions evolved around the phenomenon of military insurgency The position of technological conservatism favors military insurgency

in previously civilian led governments on the presumption that it encourages stability efficiency and importantly anti communism The revisionist position on the other hand is highly critical of technological conservatism especially with regard to its political fervor J Stephen Hoadley asserts that the relevant question is not one of ideological choices rather it is whether a military or civilian led government is better suited for the political and economic development of a particular underdeveloped nation Soldiers and Politics in Southeast Asia introduces the reader to the sequences of events that led to military predominance in Thailand Burma South Vietnam Indonesia and Cambodia Hoadley uses the data of five case studies to test and quantify his hypotheses The author characterizes governments controlled by the military as performing slightly less well than civilian led governments in Southeast Asia Hoadley argues that while they are demonstrably less capable in responding to outside and domestic challenges there is little difference between military and civilian led governments in the areas of establishing stability and maintaining law The book concludes that neither the conservative nor radical views are fully correct as to the effects of military led governments on development Publisher's description

**Joystick Soldiers** Nina B. Huntemann, Matthew Thomas Payne, 2009-09-10 Joystick Soldiers is the first anthology to examine the reciprocal relationship between militarism and video games War has been an integral theme of the games industry since the invention of the first video game Spacewar in 1962 While war video games began as entertainment military organizations soon saw their potential as combat simulation and recruitment tools A profitable and popular relationship was established between the video game industry and the military and continues today with video game franchises like America's Army which was developed by the U S Army as a public relations and recruitment tool This collection features all new essays that explore how modern warfare has been represented in and influenced by video games The contributors explore the history and political economy of video games and the military entertainment complex present textual analyses of military themed video games such as Metal Gear Solid and offer reception studies of gamers fandom and political activism within online gaming

**The Soldier and the State** Samuel P. Huntington, 1957 World war II the alchemy of power Civil military relations in the postwar decade The political roles of the Joint Chiefs The separation of power and the cold war defense Departmental structure of civil military relations Toward a new equilibrium

**Soldiers as Statesmen** Peter Dennis, Adrian Preston, 2020-12-22 The Duke is a soldier a bad education for a statesman in a free country Sir Walter Scott's fear of the political soldier has long been part of Western political life Yet although many countries would have preferred to keep the military out of politics few have been successful Originally published in 1976 this book examines the careers of five distinguished twentieth century soldiers and assesses their contribution as statesmen Hindenburg Byng Franco Eisenhower and De Gaulle all came into political life in different circumstances but none did so in the name of the profession or to establish a praetorian state Each was a professional soldier who found himself drawn into the political arena Each of these essays illuminates one aspect of the range of political sociological and historical issues which now surround the interrelationship of civil and military At a time

when the tensions of democracy both internally and externally impose increasing pressure on the role of the military in society it is important to study the history of soldiers as statesmen

**Comparative Politics of Latin America** Daniel C. Hellinger, 2020-12-22 This new edition brings Daniel C Hellinger's brilliantly succinct and accessible introduction to Latin America up to date for a new generation of educators In crisp detail Hellinger gives a panoramic overview of the continent and offers a unique balance of comparative politics theory and interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy Insightful historical background in early chapters provides students with ways to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through fully integrated detailed case studies and carefully paced analysis Country specific narratives are integrated with concepts and theories from comparative politics leading to a richer understanding of both Updates to this new edition include Revisiting contemporary populism and the global emergence of right wing populism The pros and cons of extractivism the impact of Chinese investment and trade Contemporary crisis in Venezuela expanded treatment of Colombia and Peru The role of the military LGBTQ issues corruption violence identity issues New sections on social media artificial intelligence and big data cyber technologies Examination of post Castro Cuba Costa Rica's exceptionalism Broader study of environmental movements how governments relate to social movements Examination of personalist parties refugee and asylum rights Interventionist policies of the current U S administration Early impact of the COVID 19 pandemic Comparative Politics of Latin America is a thoughtful ambitious and thorough introductory textbook for students beginning Latin American Studies at the undergraduate level

**Soldiers and Politics in Southeast Asia** J. Stephen Hoadley, 1973 [The Saturday Review of Politics, Literature, Science and Art](#), 1870 *The Iowa Journal of History and Politics*, 1920 **Up in Arms** Adam E Casey, 2024-04-02 An extraordinary must read Steven Levitsky New York Times bestselling coauthor of *How Democracies Die* look at how support from foreign superpowers propped up and pulled down authoritarian regimes during the Cold War offering lessons for today's great power competition Throughout the Cold War the United States and Soviet Union competed to prop up friendly dictatorships abroad Today it is commonly assumed that this military aid enabled the survival of allied autocrats from Taiwan's Chiang Kai shek to Ethiopia's Mengistu Haile Mariam In *Up in Arms* political scientist Adam E Casey rebuts the received wisdom aid to autocracies often backfired during the Cold War Casey draws on extensive original research to show that despite billions poured into friendly regimes US backed dictators lasted in power no longer than those without outside help In fact American aid often unintentionally destabilized autocratic regimes The United States encouraged foreign regimes to establish strong independent armies like its own but those armies often went on to lead coups themselves By contrast the Soviets promoted the subordination of the army to the ruling regime neutralizing the threat of military takeover Ultimately Casey concludes it is subservient militaries not outside aid that help autocrats maintain power In an era of renewed great

power competition Up in Arms offers invaluable insights into the unforeseen consequences of overseas meddling revealing how military aid can help pull down dictators as often as it props them up **From Shipmates to Soldiers** Alex

Borucki,2015-11-01 Although it never had a plantation based economy the R o de la Plata region comprising present day Argentina Uruguay and Paraguay has a long but neglected history of slave trading and slavery This book analyzes the lives of Africans and their descendants in Montevideo and Buenos Aires from the late colonial era to the first decades of independence The author shows how the enslaved Africans created social identities based on their common experiences ranging from surviving together the Atlantic and coastal forced passages on slave vessels to serving as soldiers in the independence era black battalions In addition to the slave trade and the military their participation in black lay brotherhoods African nations and the lettered culture shaped their social identities Linking specific regions of Africa to the R o de la Plata region the author also explores the ties of the free black and enslaved populations to the larger society in which they found themselves *Research Handbook on Civil-Military Relations* Aurel Croissant,David Kuehn,David Pion-Berlin,2024-04-12

Bringing together leading scholars from across the world this comprehensive Research Handbook analyses key problems subjects regions and countries in civil military relations Showcasing cutting edge research developments it illustrates the deeply complex nature of the field and analyses important topics in need of renewed consideration Debates of the Senate of the Dominion of Canada Canada. Parliament. Senate,1918 *Latina/os and World War II* Maggie Rivas-Rodriguez,B. V. Olguín,2014-04-15

This eye opening anthology documents for the first time the effects of World War II on Latina o personal and political beliefs across a broad spectrum of ethnicities and races within the Latina o identity The Historical Magazine and Notes and Queries Concerning the Antiquities, History and Biography of America John Ward Dean,George Folsom,John Gilmary Shea,Henry Reed Stiles,Henry Barton Dawson,1873 *The Soldier and the Changing State* Zoltan

Barany,2012-09-16 The Soldier and the Changing State is the first book to systematically explore on a global scale civil military relations in democratizing and changing states Looking at how armies supportive of democracy are built Zoltan Barany argues that the military is the most important institution that states maintain for without military elites who support democratic governance democracy cannot be consolidated Barany also demonstrates that building democratic armies is the quintessential task of newly democratizing regimes But how do democratic armies come about What conditions encourage or impede democratic civil military relations And how can the state ensure the allegiance of its soldiers Barany examines the experiences of developing countries and the armed forces in the context of major political change in six specific settings in the wake of war and civil war after military and communist regimes and following colonialism and unification apartheid He evaluates the army building and democratization experiences of twenty seven countries and explains which predemocratic settings are most conducive to creating a military that will support democracy Highlighting important factors and suggesting which reforms can be expected to work and fail in different environments he offers practical policy recommendations to state

builders and democratizers     A Dictionary of American Politics Everit Brown, Albert Strauss, 1892

While this might not be the Soldiers In Politics full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Soldiers In Politics eBooks, including some popular titles.

### **FAQs About Soldiers In Politics Books**

**What is a Soldiers In Politics PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves

the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a Soldiers In Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soldiers In Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soldiers In Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soldiers In Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
