Mr. Skin's Skincyclopedia Mr. Skin, Skin, 2005. Cult hero radio personality and internet maven Mr. Skin is the foremost authority on celebrity nudity. At last the inimitable Mr. Skin has compiled his vast knowledge into this truly entertaining reference work. With skinfo on more than 2000 actresses, the films in which they appeared naked, and their best nude scenes, this is presented in a very easy to use alphabetical format. This is both a hilariously alternative take on Hollywood culture and an educational guide to movie stars and really is a one of a kind book.

The Most Dangerous Cinema Bryan Senn, 2013-11-01. People hunting people for sport, an idea both shocking and fascinating. In 1924 Richard Connell published a short story that introduced this concept to the world where it has remained ever since, as evidenced by the many big and small screen adaptations and inspirations. Since its publication, Connell's award-winning *The Most Dangerous Game* has been continuously anthologized and studied in classrooms throughout America. Raising questions about the nature of violence and cruelty and the ethics of hunting for sport, the thrilling story spawned a new cinematic subgenre, beginning with RKO's 1932 production of *The Most Dangerous Game* and continuing right up to today. This book examines in depth all the cinematic adaptations of the iconic short story. Each film chapter has a synopsis, a How Dangerous Is It critique, an overall analysis, a production history, and credits. Five additional chapters address direct-to-video, television, game shows, and almost dangerous productions. Photographs, extensive notes, bibliography, and index are included.
