Solitary Apprenticeship James Wright And German Poetry:

Solitary Apprenticeship Saundra Maley, 1996 American Literature in Transition, 1960-1970 David

Wyatt, 2018-09-13 The decade of the 1960s has come to occupy a uniquely seductive place in both the popular and the historical imagination While few might disagree that it was a transformative period the United States remains divided on the question of whether the changes that occurred were for the better or for the worse Some see it as a decade when people became more free others as a time when people became more lost American Literature in Transition 1960 1970 provides the latest scholarship on this time of fateful turning as seen through the eyes of writers as various as Toni Morrison Gary Snyder Michael Herr Amiri Baraka Joan Didion Louis Chu John Rechy and Gwendolyn Brooks This collection of essays by twenty five scholars offers analysis and explication of the culture wars surrounding the period and explores the enduring testimonies left behind by its literature

A Wild Perfection James Wright, 2005-08-17 The life and work of a major American poet described in his own words There is something about the very form and occasion of a letter the possibility it offers the chance to be as open and tentative and uncertain as one likes and also the chance to formulate certain ideas very precisely if one is lucky in one's thoughts wrote James Wright one of the great lyric poets of the last century in a letter to a friend A Wild Perfection is a compelling collection that captures the exhilarating and moving correspondence between Wright and his many friends In letters to fellow poets Donald Hall Theodore Roethke Galway Kinnell James Dickey Mary Oliver and Robert Bly Wright explored subjects from his creative process to his struggles with depression and illness A bright thread of wit gallantry and passion for describing his travels and his beloved natural world runs through these letters which begin in 1946 in Martin's Ferry Ohio the hometown he would memorialize in verse and end in New York City where he lived for the last fourteen years of his life Selected Letters is no less than an epistolary chronicle of a significant part of the midcentury American poetry renaissance as well as the clearest biographical picture now available of a major American poet

After Every War, 2013-10-31 They are nine women with much in common all German speaking all poets all personal witnesses to the horror and devastation that was World War II Yet in this deeply moving collection each provides a singularly personal glimpse into the effects of war on language place poetry and womanhood After Every War is a book of translations of women poets living in Europe in the decades before and after World War II Rose Ausländer Elisabeth Langgässer Nelly Sachs Gertrud Kolmar Else Lasker-Schüler Ingeborg Bachmann Marie Luise Kaschnitz Dagmar Nick and Hilde Domin Several of the writers are Jewish and therefore also witnesses and participants in one of the darkest occasions of human cruelty the Holocaust Their poems as well as those of the other writers provide a unique biography of the time but with a difference These poets see public events through the lens of deep private losses They chart the small occasions the bittersweet family ties the fruit dish on a table the lost soul arriving at a railway station in other words the sheer ordinariness through which cataclysm is experienced and by which life is cruelly shattered They reclaim these moments and draw the reader into them The poems are

translated and introduced with biographical notes on the authors by renowned Irish poet Eavan Boland Her interest in the topic is not abstract As an Irish woman she has observed the heartbreaking effects of violence on her own country Her experience has drawn her closer to these nine poets enabling her to render into English the beautiful ruminative quality of their work and to present their poems for what they are documentaries of resilience of language of music and of the human spirit in the hardest of times **So Much Secret Labor** Anne Wright, Saundra Rose Maley, Jeffrey Katz, 2025-03-04 So Much Secret Labor is a window into the work of the great American poet James Wright 1927 1980 whose love of languages and quest for the true imagination helped transform American poetry The book draws on memoir archival research interviews letters and previous unpublished journal excerpts presenting a scrupulous and intimate reading of Wright s work and the translations he insisted were as redemptive in his life as they were crucial to his poetics At its center is a selection of Wright s translations both from German and Spanish poems by Trakl Rilke Heine Vallejo Lorca and Neruda among others including draft versions discovered among his collected papers that have never been published It also provides an important assessment of the little known formative influence of German poetry on Wright s own poems Wright s literary relationship with another great mid century American poet Robert Bly is featured here in a portfolio of unpublished letters typescripts and holographs These tell the story of their ardent friendship and earliest translation collaborations and situates them in the history of the emergence of poetry of the true imagination that they were beginning to explore at that time
