Lee, 2012-09-25 Elegant and dignified the Skye Terrier named for the rugged Isle of Skye stands tall among

Scotland's below the knee terriers in character and courage. Although not a choice for the first time dog owner the Skye Terrier proves to be a loyal and devoted companion to those he loves. Likened to a caterpillar the Skye has a look all his own long low and level with a profuse coat that falls straight down either side of the body according to the breed standard. The Skye will most assuredly act like a Skye delighting and challenging his ever devoted master. Terrier breed expert and author Muriel P Lee provides an up to date look at the Skye Terrier including the breed's history in England and the United States as well as its character and breed standard. The author also details everything that a new owner needs to know about acquiring a well bred Skye Terrier puppy bringing him into a safe home and establishing a house training and obedience regimen.
