

RUFINO TAMAYO

The artwork is an abstract composition. A large, textured red circle dominates the upper right, containing a stylized face with a central white oval and two smaller white circles. To the left, a vertical object with alternating black and yellow stripes is visible. Below the red circle, a blue rectangular block with white vertical stripes sits on a dark, irregular base. A red, angular shape is positioned to the right of the blue block. The background is a mottled mix of orange, brown, and red tones.
