Kaye Woolley Soria, 2010-05-28 Wendy Soria is a wife mother grandmother and an active member of the Church of Jesus Christ of Latter day Saints or Mormon Church She has performed or supported missionary work most of her life and has held several missionary and teaching positions Her goal is to encourage missionaries from all denominations to honor Jesus Christ in faithful service to live exemplary lives of faithful obedience and to leave a personal written testimony for their posterity For this purpose and to assist other missionaries to accomplish similar goals and to prevent others from making the same mistakes she made in this book Sister Woolley Soria has written a prompt journal for missionaries entitled *Legacy A Journal of Missionary Service* Ask the Grey Sisters Elizabeth A. Iles, 1998-06-01 Ask the Grey Sisters Sault Ste Marie and the General Hospital 1898 1998 tells the story of the creation and one hundred year history of the Sault Ste Marie General Hospital At a time when Canada s healthcare system is at a crossroads and we are asked to make crucial decisions for its

future it is intriguing and enlightening to look at the colourful past of a typical community hospital Throughout the 1890s Sault Ste Marie was a town in search of a hospital Its glory days at the centre of the fur trade route were long gone and the Sault was in the process of becoming a modern industrial community Such a community needed a hospital as a centrepiece to attract investors and as a necessary social institution to care for the hundreds of workers who were flocking to town without family support The General Hospital was established in 1898 after the town committee charged with developing a hospital had been refused funding by both the federal and provincial governments In desperation the committee met with the provincial Inspector of Asylums and Prisons the only provincial official with hospitals in his mandate If you wish a hospital of which the work is serious and lasting he is reported to have advised them ask the Grey Sisters And so began a fruitful association between the community of Sault Ste Marie and two orders of Grey Sisters who have operated the hospital through its one hundred year history Based in part on the extensive archival collections of both orders of nuns this history includes material from the sisters Chronicles and their personal reminiscences The result is an intimate and detailed portrait of a community hospital placed in the context of an emerging provincial system of health care **Your Reading** Jean E.
