Imperial Co-operation and Transfer, 1870-1930, 2015-08-27 Conflict and competition between imperial powers has long been a feature of global history but their co operation has largely been a peripheral concern Imperial Co operation and Transfer 1870 1930 redresses this imbalance providing a coherent conceptual framework for the study of inter imperial collaboration and arguing that it deserves an equally prominent position in the field Using a variety of examples from across Asia Europe and Africa this book demonstrates the ways in which empires have shared and exchanged their knowledge about imperial governance including military strategy religious influence and political surveillance It asks how when and where these partnerships took place and who initiated them Not only does this book fill an empirical gap in the study of imperial history it traces ideas of empire from their conception in imperial contact zones to their implementation in specific contexts As such this is an important study for imperial and global historians of all specialisms

South Korea since 1980 Uk Heo, Terence Roehrig, 2010-06-28 This book examines the changes in politics economics society and foreign policy in South Korea since 1980 Starting with a brief description of its history leading up to 1980 this book deals with South Korea's transition to democracy the stunning economic development achieved since the 1960s the 1997 financial crisis and the economic reforms that followed and concludes with the North Korean nuclear crisis and foreign relations with regional powers The theoretical framework of this book addresses how democratization affected all of these dimensions of South Korea For instance democratization allowed for the more frequent alternation of political elites from conservative to liberal and back to conservative These elites initiated different policies for dealing with North Korea and held different views on South Korea's role in its alliance with the United States Consequently ideological divides in South Korean politics became more stark and the political process more combative

The History of Taiwan Xiaobing Li, 2019-10-25 This one volume handbook explores the history of Taiwan from its prehistory to its Japanese colonization to its tumultuous relationship with China in the 21st century This addition to the

Greenwood Histories of the Modern Nations series focuses on significant events in the history of Taiwan from ancient history to the present. Following the general series format, the book opens with the series foreword and a chronology of key events in Taiwan's history. Eleven chapters follow, with half of the book focusing on the modern historic events that occurred post World War II. Chapters examine topics and eras including Pre history and Early Civilization to 1100, Formosa, The Dutch Colony, 1622-1662, Cold War, Island Conflicts and Control, 1950-1972, and Democratization and Independence Movement, 1996-2004. A glossary of terms and annotated bibliography rounds out the work, making it an ideal resource for high school and undergraduate students as well as general readers who are looking for an introduction to Taiwan's history.

East Asia and the First World War Frank Jacob, 2022-10-24. The First World War was a truly global event that changed the course of history in many participating as well as non-participating countries. In East Asia, the war stimulated the further rise of Japan as the leading power in the region during the war, yet also its radicalization and social protests after 1918. In China and Korea, it stimulated nationalist eruptions demanding freedom and equality for the semi-colonized countries and the people living within their borders. All in all, the present book offers a concise introduction of the history of the First World War and its impact in East Asia.
