Six Silver Bullets:

Six Silver Bullets Lauran Paine,1990 *Six Silver Bullets* George Flynn,1990-01-01 **Front Lines** Miguel Martínez,2016-09-13 Front Lines documents the literary practices of imperial Spain's common soldiers The epic poems chronicles ballads and autobiographies that these soldiers wrote at the front provide a critical view from below on state violence and imperial expansion **Managing Technological Change** Nancy M. Lorenzi,Robert T. Riley,2004-09-07 The successful implementation of health information systems in complex health care organizations ultimately hinges on the receptivity and preparedness of the user Although the Information Age is well underway user resistance to information systems is still a valid concern facing the informatics community This book provides effective management strategies to health care administrators for the productive integration and maintenance of such information systems The Second Edition covers three main areas technical skills project management skills and organizational and people skills including the practical implementation strategies necessary to make the system an operational success The audience for this book consists of health care administrators CEOs clinicians IT developers librarians and professors **The Vampire Survival Bible - Identifying, Avoiding, Repelling And Destroying The Undead - Volume 2** Mark Stephen Penke,2012-12-01 A guide to surviving an attack by hordes of the predatory undead explains vampire history physiology and behavior the most effective defense strategies and how to destroy the vampire if needed **Selling the Silver Bullet** Avi Santo,2015-04-15 Originating as a radio series in 1933 the Lone Ranger is a cross media star who has appeared in comic strips comic books adult and juvenile novels feature films and serials clothing games toys home furnishings and many other consumer products In his prime he rivaled Mickey Mouse as one of the most successfully licensed and merchandised children's properties in the United States while in more recent decades the Lone Ranger has struggled to resonate with consumers leading to efforts to rebrand the property The Lone Ranger's eighty year history as a lifestyle brand thus offers a perfect case study of how the fields of licensing merchandizing and brand management have operated within shifting industrial and sociohistorical conditions that continue to redefine how the business of entertainment functions Deciphering how iconic characters gain and retain their status as cultural commodities *Selling the Silver Bullet* focuses on the work done by peripheral consumer product and licensing divisions in selectively extending the characters reach and in cultivating investment in these characters among potential stakeholders Tracing the Lone Ranger's decades long career as intellectual property allows Avi Santo to analyze the mechanisms that drive contemporary character licensing and entertainment brand management practices while at the same time situating the licensing field's development within particular sociohistorical and industrial contexts He also offers a nuanced assessment of the ways that character licensing firms and consumer product divisions have responded to changing cultural and economic conditions over the past eighty years which will alter perceptions about the creative and managerial authority these ancillary units wield [The Gunsmith](#) 381 J.
