Slave Girl:

Incidents in the Life of a Slave Girl Linda Brent, 2009-01-01 *Incidents in the Life of a Slave Girl* is the immensely powerful autobiography of Harriet Jacobs who wrote under a pen name. A feminist work, she uses her experiences to state and restate her belief that though all unhappiness sprung from being a slave, she had to endure worse being also a woman. Her experiences show that the only refuge and relief to be found were in other women and also that women were less able to attempt freedom when that would mean leaving their children behind. Her autobiography is the account of her struggle to achieve that freedom and respect and redefine herself. Her life is a testament to her grandmother's credo: "He that is willing to be a slave let him be a slave."

The Life of a Slave Girl Harriet Jacobs, 2019-05-22. I was born a slave but I never knew it till six years of happy childhood had passed away. My father was a carpenter and considered so intelligent and skilful in his trade that when buildings out of the common line were to be erected, he was sent for from long distances to be head workman. On condition of paying his mistress two hundred dollars a year and supporting himself, he was allowed to work at his trade and manage his own affairs. His strongest wish was to purchase his children, but though he several times offered his hard earnings for that purpose, he never succeeded. In complexion, my parents were a light shade of brownish yellow and were termed mulattoes. They lived together in a comfortable home and though we were all slaves, I was so fondly shielded that I never dreamed I was a piece of merchandise trusted to them for safe keeping and liable to be demanded of them at any moment. I had one brother, William, who was two years younger than myself, a bright affectionate child. Such were the unusually fortunate circumstances of my early childhood. When I was six years old, my mother died and then for the first time I learned by the talk around me that I was a slave. My mother's mistress was the daughter of my grandmother's mistress. She was the foster sister of my mother; they were both nourished at my grandmother's breast. In fact, my mother had been weaned at three months old that

the babe of the mistress might obtain sufficient food They played together as children and when they became women my mother was a most faithful servant to her whiter foster sister On her death bed her mistress promised that her children should never suffer for any thing and during her lifetime she kept her word They all spoke kindly of my dead mother who had been a slave merely in name but in nature was noble and womanly Reader my story ends with freedom not in the usual way with marriage I and my children are now free We are as free from the power of slaveholders as are the white people of the north and though that according to my ideas is not saying a great deal it is a vast improvement in my condition The dream of my life is not yet realized I do not sit with my children in a home of my own I still long for a hearthstone of my own however humble I wish it for my children s sake far more than for my own But God so orders circumstances as to keep me with my friend Mrs Bruce Love duty gratitude also bind me to her side It is a privilege to serve her who pities my oppressed people and who has bestowed the inestimable boon of freedom on me and my children It has been painful to me in many ways to recall the dreary years I passed in bondage I would gladly forget them if I could Yet the retrospection is not altogether without solace for with those gloomy recollections come tender memories of my good old grandmother like light fleecy clouds floating over a dark and troubled sea
