Diem, This bundle includes the first three books of the Hellscurge Series Road To Hell Violet Harper is just about to turn seventeen when her world is torn apart Fleeing from her home and from the creatures who took everything from her she ends up in New York The city that never sleeps isn t quite the safe haven that she d hoped for It is teeming with demons who are out for her blood Encountering three strange allies Violet soon learns that a war is raging between heaven and hell and that she is directly in the middle of it The new master of hell is planning a hostile takeover of Earth It is apparently her destiny to stop him from breaking open the gates to the underworld and releasing a flood of ravenous demons on humanity Armed with only her wits and sarcasm it will take strength and courage that she never knew she possessed to face the

ordeals ahead What Violet doesn't know yet is that she won't be alone The guardian angel she'd always thought was just in her imagination is very real He will be watching over her and guarding her back as she faces the minions of hell To Hell And Back Chosen by Fate to save her world from being overrun by demons Violet Harper doesn't just have the Hellmaster's minions to contend with She now also has to avoid a demonic creature that has been sent through the portal to spy on her Unexpectedly running into the boyfriend that she'd left behind in Denver she must decide whether to renew her relationship with him If she does she will have to juggle seeing him with training and searching for the hidden entrances to hell Keeping him a secret from the rest of the team will be far from easy If Nathan finds out she isn't sure what the consequences would be Her friends aren't the only angels who are trapped in the city Violet meets two more celestial beings and it is hard to tell whether they are her allies or her enemies Even with her personal life in disarray she can't lose focus on her task She must to enter the eighth realm of hell confront one of the Demon Princes and find the next piece of the mysterious object of power Hell Bound Violet always knew that her mission to save the world from a horde of demons wouldn't be easy But she didn't anticipate just how many obstacles would be thrown in her way Her task doesn't get any easier when she is forced to wonder whether some of her allies are really on her side Her secret relationship with Zach is facing its own challenges He is unaware of the struggles that she faces but he has his own problems to deal with His troubles might not be supernatural in nature yet they could easily tear them apart To add to her burden she has to fight her growing feelings for her guardian angel Nathan As if things weren't already bad enough the Hellmaster's pet raven is seeking vengeance for the loss of its eye Hell bent on punishing her its revenge triggers an event that will change everything for Violet If she survives her trip to the seventh realm of hell she won't be the same person when she returns Young adult paranormal romance coming of age angels and demons paranormal romance urban fantasy *The Sound and the Fury (Third Edition) (Norton Critical Editions)* William
