**The Routledge Concise History of Southeast Asian Writing in English** Rajeev S. Patke, Philip Holden, 2009-09-10

The Routledge Concise History of Southeast Asian Writing in English traces the development of literature in the region within its historical and cultural contexts establishing connections from the colonial activity of the early modern period through to contemporary writing across nations such as Thailand China Malaya Singapore and Hong Kong **Culture, Power, and Authoritarianism in the Indonesian State** Tod Jones, 2013-06-06 Culture Power and Authoritarianism in the Indonesian State is a critical history of cultural policy in one of the world's most diverse nations across the tumultuous twentieth century It charts the influence of momentous political changes on the cultural policies of successive states including colonial government Japanese occupation the killing and repression of the left and their affiliates and the return of representative government and examines broader social changes like nationalism and consumer culture The book uses the concept of authoritarian cultural policy or cultural policy that was premised on increased state control tracing its presence from the colonial era until today Tod Jones use of historical and case study chapters captures the central state's changing cultural policies and its diverse outcomes across Indonesia The Canon in Southeast Asian Literature David

Smyth, 2013-10-08 The literary canon is one of the most lively areas of debate in contemporary literary studies This set of essays is both timely and original in its focus on the canon in South East Asian literatures covering Burma Cambodia Indonesia Laos Malaysia Philippines Thailand and Vietnam They vary in focus from the broad panoramic survey of trends in a national literature to very specific discussions of the role of individuals in shaping a canon or the place of a particular text within a tradition and from contemporary to traditional literature They include discussions of the development of prose fiction censorship and artistic freedom the role of westerners in codifying indigenous literatures the writing of literary history the development of literary criticism and indigenous aesthetics Journalism and Politics in Indonesia David T.

Hill, 2010-01-21 Mochtar Lubis was one of Indonesia's best known newspaper editors authors and cultural figures with a national regional and international prominence that he retained from the early 1950s until his recent death in 2004 This book traces the major events in the life of Mochtar Lubis which is also a prism through which much of Indonesia's post independence history can be interpreted This book is also the story of Indonesia in the second half of the twentieth century when the people of the archipelago became an independent nation and when print media and the influential figures who controlled and produced newspapers played a pivotal role in national political educational and cultural life defining Indonesia Editors with strong personalities dominated the industry and sparred with the nation's leadership Lubis was a vocal critic of the abuse of power and a thorn in the side of the country's first two presidents becoming synonymous with combative journalism Under both Sukarno and Suharto Lubis had his newspaper closed down and was imprisoned As the only comprehensive biography of this towering figure the book provides a unique insight into the history and development of

media literature and the political system in Indonesia      Print, Poetics, and Politics S. Rodgers, 2021-10-25 This study presents the text and first English translation of a Sumatran *turi turian* or chanted epic called the tale of Datuk Tuongku Aji Malim Leman the hero's name This is a famous southern Batak story from the town of Sipirok The version at issue in the Angkola Batak language was published as a folkloric but also rather novelistic printed paperback book for a popular southern Batak audience in 1941 at the end of Dutch colonial rule in the Indies This sly book version of Datuk Tuongku by the novelist and newspaperman M J Soetan Hasoendoetan gave southern Batak readers a great literary epic of their own to claim within Indies literatures here was a touchstone for asserting their cultural excellence at a time when the Batak societies were often denigrated as tribal by both Dutch officialdom and other Indies residents Soetan Hasoendoetan's deft elegant but also playful and funny prose rendition of Datuk Tuongku allowed his Batak readers to imagine Batak traditions and Batak modernities simultaneously and to mull over the relationships between high oratory and the Latin alphabet print literacy promulgated in the colonial schools of Tapanuli The study also includes a lengthy anthropological interpretation of the 1941 text seeing it as a work of both politics and art The introductory essay draws on postcolonial theory and upon ethnographic fieldwork on literacy oratory and *turi turian* in Sipirok      **The Canon in Southeast Asian Literatures** David Smyth, 2000 The literary canon is one of the most lively areas of debate in contemporary literary studies This set of essays is both timely and original in its focus on the canon in South East Asian literatures covering Burma Cambodia Indonesia Laos Malaysia Philippines Thailand and Vietnam They vary in focus from the broad panoramic survey of trends in a national literature to very specific discussions of the role of individuals in shaping a canon or the place of a particular text within a tradition and from contemporary to traditional literature They include discussions of the development of prose fiction censorship and artistic freedom the role of westerners in codifying indigenous literatures the writing of literary history the development of literary criticism and indigenous aesthetics      *Encyclopedia of the Novel* Paul Schellinger, 2014-04-08 The *Encyclopedia of the Novel* is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the *Encyclopedia of the Novel* is its long surveys of development of the novel in various regions of the world      **The Novel, Volume 1** Franco Moretti, 2022-04-12 Nearly as global in its ambition and sweep as its subject Franco Moretti's *The Novel* is a watershed event in the understanding of the first truly planetary literary form A translated selection from the epic five volume Italian *Il Romanzo* 2001 2003 *The Novel*'s two volumes are a unified multiauthored reference work containing more than one hundred specially commissioned essays by leading contemporary critics from

around the world Providing the first international comparative reassessment of the novel these essential volumes reveal the form in unprecedented depth and breadth as a great cultural social and human phenomenon that stretches from the ancient Greeks to today where modernity itself is unimaginable without the genre By viewing the novel as much more than an aesthetic form this landmark collection demonstrates how the genre has transformed human emotions and behavior and the very perception of reality Historical statistical and formal analyses show the novel as a complex literary system in which new forms proliferate in every period and place Volume 1 History Geography and Culture looks at the novel mostly from the outside treating the transition from oral to written storytelling and the rise of narrative and fictionality and covering the ancient Greek novel the novel in premodern China the early Spanish novel and much else including readings of novels from around the world These books will be essential reading for all students and scholars of literature

**The Many Faces of Sandinista Democracy** Katherine Hoyt, 1997 Taking power in Nicaragua in 1979 as a revolutionary party the Sandinista National Liberation Front FSLN was willing to put its fate in the hands of the Nicaraguan people twice in 1984 and 1990 The party wrote a democratic constitution and then remarkably accepted the decision of the majority by relinquishing power upon its defeat in the 1990 election The Many Faces of Sandinista Democracy explores the conflicts involving different visions of political and economic democracy as well as new radical thought on participatory democracy The latter addresses the problems popular organizations encountered as they moved from subservience to the FSLN in the 1980s to the liberating but disorientating electoral defeat of 1990 Up until the moment of defeat the Sandinistas saw themselves as the true vanguard of the Nicaraguan people able to submit themselves to free elections because they felt they truly represented the general will of the people Dr Hoyt brings to an international audience for the first time a study of the ideas of several Nicaraguan thinkers She examines the conflicts surrounding the development of ideas within the FSLN as well as the strengths and weaknesses of its rare combination of democratic and vanguard principles

**The Passage of Literature** Christopher GoGwilt, 2011-01-27 Through a set of comparative studies of the fiction of Joseph Conrad Jean Rhys and Pramoedya Ananta Toer The Passage of Literature explains the interrelation between English Creole and Indonesian formations of literary modernism arguing that each passage of literature is the site of contest between competing genealogies of culture

**Sundanese Print Culture and Modernity in Nineteenth-century West Java** Mikihiro Moriyama, 2005 Sundanese books have been printed since 1850 up to the present This article tries to draw a configuration of printing books in Sundanese for about 100 years in the Dutch colonial and Japanese occupation period Printing and publishing books in Sundanese was initiated by the Dutch colonial government for the sake of management of their colony This article discusses three aspects in print culture in Sundanese 1 the role of government printing house and private publishers 2 the cultural relationship between manuscript and printed books and 3 the changes after the emergence of printed books Print culture in

the Sundanese speaking community was born and has developed Its facets have changed from time to time We notice more than 2200 Sundanese books were published up to the second decade of the 21st century when the technological innovation has proceeded in an enormous pace However the importance of Sundanese publication has not diminished in terms of nurturing educated citizens in this digital oriented society and supporting cultural identity

**The Cambridge History of Christianity: Volume 8, World Christianities C.1815-c.1914** Sheridan Gilley,Brian Stanley,2006 This is the first scholarly treatment of nineteenth century Christianity to discuss the subject in a global context Part I analyses the responses of Catholic and Protestant Christianity to the intellectual and social challenges presented by European modernity It gives attention to the explosion of new voluntary forms of Christianity and the expanding role of women in religious life Part II surveys the diverse and complex relationships between the churches and nationalism resulting in fundamental changes to the connections between church and state Part III examines the varied fortunes of Christianity as it expanded its historic bases in Asia and Africa established itself for the first time in Australasia and responded to the challenges and opportunities of the European colonial era Each chapter has a full bibliography providing guidance on further reading

Resistance on the National Stage Michael H. Bodden,2010-10-17 Resistance on the National Stage analyzes the ways in which between 1985 and 1998 modern theater practitioners in Indonesia contributed to a rising movement of social protest against the long governing New Order regime of President Suharto It examines the work of an array of theater groups and networks from Jakarta Bandung and Yogyakarta that pioneered new forms of theater making and new themes that were often presented more directly and critically than previous groups had dared to do Michael H Bodden looks at a wide range of case studies to show how theater contributed to and helped build the opposition He also looks at how specific combinations of social groups created tensions and gave modern theater a special role in bridging social gaps and creating social networks that expanded the reach of the prodemocracy movement Theater workers constructed new social networks by involving peasants Muslim youth industrial workers and lower middle class slum dwellers in theater productions about their own lives Such networking and resistance established theater as one significant arena in which the groundwork for the ouster of Suharto in May 1998 and the succeeding Reform era was laid Resistance on the National Stage will have broad appeal not only for scholars of contemporary Indonesian culture and theater but also for those interested in Indonesian history and politics as well as scholars of postcolonial theater and culture

**Culture in the Age of Three Worlds** Michael Denning,2004-02-17 Denning analyses the political and intellectual battles over the meanings of culture

**Ummah Yet Proletariat** Hongxuan Lin,2023 Ummah Yet Proletariat explores how Islam and Marxism were both integral to Indonesian politics from the earliest days of the anticolonial movement to the imposition of the autocratic Soeharto regime in 1966 Lin Hongxuan demonstrates that many Indonesian Muslims adapted Marxist ideas while many Indonesian Marxists found ways to square their Islamic identity with their political commitments In doing so he upends the conventional state driven narrative that Islam and Marxism are

mutually exclusive and argues that these confluences were the product of Indonesian participation in broader networks of intellectual exchange across Asia Europe and the Middle East

**The ^ALongest Journey** Eric Tagliacozzo,2013-03-15 The pilgrimage to Mecca or Hajj has been a yearly phenomenon of great importance in Muslim lands for well over one thousand years Each year millions of pilgrims from throughout the Dar al Islam or Islamic world stretching from Morocco east to Indonesia make the trip to Mecca as one of the five pillars of their faith The Longest Journey spanning eleven modern nation states and seven centuries is the first book to offer a history of the Hajj from one of Islam s largest and most important regions

**The K-Effect** Christopher GoGwilt,2023-12-05 The K Effect shows how the roman alphabet has functioned as a standardizing global model for modern print culture Investigating the history and ongoing effects of romanization Christopher GoGwilt reads modernism in a global and comparative perspective through the works of Joseph Conrad and others The book explores the ambiguous effect of romanized transliteration both in the service of colonization and as an instrument of decolonization This simultaneously standardizing and destabilizing effect is abbreviated in the way the letter K indexes changing hierarchies in the relation between languages and scripts The book traces this K effect through the linguistic work of transliteration and its aesthetic organization in transnational modernism The book examines a variety of different cases of romanization the historical shift from Arabic script to romanized print form in writing Malay the politicization of language and script reforms across Russia and Central Europe the role of Chinese debates about romanization in shaping global transformations in print media and the place of romanization between ancient Sanskrit models of language and script and contemporary digital forms of coding Each case study develops an analysis of Conrad s fiction read in comparison with such other writers as James Joyce Lu Xun Franz Kafka and Pramoedya Ananta Toer The first sustained cultural study of romanization The K Effect proposes an important new way to assess the multi lingual and multi script coordinates of modern print culture

**Asia and the Historical Imagination** Jane Yeang Chui Wong,2018-03-21 This collection explores the interpretation of historical fiction through fictional representations of the past in an Asian context Emphasising the significance of region and locality it explores local networks of political and cultural exchanges at the heart of an Asian polity The book considers how imagined pasts converge and diverge in developed and developing nations and examines the limitations of representation at a time when theories of world literature are shaping the way we interpret global histories and cultures The collection calls attention to the importance of acknowledging local tensions both within the historical and cultural make up of a country and within the Asian continent in the interpretation of historical fiction It emphasizes a broad spectrum view that privileges the shared historical experiences of a group of countries in close proximity and it also responds to the paradigm shift in Asian Studies Discussing how local conditions shape and create expectations of how we read historical fiction and working with the theme of fictionality and locality the volume provides an alternative framework for the study of world literature
