You Are Old by William Butler Yeats We by Yevgeny Zamyatin **The Union Sixth Corps in the Shenandoah Valley, June-October 1864** Jack H. Lepa, 2016-11-19 During the summer and fall of 1864 Virginia's Shenandoah Valley was one of the most contested regions of the South. Federal armies invaded the Valley three times; twice they were repulsed. This book describes the third campaign, the supreme achievement of the Army of the Potomac's Sixth Corps. One of the most respected units in the Federal Army, the Sixth Corps formed the nucleus of the Federal force that spent several months competing for control of the Valley with a desperate Confederate army, resulting in some of the toughest fighting of the war. Following victories at Winchester and Fisher's Hill, the Sixth Corps campaign culminated with a remarkable stand that stopped the attacking enemy and turned what began as a disastrous defeat into a spectacular victory at Cedar Creek. **Comes a**

Soldier's Whisper Jenny La Sala, 2013-02-15 The Golden Warrior and the bravest man I ever knew. When Dave and I fought together, no matter how severe the action, he would put his hand on my shoulder and it gave me a calming effect. He was as fierce in battle as he was gentle in friendship. Charles E. Eckman, 101st Airborne, Screaming Eagles, Holtwood, Pennsylvania. I remember David as a kind, soft-spoken man and was intrigued that he was also Colonel Michaelis's radio operator. All of these men were larger than life. Little is known about Michaelis because he was in command of the 502nd for such a short yet important time. Peter J. K. Hendriks, author of *Orange is the Color of the Day: Pictorial History of the 101st Airborne Liberation of Holland*, www.heroesatmargraten.com. Madame Rolle, owner of Chateau Rolle castle located in Champs outside of Bastogne, Belgium, and was designated as the headquarter command post for the 502nd Parachute Infantry Regiment when she was a young girl. I remembered our father operating his radio in her foyer and said, "He was a nice young fellow who kept talking to someone named Roger." Madame Rolle. This collection of letters written by a young 101st Airborne paratrooper soldier to his sweetheart from 1943-1945 is so personal and matter-of-fact that I almost forgot that David Clinton Tharp was only one of millions of heroes made by World War II. David Tharp certainly deserves a book like this in his honor and it deserves to be read and praised. It is a must-read for every American and especially for veterans of war. Palmetto Review.

Everybody's Magazine, 1918 *In the Ruins of Empire* Ronald Spector, 2008-07-08 The New York Times said of Ronald H. Spector's classic account of the American struggle against the Japanese in World War II: "No future book on the Pacific War will be written without paying due tribute to *Eagle Against the Sun*." Now Spector has returned with a book that is even more revealing. *In the Ruins of Empire* chronicles the startling aftermath of this crucial twentieth-century conflict. With access to recently available firsthand accounts by Chinese, Japanese, British, and American witnesses and previously top-secret U.S. intelligence records, Spector tells for the first time the fascinating story of the deadly confrontations that broke out or merely continued in Asia after peace was proclaimed at the end of World War II. Under occupation by the victorious Allies, this part of the world was plunged into new power struggles or back into old feuds that in some ways were worse than the war itself. *In the Ruins of Empire* also shows how the U.S. and Soviet governments as they secretly vied for influence in liberated lands.

were soon at odds At the time of the peace declaration international suspicions were still strong Joseph Stalin warned that crazy cutthroats might disrupt the surrender ceremony in Tokyo Bay Die hard Japanese officers plotted to seize the emperor's palace to prevent an announcement of surrender and clandestine relief forces were sent to rescue thousands of Allied POWs to prevent their being massacred In the Ruins of Empire paints a vivid picture of the postwar intrigues and violence In Manchuria Russian liberators looted raped and killed innocent civilians and a fratricidal rivalry continued between Chiang Kai shek's regime and Mao's revolutionaries Communist resistance forces in Malaya settled old scores and terrorized the indigenous population while mujahideen holy warriors staged reprisals and terror killings against the Chinese hundreds of innocent civilians were killed on both sides In Indochina a nativist political movement rose up to oppose the resumption of French colonial rule one of the factions that struggled for supremacy was the Communist Viet Minh led by Ho Chi Minh Korea became a powder keg with the Russians and Americans entangled in its north and south And in Java as the Indonesian novelist Idrus wrote people brutalized by years of Japanese occupation worshipped a new God in the form of bombs submachine guns and mortars Through impeccable research and provocative analysis as well as compelling accounts of American British Indian and Australian soldiers charged with overseeing the surrender and repatriation of millions of Japanese in the heart of dangerous territory Spector casts new and startling light on this pivotal time and sets the record straight about this contested and important period in history **Army-Navy-Air Force Register and Defense Times**
