Powers,2006 However we approach the parables of Jesus these brief pithy stories at the center of his teaching are of vital importance for communicating his message in our world today Snapshots of the Kingdom presents Jesus parables in such a way as to invite all who read or all who hear into the drama each story contains As combinations of clarity and mystery the parables offer unique insights into Jesus message and his take on the world This book is for all who would like to know more about the teachings of Christ and those who want to understand more deeply the link between his stories and present day life as well as those who teach or preach from those parables God Can't Sleep Palmer Chinchin,2011 In this follow up to his debut True Religion Palmer Chinchin helps believers develop a God centered response to suffering from publisher description **You Can Understand the Book of Revelation** Skip Heitzig,2020-04-14 Do You Want to Know What the Future Holds The final book of the Bible is both fascinating and controversial It leaves some awed and others uncomfortable So many find its mysteries hard to fathom what does it all mean If you would like to know more than just bits and pieces of God s plans for the future Pastor Skip Heitzig is your guide to gaining a fuller understanding of the book of Revelation You will explore everything from the rapture to Christ s eternal kingdom and gain a deeper appreciation for the majesty and power of God examine all the key events that will take place in the last days discover how God s plans for the future apply to you right now learn how to be ready for Christ s return As you study Bible prophecy and learn how God s plans will unfold you ll find yourself living in greater anticipation of all that is to come *Widow's Walk* Ruth Jackson,2012-05-11 Blog excerpts are taken from a young widow s life after her husband dies

from cancer The author writes openly about the ups and downs of the first five years of her journey as a single parent teacher woman homemaker and follower of Christ The common thread woven through it all is the reality that the goodness of God has nothing to do with life s circumstances and everything to do with who God is This is a down to earth incredibly real journey logged day by day moment by moment over a five year period Anyone who has experienced loss will be encouraged and challenged as they read this collection of blog excerpts from thejackson4 com Untangling the Seven Desires of Your Heart (Workbook) Lavon Koerner,2018-11-21 A book cannot do what a small group of dedicated friends can do In your life a book can close your knowledge gap but only a small group can close your behavior gap A book can change your thinking but it takes a small group filled with accountability relationships to change your living God never intended that we should live in isolation God says it this way And let us consider how we may spur one another on toward love and good deeds not giving up meeting together as some are in the habit of doing but encouraging one another and all the more as you see the Day approaching Hebrews 10 24 25 The book details and lays out the way that love gaps around the seven desires of your heart that can be closed But getting it done is a bigger goal than what you can individually self manage And when it comes to matters of the Heart the risk of being able to successfully apply truth to our everyday life is very high Especially since the Bible warns us that our hearts are deceitful And of course satan will do all he can to destroy any progress we make God knowing this purposely put us into the body of Christ called the church meaning the called out ones Our Christian growth will accelerate only when we admit that we need other people to hold us accountable to encourage us forward and model the way This humble acknowledgement is where we can begin acquiring Speed of Sanctification The Bible says Above all else guard your heart for everything you do flows from it Proverbs 4 23 It is only in a small group s discussions and prayers where you can accurately define and come to know your own personal heart and you begin to understand how your heart is functioning in these three distinct ways 1 Emotions Your heart is the source of what you desire and feel Psalm 37 4 5 2 Thoughts Your heart influences every thought you think Matthew 9 4 3 Behavior Your heart guides every action you take Matthew 15 19 This twelve week series of heart workshops on the Untangling Seven Desires of your Heart will encompass some of the most revealing and penetrating discussions you will ever have It will be a journey of adventure as you implement new ways of living a love filled and abundant life God be with you on your journey to emotional freedom **Snapshots** Brian Waddington,2011 Snapshots of Heaven Michael Wells,2007-05 An outstanding and unforgettable celebration of the special love we get from children
