Sixty Plus And Fit Again:

Sixty-Plus and Fit Again Magda Rosenberg, 2015-08-30 Sixty Plus and Fit Again is based on an exercise program developed and conducted by Magda Rosenberg for senior citizens. The step by step routines have been specifically designed to enable the older person to remain agile and alert, capable of performing everyday tasks. The basic program includes exercises that improve breathing, allow you to sit and stand with less effort, walk more comfortably, and relax tension and induce sleep. A second and more challenging series of movements stimulate all the muscles of the body, fingers to toes, and an advanced routine meets the needs of those older men and women who are well conditioned. Throughout the book are actual stories of the marvelous physical transformations Magda Rosenberg has witnessed in the older people who attend her classes. She has seen thousands of men and women develop a new interest in living, people in their seventies, eighties, and even nineties. Exercise, she writes, is not a total answer, but with it you can out walk, out live, and out enjoy those who don't exercise. It is a small investment for such a rich return.
