A Gift from the Heart Mary Greeley, 2006-11 In America we have so many freedoms that we daily take for granted We go about our days never thinking of those men and women who serve in our military We never think of the sacrifices they make for us or that their families make for us Unless you are familiar with a member of the military you may not understand just how much they give After a war or even during one military personnel and their families do their best to make sure that those freedoms stay in place Time together is often sacrificed for training missions or when orders come through for their services away from family Bravely they step forward and follow orders they receive They do their duty with honor and with the courage they each have to make sure that we who live here and the generations to come may have the same freedoms they grew up with and enjoyed It is simply their daily gift to us This book not only shares what life is like in many ways for those who have ever served but it is also a way to say thank you We owe them all so much and hopefully this book will lovingly explain why their simple gift to all of us is given so freely

Poetry from the Heart Violet M. Laasch, 2011-01-11 Each poem a reflection of that which God gave me in dreams and while in storms All through my life the most important things to me was and are still today my faith in God and family I know without God I'd not be who I am today All my praise and glory go to God and God alone Yes my familys backing me in all I do but Gods strength in my life keeps me pressing on and helps me to do that which I believe is my calling in life So as you read

each poem you'll be reading a piece of my life in which I wrote while going through a storm in which God saw me through So I hope through my words you too will find strength and encouragement in your lives as well when in storms *How could he help it? Or, The heart triumphant* Azel Stevens Roe, 1860 **Poetry From The Heart** Daniel Cumberland, 2014-10-01 In this book you will find poems that cover many parts of life If you are a person of faith you will be touched If you are not a person of faith you will also be encouraged as I wrote these words I was encouraged they will encourage you as you read them as well In this book you will find poems about love God country romance nature and friendship Regardless what walk of life you are from these poems will speak to you *Echoes of the Hearts* Ravi Kumar Yadav, 2023-02-04 *Echoes of the Hearts* has feelings coded in form of words that beautifully satisfies the soul One can find the darkest to the most motivational and self loving poetries in the book These poetries would indeed devote themselves to make you realise how important is to know the reality of the invisible traps that surrounds us The common ones being depression suicide anxiety breakup love dilemma and a lot more To have the best is not just to realise but to even get a boost of inspiration to step forward The Heart of Mid-Lothian Walter Scott, 2024-03-09 Reprint of the original first published in 1875 **The Heart Of Midlothian** Sir Walter Scott, 2014-07-14 This is the fully illustrated and extended annotated edition including a rare and extensive biographical essay on the author his life and works plus a wealth of illustrations The Porteous Riot which occurred in Edinburgh during the reign of George II is the historical rallying point of this story of Scotch middle life The narrative however harks back several months and also extends forward some years the present argument therefore will be more intelligible if it gives the facts in their proper order rather than as set forth in the opening chapters of the novel David Deans an honest but stern old Scotch Covenanter and farmer marries twice in the course of his life and by each wife has a daughter Jeanie being some ten years older than her half sister Effie Jeanie has two suitors a childhood's playmate Reuben Butler now a university graduate and candidate for the ministry and the dull Laird of Dumbiedikes who is content to come month in and month out and merely look his admiration Effie grows up into beautiful girlhood being called the Lily of St Leonard's but is willful and spoiled Her sister Jeanie has little control over the motherless girl who secretly frequents dances and other gatherings abhorred by her father *Abstract Rhythms of the Heart* Kathryn C.
