Sixties Sandstorm Brian C. Kalt, 2023-11-01 In 1961 Senator Philip Hart of Michigan introduced legislation to add Michigan's Sleeping Bear Dunes and 77 000 surrounding acres to America's National Park system The 1 600 people who lived in the proposed park area feared not only that the federal government would confiscate their homes but that a wave of tourists would ensue and destroy their beloved and fragile lands In response they organized citizen action groups and fought a nine year battle against the legislation *Sixties Sandstorm* is not a book about dunes as much as it is a book about people and their government It chronicles the public meetings bills protests and congressional interactions that led to the signing of the Sleeping Bear Sand Dunes Act in 1970 The Dunes park fight is a case study of the politics the legislative process citizen response to the expanded role of government in the 1960s and the rise of the environmental movement in America during that decade Since Hart's legislation was made law millions of Americans have traveled to the Sleeping Bear Sand Dunes National Lakeshore Few imagine what the area would look like today if not for the efforts of people like Senator Hart On the other hand few appreciate the sacrifice of the landowners who not always willingly gave up their property in this place where as one resident put it stars are closer to the earth than anywhere else in the world

It is a detailed, emotional, and sometimes daring account, but above all, it is a story of human resilience, humility, humanity, and perseverance, summarizing over seventy years of personal and geopolitical events that shaped not only the author's life but today's Middle East. The book concludes with a warm portrait of life in the city of Philadelphia in the United States, where the author currently resides happily with her family. She shares the positive impact this city has had on her and her family's life. In an East-meets-West biography, the book uses simple language, written from the heart, to describe an astonishing forty-five-year career.
