Spencer,2012-11-13 The world is a mad place and the various vicissitudes of life appear to make it more so The inherent mutability in nature can swing from the serendipitous to surreal malignity within a matter of moments In this day and age events can be ephemeral or appear so prolonged we are left agonisingly to wonder if they will ever terminate at all To be lost in such a bewildering universe when it feels impossible to gather oneself to take stock of the changeability or to bear the interminable we feel impotent overwhelmed and wrongfully abused Sanity and Solitude is one mans ramble through these frightful absurdities and contradictions that appear to confront us at every turn To understand insanity one has to travel oneself to the very fringes of insanity itself for better or for worse We are the clouds that veil the midnight moon How

restlessly they speed and gleam and quiver Streaking the darkness radiantly yet soon Night closes round and they are lost forever Percy Bysshe Shelley

Indian Women's Writing in English Joel Kuortti,2002 This is a remarkable collection of information on Indian women s writing written originally in English Beginning from the 19th century it introduces 444 writers of poetry and fiction Now it has been a part of common critical parlance to say that the Indian English women s writing is in ascendance One aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing Writers included in the bibliography come from all over India and from the Indian diaspora all over the world Another aim of this bibliography is to make us aware of the constructed nature of writerhood A given writer s texts do not exist and circulate in a vacuum but in a context We can see that Indian English women s writing is taking place But what we do not see is the critical establishment that is literary scholars and critics taking much note of it
