- The antichrist will come from the pit (where the fallen angels are held?)
  - The dragon (Satan) will give him his power
- Rev.17:7-8
- "Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition."

## **Six Six Six The Antichrist Speaks:**

Six, Six, Six Robert Spira, 1996-01-01      *The Angel's Riddle* James V. Head, 2017-09-29 First century Christians endured severe persecution including death from both the Jews and Romans The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable They needed to know that God had not forgotten them The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope A progressive process was used to analyze and decode each part of the message into a clear and concise format This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way Commentary is provided as you progress through the book Details symbols and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God The Angels Riddle is a critical analysis and study of the most difficult book in the Bible Dont hurry your patience will be rewarded I will attest that though many have tried few could have succeeded as Jim has in peeling back Revelations many layers Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography In the process he became a Revelation scholar himself Larry Prescott PhD      Expository Sermons on John's Gospel Volume 3 Joe Tolin, Jr., 2015-05-25 This is Volume Three of the expository sermons from the pulpit of Grace Fellowship Church This volume covers chapters eleven through fourteen and features a 14 part series on Union with God      **144 Thousand and Speaking in Tongues** Melvin Winfrey, 2011-07-07 This book is my translation of the Bibles prophecy as well as how it ties into todays events It breaks down a couple of books within the Bible It talks more about the 144 thousand It gives the reader a clearer picture of who the 144 thousand are and it explains where they come from This book is an attempt to help people to become more comfortable in reading the bible You can read this book and follow along with your Bible Follow along read and prepare for whats coming in the future      **Staging Christ's Passion in Eighteenth-Century Nahua Mexico** Louise M. Burkhart, 2023-06-15 Staging Christ's Passion in Eighteenth Century Nahua Mexico explores the Passion plays performed in Nahuatl Aztec by Indigenous Mexicans living under Spanish colonial occupation Though sourced from European writings and devotional practices that emphasized the suffering of Christ and his mother this Nahuatl theatrical tradition grounded the Passion story in the Indigenous corporate community Passion plays had courted controversy in Europe since their twelfth century origin but in New Spain they faced Catholic authorities who questioned the spiritual and intellectual capacity of Indigenous people and in the eighteenth century sought to suppress these performances Six surviving eighteenth century scripts variants of an original play possibly composed early in the seventeenth century reveal how Nahuas passed along this model text while modifying it with new dialogue characters and stage techniques Louise M Burkhart explores the way Nahuas merged the Passion story with their language cultural constructs social norms and religious practices while also responding to surveillance by Catholic churchmen Analytical

chapters trace significant themes through the six plays and key these to a composite play in English included in the volume *A Cast with over fifty distinct roles acted out events extending from Palm Sunday to Christ's death on the cross* One actor became a localized embodiment of Jesus through a process of investiture and mimesis that carried aspects of pre-Columbian materialized divinity into the later colonial period The play told a far richer version of the Passion story than what later colonial Nahuas typically learned from their priests or catechists And by assimilating Jesus to an Indigenous or macehualli identity the players enacted a protest against colonial rule The situation in eighteenth-century New Spain presents both a unique confrontation between Indigenous communities and Enlightenment-era religious reformers and a new chapter in an age-old power game between popular practice and religious orthodoxy By focusing on how Nahuas localized the universalizing narrative of Christ's Passion *Staging Christ's Passion in Eighteenth-Century Nahua Mexico* offers an unusually in-depth view of religious life under colonial rule Burkhart's accompanying website also makes available transcriptions and translations of the six Nahuatl language plays four Spanish language plays composed in response to the suppression of the Nahuatl practice and related documentation providing a valuable resource for anyone interested in consulting the original material Comments restricted to single-page plays composed in response to the suppression of the Nahuatl practice and related documentation providing a valuable resource for anyone interested in consulting the original material **Vine's**

**Testaments** Jamieson, Fausset, Brown, 1864 *Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon* Ervin Budiselić, 2024-04-30 In an age of relativism, tolerance, and political correctness, the church is called to walk in the footsteps of Christ. As his witnesses, we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation. Dr. Ervin Budiselić examines the concept of witnessing in the writings of Luke, contextualizing it within the larger framework of Scripture's emphasis on revelation and

testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ **The Modern Language Review** ,1912
