**Soldiers of Compassion** Urie A. Bender, 1969-09 **Beyond Compassion** Dolores Martín-Moruno, 2023-12-07 This Element provides a fresh look at humanitarianism by integrating gender emotions senses and experiences as central elements of care Army, 1977 *The Army Chaplaincy*, 1998 **Professional Journal of the United States Army**, 1996 *Military Review*, 1996 **The Three Meter Zone** J. D. Pendry, 2008-12-30 A pocket sized guide to being a good leader for non commissioned officers NCOs Discusses US Army values in user friendly terms from the perspective of a former member of the NCO core Introduces three different types of leadership styles for 3 meter 50 meter and 100 meter soldiers Praise for The Three Meter Zone I have read plenty of leadership books and find this one to be the most realistic This book is down to earth with plenty of scenarios quotations and situations that can easily be related to a reader s past present and future I highly recommend this book Army Magazine Pendry s book is both timely and useful I encourage all battalion and brigade commanders to add it to their unit s professional reading list Read this book take up his challenge to critically examine ourselves and our styles Armor Magazine J D Pendry does a superb job of relating his own personal experiences and tying them into everyday leadership and management principles It is not too difficult to transfer the lessons presented here to any other military service or civilian application U S Naval Institute Proceedings Business and corporate leaders would do well to take Pendry s lessons to heart Ocala Florida Star Banner Political and Military Sociology Neovi M. Karakatsanis, 2017-07-05 This volume of Political and Military Sociology focuses on the perceptions and identities of those serving in the military using survey or interview data to explore those perceptions A range of military forces are examined including those of the United States Israel Norway and Denmark The first article using survey data from Denmark compares the views of Danish soldiers to civilians The second article looks at the effects of military education upon the attitudes and values of soldiers The third article explores Israeli soldiers attitudes regarding formal military education The fourth article addresses the impact of Norwegian soldiers self identity on military performance In a different vein the survey results of the fifth article show that support for soldiers on active duty in Iraq and Afghanistan does not necessarily translate into support for veterans Military lawyers in the Israel Defense Forces are the subject of the sixth article This volume concludes with an article that argues that military service should be offered as a legal policy alternative to incarceration **AR 614-200 02/26/2009 ENLISTED ASSIGNMENTS AND UTILIZATION MANAGEMENT , Survival Ebooks** Us Department Of Defense, [www.survivalebooks.com](http://www.survivalebooks.com), Department of Defense, Delene Kvasnicka, United States Government US Army, United States Army, Department of the Army, U. Pichichero, 2017-11-15 The Military Enlightenment brings to light a radically new narrative both on the Enlightenment and the French armed forces from Louis XIV to Napoleon Christy Pichichero makes a striking discovery the Geneva Conventions

post traumatic stress disorder the military band of brothers and soldierly heroism all found their antecedents in the eighteenth century French armed forces Readers of The Military Enlightenment will be startled to learn of the many ways in which French military officers administrators and medical personnel advanced ideas of human and political rights military psychology and social justice

**Echoes of Iwo Jima** Pasquale De Marco, 2025-07-19 In the annals of World War II few battles have captured the imagination and left such an indelible mark on history as the Battle of Iwo Jima This small island located some 700 miles south of Tokyo became the scene of one of the most ferocious and costly conflicts in the Pacific War Echoes of Iwo Jima is a gripping and comprehensive account of this epic struggle told through the eyes of those who fought and survived Drawing on extensive research and firsthand testimonies this book provides a vivid and immersive account of the battle from the initial landings on the black sand beaches to the final desperate fighting atop Mount Suribachi Readers will be captivated by the stories of bravery resilience and sacrifice displayed by both American and Japanese soldiers They will witness the horrors of war firsthand as they follow the troops through the blood soaked trenches and witness the relentless shelling and aerial bombardments They will also come to understand the strategic importance of Iwo Jima and the reasons why both sides were determined to control it Echoes of Iwo Jima is more than just a military history it is a powerful exploration of the human cost of war Through the personal narratives of the soldiers readers will gain a deeper understanding of the physical and emotional toll that combat can inflict They will also learn about the enduring legacy of the battle both for the survivors and for the families of those who never returned home This book is a fitting tribute to the men who fought and died at Iwo Jima Their stories deserve to be told and retold lest we forget the sacrifices they made to ensure our freedom Echoes of Iwo Jima is a must read for anyone interested in World War II history military history or the human experience of war If you like this book write a review

**The Power of Compassion** Marion Kostanski, 2009-03-26 We entered the 21st Century full of anxiety with the promised threat of a millennium bug that could potentially cripple our lives Since then we have witnessed an increasing level of angst and despair across the world as warnings of climate change and economic hardships have been forecast Wars have raged a new evil has entered our consciousness and the word terrorism has come to the forefront of our lexicon Millions of innocent people have lost their lives Today we are witnessing the ever increasing state of displaced persons being shuffled from makeshift home to makeshift home being locked up in camps and cut off from the rest of society Everywhere around us we hear about increases in depression and mental health disorders among the general population Young people are checking out of the mainstream there are phenomenal increases in the rate of suicide and older people are living out wretched lives isolated and alone Multinational corporations have been accused of extorting vulnerable peoples for economic gain and consumption seems to be our new idol What is becoming of our society How do we make sense of our world The essays in this book provide a compelling insight and reflection into the work of health professionals as they struggle to make sense of their work and the

world around them in this new century From exploring the concept of Living Compassion working with the good bad and ugly aspects of our lives and reflecting on practice the authors discuss their ideas on compassion They offer you the reader an opportunity to reflect on your own daily practice and to go forward with a sense of shared humanity

**Military Ethics and Leadership** Peter H.J. Olsthoorn, 2017-04-18 Most books and articles still treat leadership and ethics as related though separate phenomena This edited volume is an exception to that rule and explicitly treats leadership and ethics as a single domain Clearly ethics is an aspect of leadership and not a distinct approach that exists alongside other approaches to leadership This holds especially true for the for the military as it is one of the few organizations that can legitimately use violence Military leaders have to deal with personnel who have either used or experienced violence This intertwining of leadership and violence separates military leadership from leadership in other professions Even in a time that leadership is increasingly questioned it is still good leadership that keeps soldiers from crossing the thin line between legitimate force and excessive violence

*Compassion's Edge* Katherine Ibbett, 2018 *Compassion's Edge* traces the relation between compassion and toleration after France's Wars of Religion This is not however a story about compassion overcoming difference but one of compassion reinforcing division It provides a robust corrective to today's hope that fellow feeling draws us inexorably and usefully together

The Healing Art of Connecting with Patients Fahad Aziz, 2025-09-26 This book provides physicians with a practical insightful guide on mastering the often overlooked yet essential skill of patient connection While clinical expertise is foundational to the medical profession the ability to build meaningful relationships with patients is equally important for achieving positive outcomes This book seeks to address the gap in medical education and practice by focusing on the emotional psychological and relational dimensions of healthcare This is an ideal guide for all physicians wanting to improve patient care

Buddhism, War, and Nationalism Xue Yu, 2013-10-14 This thesis examines the doctrinal grounds and different approaches to working out this new Buddhist tradition a startling contrast to the teachings of non violence and compassion which have made Buddhism known as a religion of peace In scores of articles as war approached in 1936 37 new monks searched and reinterpreted scripture making controversial arguments for ideas like compassionate killing which would justify participating in war

**Warriors and Peacemongers: Unraveling the Paradox of Military Service** Pasquale De Marco, 2025-07-10 *Warriors and Peacemongers: Unraveling the Paradox of Military Service* is a thought provoking exploration of the paradoxical nature of war and peace as seen through the eyes of those who have served in the military This book delves into the complexities of human existence questioning the relationship between violence and peace the role of the military in society and the possibility of reconciling the seemingly irreconcilable Through the personal stories of warriors and peacemongers readers gain a deeper understanding of the motivations struggles and transformations that shape the lives of military personnel From the front lines of combat to the halls of government from the depths of despair to the heights of hope this book takes readers on a journey through the paradoxical

world of military service The narratives in Warriors and Peacemongers illuminate the profound impact of war on the human psyche the challenges of transitioning from violence to peace and the ongoing struggle to find meaning and purpose in a world marred by conflict This book is a testament to the resilience of the human spirit the indomitable will to overcome adversity and the unwavering belief in the possibility of a better future More than just a collection of individual stories Warriors and Peacemongers is an invitation to confront the contradictions that exist within ourselves and within our societies It is a call to action urging us to work towards creating a world where peace and justice prevail This book is essential reading for anyone interested in the human condition the complexities of war and peace and the ongoing quest for a more harmonious world With its powerful storytelling and thought provoking insights Warriors and Peacemongers is a must read for anyone seeking to understand the paradoxical nature of military service and the human experience of war and peace If you like this book write a review
