Sir Gawain And Pearl:

Sir Gawain and the Green Knight Pearl Poet, 2017-09-11 Sir Gawain and the Green Knight A modernisation by A S Kline
Written in Middle English of the late Fourteenth Century Sir Gawain and the Green Knight survives in a single manuscript which also contains three religious poems including Pearl written it seems by the same author who is therefore referred to as The Pearl Poet The poem tells the story of an incident at the court of King Arthur involving Sir Gawain's acceptance of a challenge from the mysterious Green Knight and leading to a test of his chivalry and courage The poem is a lively atmospheric and cleverly paced example of a quest tale from which the hero emerges chastened and wiser and contains an interesting mix of Celtic French and English motifs There are many and varied interpretations of the themes and symbols contained in the story and echoes are found in many other folklore tales and legends This and other texts available from Poetry in Translation www.poetryintranslation.com Pearl, 1995 The anonymous author of the poem Pearl is rated with Langland and Chaucer as one of the greatest Middle English poets And while a number of editions of this poem have been published including E V Gordon's 1953 edition and Marie Borroff's 1977 verse translation no edition until now has included a verse translation Middle English text and commentary in one volume William Vantuono's edition of Pearl is certain to become a classroom standard because it contains for the first time a Middle English text with a facing page Modern English verse translation as well as extensive scholarly apparatus Pearl is the first of four poems in a manuscript dated around 1400 A D The other three poems in this manuscript are Cleanness Patience and Sir Gawain and the Green Knight According to Vantuono's introduction it is conceivable that Pearl was written for a nobleman perhaps the poet's patron who had lost a young daughter However many unanswered questions remain about the circumstances surrounding the poet and his writing of Pearl Was he a layman or a priest Is Pearl primarily elegy or allegory Was the pearl maiden his daughter and if she was can that fact be reconciled with the possibility that the poet was a clergyman This volume contains an extensive commentary covering all matters from minute textual problems to the various debates about the poem's theme and genre Appendices discuss versification dialect and language and sources and analogues two bibliographies list over 500 items through the early 1990s and the book concludes with a full glossary Pearl An Edition with Verse Translation will appeal to scholars confronted with the tasks of studying and teaching medieval literature to students in college and university classrooms It is a book designed for specialists and non specialists students and general readers *Sir Gawain and the Green Knight, Pearl, Sir Orfeo* J.R.R. Tolkien, 1979-12-12 Three masterpieces of medieval poetry translated by the author of The Lord of the Rings including Sir Gawain and the Green Knight the poem that inspired the major motion picture The Green Knight Comparable to the works of Chaucer Sir Gawain and the Green Knight Pearl and Sir Orfeo weave a bright tapestry of stories from a remote age of chivalry and wizards knights and holy quests but unlike The Canterbury Tales the name of the poet who wrote them is lost to time Masterfully translated from the original Middle English by J R R Tolkien the language of these great poems

comes to life for modern readers At the center of this collection is Sir Gawain and the Green Knight a tale as lush and dark as England s medieval forests Mixing romance and adventure Sir Gawain follows King Arthur s most noble knight on an adventure of epic enchantment temptation and destiny

Pearl (Dodo Press) Poet Pearl Poet,2009-07 The Pearl Poet or the Gawain Poet is the name given to the author of Pearl an alliterative poem written in 14th century Middle English Its author appears also to have written the poems Sir Gawain and the Green Knight Patience and Cleanness some scholars have suggested he may also have composed Saint Erkenwald Save for the latter all these works are known from a single surviving manuscript This body of work includes some of the greatest poetry written in Middle English The Pearl Poet is in modern scholarship most often identified as John Massey a member of the landed gentry from Cheshire

The Gawain Poet ,2011 Of the five poems contained in this book two are acknowledged masterpieces The plot of Sir Gawain and the Green Knight an Arthurian romance brilliantly interweaves elements of suspense and high comedy

Sir Gawain and the Green Knight Marie Borroff,2001 Provides translations of Sir Gawain and the Green Knight Pearl and Patience

Sir Gawain and the Green Knight: with Pearl and Sir Orfeo ,2020-04-30 Contains stories from the age of chivalry knights and holy quests
