full swing and three cousins share an apartment at Yale Two are seniors the third is starting graduate school Each is seeking her own path in both love and work but all three women not quite knowing how to use the new freedoms available to them alternate between supporting and undermining each other in their efforts Julia the most conventional of the three wants the security of her monogamous relationship with Ben but is attracted to other men Anna plans on traveling the world to escape her boyfriend and alcoholic mother Robin who is bisexual has various partners as she dreams of open relationships All fall under the spell of a charismatic musician Michael who is too wounded to be available By the end of a year of experiments and necessary mistakes the cousins will make crucial decisions that will determine the course of the rest of their lives This prequel to Levine s first two critically acclaimed novels *The Geometry of Love* and *Nothing Forgotten* dramatizes the struggles that women have faced and continue to face while entering adulthood in a world not quite ready to accept them as equals

On Wings of Air Jann Rowland, Lelia Eye, Reader Feedback Eye and Rowland are absolute masters at world creation as demonstrated in this first novel of what should become a classic fantasy trilogy Though very developed characters and distinct worlds it was easy to read and follow *The Book of Celesta* is a beautiful gift in the story development Unexpected twists kept me intrigued The story is captivating and follows theatrical structures both familiar and fantastical leading to an ending that is exciting mysterious and unexpected A true tale of high fantasy *On Wings of Air* maintains many romantic elements exploring real world problems in a fantasy setting which appeals to a wide audience The prince of the Skychildren is exiled from the sky and enslaved by his enemies on the ground In such circumstances how is he to save his kingdom from a madman and the entire world from destruction by a powerful creature created by a goddess And how could love for the princess of the Groundbreathers possibly enter into the picture If you are a fan of Fantasy *On Wings of Air* is for you Tierra I don t think you quite understand If I found the Fenik there would be nothing you or anyone else here could do to stop me from leaving You said that Fenik was a weapon of sorts In fact the Fenik is the ultimate weapon I should not need to remind you but it appears that I must We are Skychildren We are not barbarians We do not keep slaves and we do not attack defenseless women in the streets We are ruled by honor not by our emotions It is true that we have an eons long dispute with Princess Tierra s people But we have no quarrel with her personally In every way that matters she is the same as we are Come now what are you waiting for Finish me off now and you shall have your victory Immolate both of us in your fire and you shall be free to do as you wish
