So You Want to Teach, Eh? A. Artson Shirley a. Artson, Shirley A. Artson, 2010-03 Teaching is not for wimps Prospective teachers must be intellectually physically mentally and emotionally strong to be effective in the classroom and to survive in the profession In So You Want to Teach Eh author and retired teacher Shirley Artson presents an honest perception of teaching Based on her personal experiences teaching in the Baltimore City Public Schools for twenty four years and in private schools Artson shares not only her early fears and doubts but also her successes and joys So You Want to Teach Eh discusses the barriers she faced as a new teacher and provides an account of how she hurdled the many problems she faced So You Want to Teach Eh helps those who are considering teaching as a profession to make an intelligent decision It also encourages those who are currently teaching to know they are not alone in their struggle Not intended to discourage interest in the profession Artson candidly shares her experiences to enlighten prospective educators and to prevent them from becoming frustrated and overwhelmed Her personal story communicates how new teachers can acquire strength of will and character skill and knowledge by fervently challenging the many obstacles they encounter

So You Want to Be a Teacher? Elizabeth H. Brett, 2013-05-13 So You Want to Be a

Teacher is a bit of light reading in a troubled world today I left names by the wayside and emphasized actions especially innovative behavior The students I enjoyed were full of mischief but for the most part it was simply that mischief Very few of the students I taught in my forty years were bad they just needed a bit of love and understanding Who cares what Socrates said when you are a student who had no supper the night before I try to be a stepping stone not a stumbling block **So You Want to Be a Teacher!** Harlan Hansen, 2017-03-28 This book is a memoir of a young man making a major occupational change after first embarking on a business career after college and army service Flashbacks to his early family life academic struggles at school the stint in the army an unsuccessful marriage dissatisfaction with the business culture and dealing with limited financial resources are challenges that had to be met But a single encounter with a graduate school faculty member opened the door to a field for which he eventually realizes he is most suited early childhood teacher education Along the way another angel joins in the adventure to foster personal success and promote creative ways of dealing with educational issues bringing new life into the classroom He received two outstanding teaching awards at the University of Minnesota College of Education and Human Development He also received the National Horace T Morse Amoco Outstanding Teaching Award as well as the Governor of Minnesota's Outstanding Service Award He served as president of the National Association of Early Childhood Teacher Educators and he originated the Journal of Early Childhood Teacher Educators Public Papers of the Presidents of the United States United States. President, 2000 Containing the public messages speeches and statements of the President 1956-1992 Public Papers of the Presidents of the United States: William J. Clinton, 1998 Clinton, William J., 1999-01-01 Public Papers of the Presidents of the United States Public Papers of the Presidents of the United States, William J. Clinton United States. President (1993-2001 : Clinton), 1994 Going Against the Grain Ann S. Bayer, 2009-03-23 This book is about passion advocacy and the willingness of parents to go against the grain It's about Hawai'i professionals choosing public education for their children in a state that adheres to a commonly held belief that public schools are failing and private schools are succeeding University of Hawai'i education professor Ann Bayer interviewed fifty-one parents including five who chose private schools Physicians professors attorneys military officers teachers legislators business executives and entrepreneurs bankers and administrators of both genders and from a wide range of ethnic backgrounds were among those interviewed Bayer begins by asking parents why they chose to send their children to public schools She also asks them to describe the reaction of families friends and colleagues to their decision and their children's school experiences both positive and negative From these conversations the concept of what constitutes a good public school emerges as well as the opportunities provided by such schools Several parents remark that their children have gone on to attend the same colleges and universities as private school graduates Other chapters examine more closely the prevalent belief in the superiority of Hawai'i's private schools and its impact on students parents and teachers Bayer argues that it is important to understand this belief system and how both newcomers and longtime residents are exposed to it given its influence on

parental decisions about schooling Finally she returns to interviews with parents for suggestions on how to improve public education in Hawai i and to address the question Why should we care about the public school system Responses spark frank discussions on the broader implications for the civic and economic health of a community fragmented by two tiered schooling Candid and insightful Going Against the Grain provides a much needed look at education in Hawai i It will be essential reading for parents teachers administrators legislators policy makers and others interested in promoting and supporting public education and understanding its role in a democracy **Conversations With Principals** Andrew E.

Dubin,2006-01-06 Conversations With Principals Issues Values and Politics is a unique compilation of interviews with principals at the elementary middle and secondary levels Unlike any other text in Educational Administration this book allows students the unusual opportunity to experience the inner voice of principals as they discuss the many decisions they make and the multitude of people they must engage *The Principal's Hot Seat* Nicholas J. Pace,Shavonna L. Holman,Cailen M. O'Shea,2022-02-21 The Principal s Hot Seat Observing Real World Dilemmas 2nd edition provides a window through which aspiring and practicing school leaders observe and evaluate some of the most challenging authentic and unpredictable interactions common to the principalship With video footage from an unscripted role play in which teachers parents and stakeholders share a variety of issues and emotions with the principal the Hot Seat challenges readers to unpack the ways principals attempt to address routine and unpredictable challenges in school leadership From distraught pushy or irate parents to teachers refusing to collaborate curriculum controversies and cultural responsivity readers assume the hot seat and feel the challenge principals face in navigating conversations and issues in ethical individual standards based ways Each chapter begins with stage setting and scenario background information along with relevant literature research and resources followed by a transcript of the interaction and questions promoting discussion reflection and constructive critique Each scenario comes alive through several minutes of video footage of the unscripted interaction allowing examination of body language tone of voice and non verbal communication The second edition adds new scenarios related to teacher collaboration controversial curriculum current social issues updated literature and resources and cases in which the principal must interact with more than one stakeholder at a time New questions examine principals performance related to equity when to seek assistance from others and more Video footage located at <https://textbooks.rowman.com/principals-hot-seat2e>

Leading Schools Successfully Christopher Day,David Gurr,2013-07-24 Leading Schools Successfully Stories from the field considers international research focussing on leadership in schools Based on the ISSPP International Successful School Principalship Project which has conducted over one hundred multiple perspective case studies of successful school principals from more than a dozen countries the book captures the exhilaration of being a principal who grows and sustains success from those practitioners who are acknowledged as exhibiting outstanding leadership Whilst much is known about successful school leaders the book reinforces the argument that it is neither possible nor appropriate to generalise specific strategies

that should be adopted to ensure success for all schools at all times in all settings Instead success calls for a high level of judgement wisdom artistry and sheer hard work on the part of principals adapting for their particular context the knowledge about leading schools successfully Reflection sections in each chapter ask the reader to consider further issues which each chapter raises Topics considered include the importance of school principals to school success turning around under performing schools values led leadership sustaining successful leadership leading in multi cultural settings issues and implications for the future With international contributions from experts in the field the book offers a new perspective on leadership in schools and will be of interest to school principals and researchers Public Papers of the Presidents of the United States, William J.
