Harbor Commission,1909 **The Mounted Police and Prairie Society, 1873-1919** University of Regina. Canadian Plains Research Center,1998 This collection of essays presents a variety of scholarly explorations of the nature and role of the Mounties in the Prairie Provinces from the formation of the North West Mounted Police in 1873 74 to its transformation into the Royal Canadian Mounted Police in 1919 20 The essays are grouped into five broad themes relations with First Nations law enforcement social issues including relations with minority groups and labour movements characteristics of the police force and crisis and change police immigrant relations response to labour unrest and the origins of domestic intelligence and counter subversion An epilogue presents the case for the dramatic change of the force after 1919 20 and the new force s use of the positive image created by the old force **Backgrounder** ,1989 Winnipeg 1912 Jim Blanchard,2005-10-30 At the beginning of the last century no city on the continent was growing faster or was more aggressive than Winnipeg No year in the city s history epitomized this energy more that 1912 when Winnipeg was on the crest of a period of unprecedented prosperity In just forty years it had grown from a village on the banks of the Red River to become the third largest city in Canada In the previous decade alone its population had tripled to nearly 170 000 and it now dominated the economy and society of western Canada As Canada s most cosmopolitan and ethnically diverse centre with most of its population under the age of forty it was also the country s liveliest city full of bustle and optimism In Winnipeg 1912 Jim Blanchard guides readers on a tour through this golden year when as the Chicago Tribune proclaimed all roads lead to Winnipeg Beginning early New Year s Day as the city s high society rang in 1912 at the Royal Alexandra Hotel he visits the public and private side of the Chicago of the North He looks into the opulent mansions of the city s new elite and into its political backrooms as well as into the crowded homes of Winnipeg s immigrant North End From the excited crowds at the summer Exhibition to the turbulent floor of the Grain Exchange Blanchard gives us a vivid picture of daily life in this fast paced city of new millionaires and newly arrived immigrants Richly illustrated with more than seventy period photographs Winnipeg 1912 captures a time and place that left a lasting impression on Canadian history and culture **Délibérations Et Mémoires de la Société Royale Du Canada** Royal Society of Canada,1885 Proceedings and transactions of the Royal Society of Canada ,1885 *Report*

Innis,2017-06-22 At the time of its publication in 1930 The Fur Trade in Canada challenged and inspired scholars historians and economists Now almost seventy years later Harold Innis s fundamental reinterpretation of Canadian history continues to exert a magnetic influence Innis has long been regarded as one of Canada s foremost historians and in The Fur Trade in Canada he presents several histories in one social history through the clash between colonial and aboriginal cultures economic history in the development of the West as a result of Eastern colonial and European needs and transportation history in the case of the displacement of the canoe by the York boat Political history appears in Innis s examination of the nature of French British rivalry and the American Revolution and business history is represented in his detailed account of the Hudson s Bay and Northwest Companies and the industry that played so vital a role in the expansion of Canada In his introduction to this new edition Arthur J Ray argues that The Fur Trade in Canada is the most definitive economic history and geography of the country ever produced Innis s revolutionary conclusion that Canada was created because of its geography not in spite of it is a captivating idea but also an enigmatic proposition in light of the powerful decentralizing forces that threaten the nation today Ray presents the history of the book and concludes that Innis s great book remains essential reading for the study of Canada

**The Fur Trade in Canada** Harold Adams Innis,1999-01-01 A classic work of Canadian historical scholarship first published in 1930 In his new introduction A J Ray states that this book is argueably the most definitive economic history and geography of Canada ever produced     Sports of the Times ,1917     **Daily Digest** United States.
