

Solitary Dance

Pasquale De Marco

Solitary Dance:

Divine Duality Nina Vale, 2024-11-12 Divine Duality Understanding the God and Goddess in Wicca In a world disconnected from its roots Divine Duality invites you to rediscover ancestral wisdom and align yourself with Wiccan rituals that for centuries have honored sacred nature This book is a deep dive into Wiccan practice exploring the harmony between the divine and the natural through ancient deities and the essential union between the God and Goddess reflected in the lunar cycles and the annual wheel of the seasons With both practical and profound insights each chapter guides you through topics like elemental magic magical protection and the creation of a sacred altar Here you will uncover the secrets of the natural elements and learn to activate your inner power through magic candles healing crystals and simple spells Exploring Wiccan symbolism and Wiccan ethics this book teaches you how to perform sacred offerings and spiritual rites that awaken the sacred around you For those seeking personal energy and balance Divine Duality offers detailed practices for the ritual consecration of objects and communion with Earth's hidden energies Through basic spells spiritual practices and guidance on the Wiccan Web you will learn to use powerful tools to transform your life With instructions on how to incorporate feminine deities and sacred offerings into your daily routine this book becomes a unique source of connection with the divine If you feel the call to discover the power of rituals and ceremonies Divine Duality is the first step toward an existence where the sacred is found in the everyday making each moment an expression of communion with the universe

The Oxford Handbook of Jewishness and Dance Naomi M. Jackson, Rebecca Pappas, Toni Samantha Phim, 2022 Focusing on North America Europe and Israel in the twentieth and twenty first centuries this Handbook highlights the sometimes surprising often hidden and overlooked Jewish resonances within a range of styles from modern and postmodern dance to folk dance and flamenco

The Wireless Past Emily C. Bloom, 2016-11-08 The Oxford Mid Century Studies series publishes monographs in several disciplinary and creative areas in order to create a thick description of culture in the thirty year period around the Second World War With a focus on the 1930s through the 1960s the series concentrates on fiction poetry film photography theatre as well as art architecture design and other media The mid century is an age of shifting groups and movements from existentialism through abstract expressionism to confessional serial electronic and pop art styles The series charts such intellectual movements even as it aids and abets the very best scholarly thinking about the power of art in a world under new techno political compulsions whether nuclear apocalyptic Cold War propagandized transnational neo imperial super powered or postcolonial The Wireless Past chronicles the emergence of the British Broadcasting Corporation BBC as a significant promotional platform and aesthetic influence for Irish modernism from the 1930s to the 1960s This is the first book length study of Irish literary broadcasting on the BBC and situates the works of W B Yeats Elizabeth Bowen Louis MacNeice and Samuel Beckett in the context of the media environments that shaped their works Drawing upon unpublished radio archives this book shows that radio broadcasting rather than prompting a break with literary history and

traditional literary forms in fact served as an important means for reinterpreting the legacies of oral and print traditions In the years surrounding World War II radio came to be seen as a catalyst for literary revivals and simultaneously a force for experimentation This double valence of radio the conjoining of revivalism and experimentation create a distinctive radiogenic aesthetics in mid century modernism *Studies in the Laṅkāvatāra Sūtra* Daisetz Teitaro Suzuki,1999 The title Lankavatara might mean entering Lanka Perhaps referring to the temporary Mahayana period of Ceylon suggesting that the doctrine of this scripture are possibly consistent with earlier Buddhism preserved in the Pali language Suzuki has greatly helped the reader of the basic scripture by discussing the main ideas He tells how to study this scripture compares it with the popular Zen Buddhism discusses such typical and important doctrines as Mind only the Triple body of the Buddha and many minor topics Suzuki is both an exacting scholar and an understanding exponent of these difficult concepts He adds a Sanskrit Chinese English Glossary and also an Index This work is essential for grasping the main ideas of the scripture **Deleuze and the Gynesis of Horror** Sunny Hawkins,2020-10-01 Applying Deleuze s schizoanalytic techniques to film theory Deleuze and the Gynesis of Horror demonstrates how an embodied approach to horror film analysis can help us understand how film affects its viewers and distinguish those films which reify static hegemonic molar beings from those which prompt fluid nonbinary molecular becomings It does so by analyzing the politics of reproduction in contemporary films such as *Ex Machina* *Mary Shelley s Frankenstein* *Mad Max Fury Road* the *Twilight* saga and the original *Alien* quadrilogy and its more recent prequels *Prometheus* and *Alien Covenant* Author Sunny Hawkins argues that films which promote a monstrous philosophy of qualitative affirmative difference as difference in itself and which tend to be more molecular than molar in their expressions can help us trace a line of flight from the gender binary in the real world Deleuze and the Gynesis of Horror demonstrates how the techniques of horror film editing sound and visual effects lighting and colour camera movement work in tandem with a film s content to affect the viewer s body in ways that disrupt the sense of self as a whole unified subject with a stable monolithic identity and in some cases can serve to breakdown the binary between self Other as we come to realize that we are none of us static categorizable beings but are as Henri Bergson said living things constantly becoming

The Wedding Dress Sewing Circle Jennifer Ryan,2023-05-30 Three plucky women lift the spirits of home front brides in wartime Britain where clothes rationing leaves little opportunity for pomp or celebration even at weddings in this heartwarming novel based on true events from the bestselling author of *The Chilbury Ladies Choir* After renowned fashion designer Cressida Westcott loses both her home and her design house in the London Blitz she has nowhere to go but the family manor house she fled decades ago Praying that her niece and nephew will be more hospitable than her brother had been she arrives with nothing but the clothes she stands in at a loss as to how to rebuild her business while staying in a quaint country village Her niece Violet Westcott is thrilled that her famous aunt is coming to stay the village has been interminably dull with all the men off fighting But just as Cressida arrives so does Violet s conscription letter It couldn t have

come at a worse time how will she ever find a suitably aristocratic husband if she has to spend her days wearing a frumpy uniform and doing war work Meanwhile the local vicar's daughter Grace Carlisle is trying in vain to repair her mother's gown her only chance of a white wedding When Cressida Westcott appears at the local Sewing Circle meeting Grace asks for her help but Cressida has much more to teach the ladies than just simple sewing skills Before long Cressida's spirit and ambition galvanizes the village group into action and they find themselves mending wedding dresses not only for local brides but for brides across the country And as the women dedicate themselves to helping others celebrate love they might even manage to find it for themselves

A Short History of Flour Milling Henry Adams Bellows, 1924 The Philosophy of Forgiveness - Volume II Court D. Lewis, 2020-10-06 Volume II of Vernon Press's series on the Philosophy of Forgiveness offers several challenging and provocative chapters that seek to push the conversation in new directions and dimensions Volume I Explorations of Forgiveness Personal Relational and Religious began the task of creating a consistent multi dimensional account of forgiveness and Volume II's New Dimensions of Forgiveness continues this goal by presenting a set of chapters that delve into several deep conceptual and metaphysical features of forgiveness New Dimensions of Forgiveness creates a theoretical framework for understanding the many nuanced features of forgiveness namely third party forgiveness forgiveness as an aesthetic process the role of resentment in warranting forgiveness the moral status of self forgiveness epistemic trust forgiveness's influence on the moral status of persons forgiveness in time the status of Substance and Subject within a Hegelian framework Jacques Derrida's impossible forgiveness and the use of imaginative magic to become a maximal forgiver Readers will be challenged to question and come to terms with many oft overlooked yet important philosophical dimensions of forgiveness

Sonnets Jeffrey Jay Niehaus, 2014-02-17 When Weirton Steel was powerful and poured Columns of smoke and fumes into the air North of Martins Ferry in the valley And orange water tumbled from its sluices Into an umber river far below I was a boy Sonnet I lines 1-6 The one hundred sonnets in this volume carry us beyond the author's boyhood into a voyage of adult concerns but also playfulness love of art and intimations of Paradise They affirm in many ways a nobility Wallace Stevens thought was hard to find in contemporary poetry

Cuentos Chicanos Rudolfo A. Anaya, Antonio Márquez, 1984 A collection of twenty one short stories in English and Spanish that demonstrate the changes and developments that have occurred in the Chicano literary tradition over the last twenty years

Dancers and Dancing James Monroe Hubbert, 1901 At first glance Hubbert appears to be presenting both pro and con arguments regarding the suitability of dancing However the discussion is weighted toward the common discourse found in this genre of antidance literature Hubbert argues that although dance was practiced in biblical times it was performed by and for women Additionally he concludes that dance is bad for the health and a waste of time and money

The Poster Ruth E. Iskin, 2014-10-07 The Poster Art Advertising Design and Collecting 1860s 1900s is a cultural history that situates the poster at the crossroads of art design advertising and collecting Though international in scope the book focuses especially on

France and England Ruth E Iskin argues that the avant garde poster and the original art print played an important role in the development of a modernist language of art in the 1890s as well as in the adaptation of art to an era of mass media She moreover contends that this new form of visual communication fundamentally redefined relations between word and image poster designers embedded words within the graphic rather than using images to illustrate a text Posters had to function as effective advertising in the hectic environment of the urban street Even though initially commissioned as advertisements they were soon coveted by collectors Iskin introduces readers to the late nineteenth century iconophile a new type of collector curator archivist who discovered in poster collecting an ephemeral archaeology of modernity Bridging the separation between the fields of art design advertising and collecting Iskin s insightful study proposes that the poster played a constitutive role in the modern culture of spectacle This stunningly illustrated book will appeal to art historians and students of visual culture as well as social and cultural history media design and advertising

Commentary on the Song of Songs and Ecclesiastes Franz Delitzsch,1891 *The English Review* Ford Madox Ford,1922 *Vision of Remembrance* Pasquale De Marco,2025-04-22 *Vision of Remembrance* is an evocative exploration of the multifaceted nature of remembrance a journey through the labyrinth of emotions it evokes Within these pages readers will delve into the chambers of grief where loss leaves its searing mark and the sanctuaries of hope where resilience and healing ignite the embers of the soul They will encounter echoes of the past whispers carried on the winds of time and visions of the future illuminating the path ahead Through the lens of personal narratives evocative imagery and thought provoking insights this book seeks to create a space for reflection contemplation and healing It is an invitation to embrace the power of remembrance to honor the threads of our history and to envision a future imbued with meaning and purpose As readers embark on this journey they will encounter diverse perspectives on loss grief and resilience gaining insights into the human spirit s remarkable capacity for transformation Through the exploration of these themes this book aims to create a tapestry of remembrance that resonates with the hearts of readers offering comfort inspiration and a renewed appreciation for the preciousness of life Whether you are navigating the depths of grief or seeking solace and inspiration *Vision of Remembrance* offers a compassionate and thought provoking companion Its words will resonate with those who have experienced loss reminding them that they are not alone in their journey It will also inspire those seeking to cultivate a deeper connection to their past present and future Within the chapters of this book readers will discover The power of remembrance to shape our identities and inspire creativity Strategies for navigating the challenges of grief and loss The art of forgiveness and the transformative power of healing The importance of embracing our memories and honoring our legacies Visions of hope and resilience that illuminate the path ahead *Vision of Remembrance* is more than just a book it is an invitation to explore the depths of your own heart and soul It is a guide to navigating the complexities of remembrance a source of comfort in times of sorrow and a beacon of hope for the future If you like this book write a review on google books

Utopia Drive Erik Reece,2024-09-04 For Erik Reece

life at last was good he was newly married gainfully employed living in a creekside cabin in his beloved Kentucky woods It sounded as he describes it like a country song with a happy ending And yet he was still haunted by a sense that the world or more specifically his country could be better He couldn't ignore his conviction that in fact the good ol' USA was in the midst of great social environmental and political crises that for the first time in our history we were being swept into a future that had no future Where did we here in the land of Jeffersonian optimism and better tomorrows go wrong Rather than despair Reece turned to those who had dared to imagine radically different futures for America What followed was a giant road trip and research adventure through the sites of America's utopian communities both historical and contemporary known and unknown successful and catastrophic What he uncovered was not just a series of lost histories and broken visionaries but also a continuing and vital but hidden idealistic tradition in American intellectual history *Utopia Drive* is an important and definitive reconstruction of that tradition It is also perhaps a new framework to help us find a genuinely sustainable way forward an engaging exploration and example of the fruitful tunnel visions of dreamers turned doers Publishers Weekly

Voices of a Thousand People Patricia Pierce Erikson, 2005-10-01 *Voices of a Thousand People* is the story of one Native community's efforts to found their own museum and empower themselves to represent their ancient traditional lifeways their historic experiences with colonialism and their contemporary efforts to preserve their heritage for generations to come This ethnography richly portrays how a community embraced the archaeological discovery of Ozette village in 1970 and founded the Makah Cultural and Research Center MCRC in 1979 Oral testimonies participant observation and archival research weave a vivid portrait of a cultural center that embodies the self image of a Native American community in tension with the identity assigned to it by others

Sri Lanka's Global Factory Workers Sandya Hewamanne, 2016-06-17 In Sri Lanka the Free Trade Zone FTZ employs thousands of unmarried rural women and their migration has aroused deep anxieties over female morality and ideal conduct This book focuses on the global factory workers based in the FTZ and analyzes intersections of gender class and sexuality by looking at the sexual lives and struggles of the female workers Exploring the alternative sexual world created by Sri Lanka's female global factory workers who engage in practices such as premarital sex unmarried cohabitation and to a lesser extent lesbianism that mainstream Sinhalese Buddhist culture considers taboo the author demonstrates that the articulations of good and bad women in relation to sexual behavior has rendered global workers sexual lives unutterable leading to zones of silence contradictory articulations and performances Taking the reader into the forbidden zones of sexual discourses choices acts and texts enacted and expressed in visible arenas yet remain unseen unread or misread by onlookers the book critically investigates how cultural economic and political processes are implicated in the construction and expression of working class female sexualities An important contribution to the field of gender studies the book addresses issues surrounding sexuality particularly how it is shaped by global production networks as well as patriarchal nationalist projects It is of interest to students and scholars of South Asian Studies and Gender Studies
