

Mar 21 of Cannon & American
troops in bad American
bombarding town we just
left.

Mar 22 Bombardment. First
day. Sending 1000 lbs.
of spirit. Very tired and
slight. Bad humor.
With some sickness for 3 days.
Feeling better.

Mar 23 German Bombarding
French artillery. Shooting
for 300 yards.

Mar 22 Leaving Blamont tonight
Back to French & days. Leaving for
training camp. French & American
made raid last night.

Smelt my first fish this morning
3 good whiffs. Bad.

Mar 24 Left Blamont 1000 and
back to Longue and around 7000
did not sell.

Left Longue at 10 AM for
Ligny in heavy marching order, about
150 to 200 miles & miles today.
Arrived at St. Clement early in
afternoon and received new clothing
and was paid.

Staying in French home, nice
meal and soup, good bed and
rabbit, pie, chicken, etc. Fine
beautiful weather.

Mar 24 Weather good and all
the boys in good spirits.

Mar 25 Band concert in P.M.
French were astonished and look
with eyes & mouths open.

Mar 26 Cold clear weather. Cloud
up town and drilled.

Soldiers Diary

**Travis Clayvon King Sr, Cassandra D.
Williams**

Soldiers Diary:

The Diary of a Soldier Major L. Louis Lee, 2011-11-11 The Diary of a Soldier recounts the World War I experiences of U S Army Sergeant Major L Louis Lee from the day of his embarkation to France in April 1918 to the day his troop ship docked in New York the following February Alternately inspiring introspective droll and chilling the Diary was written in a time and place far from the 21st century Patriotism was more innocent Communication with supporters at home could take weeks or months Daily life was elemental Yet common themes in the Diary bind the World War I years to today the horror of war the way soldiers cope with severe physical and mental stress and the anchor provided by home family and friends The Diary of a Soldier offers a unique portrayal of one mans daily experiences in his eras war to end all wars A Soldier's Diary Ralph Scott, 1923 **Leaves from a Soldier's Diary** George Gilbert Smith, 1906 **Soldiers Diary (A): World War II.** , **A Soldier's Diary** David Lane, 1905 **A Soldier's Diary** Alfred DiGiacomo, 2008 Soldiers of the Queen Stephen Manning, 2016-09-02 It may come as some surprise that in such a popular area of military history there is no book that focuses on the experience of the Victorian soldier from recruitment to embarkation fighting and perhaps returning perhaps dying in his own words Dr Manning s meticulous research in primary sources gives the lie to the received image of the disciplined redcoated campaigner of Victorian art and literature for one thing by the time he arrived at his destination the coat would have been in rags The distances covered on march were unbelievable through desert and disease ravaged swamp Lavishly illustrated throughout all the major Colonial campaigns and most of the minor ones are featured To understand how what was in reality a tiny standing army controlled the largest empire the world has ever seen this book is a must **A Civil War Soldier's Diary** Valentine Cartright Randolph, 2006 A century and a half after Appomattox the diaries of soldiers continue to surface and Civil War enthusiasts including many university professors dream of finding a lost piece of history Such was the delight of David Roe whose friend gave him a remarkable family heirloom the diary of Valentine C Randolph which included handwritten daily entries starting on the day Randolph enlisted and ending on the evening before he arrived home Spanning three years of military experience in the 39th Illinois Regiment this diary includes revealing narratives some recounting events not noted in other sources An eloquent diarist Randolph vividly describes military action in key areas of the eastern theater northern Virginia Charleston and Richmond and its surrounds His record of the Peninsula Campaign the siege of Charleston and finally the Bermuda Hundred and Petersburg campaigns offers a rare look at the role common soldiers played in master strategies He recounts the trials of garrison duty and sea sickness he observes life in army camps and hospitals A former theology student and an unusually thoughtful man Randolph questions the military predation of civilian property and condemns the racial prejudices of his fellow soldiers SOLDIER'S DIARY (CLASSIC REPRINT). RALPH. SCOTT, 2018 The Civil War Diary of a Common Soldier Terrence J. Winschel, 2001-05-01 William Wiley was typical of most soldiers who served in the armies of the North and South during the Civil War A poorly educated farmer from

Peoria he enlisted in the summer of 1862 in the 77th Illinois Infantry a unit that participated in most of the major campaigns waged in Mississippi Louisiana Texas and Alabama Recognizing that the great conflict would be a defining experience in his life Wiley attempted to maintain a diary during his years of service Frequent illnesses kept him from the ranks for extended periods of time and he filled the many gaps in his diary after the war When viewed as a postwar memoir rather than a period diary Wiley s narrative assumes great importance as it weaves a fascinating account of the army life of Billy Yank Rather than focus on the noble and heroic aspects of war Wiley reveals how basic the lives of most soldiers actually were He describes at length his experiences with sickness both on land and at sea and the monotony of daily military life He seldom mentions army leaders evidence of how little private soldiers knew of them or the larger drama in which they played a part Instead he writes fondly of his small circle of regimental friends fills his pages with refreshing anecdotes records troop movements details contact with civilians and describes the appearance of the countryside through which he passed In the epilogue Terrence J Winschel recounts Wiley s complex and often frustrating struggle to obtain his military pension after the war Wiley was an ingenious misspeller and his words are transcribed just as he wrote them more than 130 years ago Through his simple language we come to know and care for this common man who made a common soldier His story transcends the barriers of time and distance and places the reader in the midst of men who experienced both the horror and the tedium of war Winschel s rich annotation fleshes out Wiley s narrative and provides an enlightening historical perspective Scholars and buffs alike especially those fascinated by operations in the lower Mississippi Valley and along the Gulf Coast will relish Wiley s honest portrait of the ordinary serviceman s Civil War

Chemical Soldiers Donald C. Richter,1992 They were sometimes the butt of jokes the comical chemical corporals Officially they were the British Special Brigade sent to retaliate against German chemical warfare selected as one of their members said almost willy nilly They wanted chemists a young recruit later recalled so I looked up the formula for water and told them it was H2O and I was in

Letters from Korea David Cannon,2016-12-16 This is a collection of letters written by a soldier during the Korean War 1950-1952 There are detailed and well written descriptions of army life at the time from basic training at Camp Polk Louisiana to the journey by ship through the Panama Canal to Japan then on to Korea Included are descriptions of the countryside the people barracks life and the importance of mail on morale Plus the frustrations disappointments uncertainties and rumors and their effect on a well adjusted individual Names have been changed to avoid possible embarrassment to individuals

Black Soldiers of the Queen P. S. Thompson,2006-08-27 Africans who fought alongside the British against the Zulu king

Soldiers and Scholars Carol Reardon,1990 The use and abuse of military history is the theme of this book The author scrutinizes the army s first systematic attempt to use military history to educate its future leaders and traces the army s struggle from the end of the Civil War to claim intellectual authority over the study of war

Civil War Soldiers Reid Mitchell,1997-07-01 The soldiers on both sides of the Civil War were united by a common history and yet the legacy of this past was ambiguous upholding both

rebellion and union Union and Confederate men went to war as Americans convinced they fought an un American savage enemy The war they fought was as emotional and catastrophic as any in history a violent crucible that forged a new national identity Civil War Soldiers is a fresh and compelling attempt to fathom the war s significance then and now and makes immediate the charged issues and bitter ironies of a nation torn by a conflict over the common ideals of liberty and justice Drawing on diaries and letters the focus of this pioneering study is on the men who fought caught up in a conflict whose causes and consequences seemed as complex and contradictory to the soldiers themselves as they do to us Reid Mitchell re creates their experience and discusses the questions one would have most wanted to ask them Why did you fight How did you feel about slavery and race What did you take home from the war What legacy have you left us Fresh insights startling descriptions and poignant human detail about the war from the men who fought it Chicago Tribune **Professional Journal of the United States Army** ,1982 *Diary of an Enlisted Man* Lawrence Van Alstyne,2018-01-03 Reproduction of the original A Soldier's Diary David Lane,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification A Soldier s Diary The Story Of A Volunteer 1862 1865 David Lane United States **A Soldier's Diary** David Lane,2017-11-18 Excerpt from A Soldier s Diary The Story of a Volunteer 1862 1865 Nothing extenuate nor set down aught in malice but to give expression to my own convictions I had no thought at the time nor for many years after of having it published but as the years sped on and the old veterans of the Civil War were being rapidly mustered for final discharge I have been urged by many old friends and comrades to publish it that our children and grandchildren may realize something of the hardships and trials their ancestors cheerfully endured for love of country I only regret that what I have tried to do has been so crudely done About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Ruff N' Black* Travis Clayvon King Sr,Cassandra D. Williams,2015-01-22 Ruff N Black is a collection of contemporary literature written by a United States Army Veteran This selection contains a unique style of poetry as well as short excerpts that

recount the life experiences of the Author The Author Travis King expresses his deepest emotions as well as his personal reflections of his day to day life as a Soldier and also a Civilian struggling to transition suffering from the Post Traumatic stresses associated with the afterlife Trained to die and know how to survive in this journey that we call Life
