Texts Of Desire Essays On Fiction Femininity And Schooling:

Texts Of Desire Linda K. Christian-Smith University of Wisconsin-Oshkosh, USA.,2014-01-14 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Texts of Desire** Linda K. Christian-Smith,1993 Popular fiction continues to be the object of both academic and political interest as educators seek to understand the role literacy plays in constructing the gender class race ethnic age sexual and national subjectivities of youth *Texts of Desire* Linda K. Christian-Smith,1992 *Schooling Desire* Ursula A. Kelly,2014-04-08 Ursula A Kelly draws on radical theories of literacy culture identity and pedagogy to frame the culture of pedagogy as it relates to human desire Examples from auto biography classroom practices and popular media provide the means by which the author highlights some of the pedagogical dilemmas facing literacy practices which often work to silence the cultural politics of identity and desire *International Companion Encyclopedia of Children's Literature* Peter Hunt,2004-08-02 Children's literature continues to be one of the most rapidly expanding and exciting of interdisciplinary academic studies of interest to anyone concerned with literature education internationalism childhood or culture in general The second edition of Peter Hunt's bestselling *International Companion Encyclopedia of Children's Literature* offers comprehensive coverage of the subject across the world with substantial accessible articles by specialists and world ranking experts Almost everything is here from advanced theory to the latest practice from bibliographical research to working with books and children with special needs This edition has been expanded and includes over fifty new articles All of the other articles have been updated substantially revised or rewritten or have revised bibliographies New topics include Postcolonialism Comparative Studies Ancient Texts Contemporary Children's Rhymes and Folklore Contemporary Comics War Horror Series Fiction Film Creative Writing and Crossover literature The international section has been expanded to reflect world events and now includes separate articles on countries such as the Baltic states the Czech and Slovak Republics Iran Korea Mexico and Central America Slovenia and Taiwan

Understanding Children's Literature Peter Hunt,1999 This book provides an introduction to some of the critical theories useful in the study of children's literature The 14 chapters examine the context application and relevance to this area of concepts such as feminism ideology psychoanalysis and literacy studies *Theorizing Twilight* Maggie Parke,Natalie Wilson,2014-01-10 Since the publication of *Twilight* in 2005 Stephenie Meyer's four book saga about the tortured relationship between human heroine Bella Swan and her vampire love Edward Cullen has become a world wide sensation inciting screams of delight sighs of derision and fervent pronouncements Those looking deeper into its pages and on screen can find intriguing subtexts about everything from gender race sexuality and religion The 15 essays in this book examine the texts the films and the fandom exploring the series cultural reach and offering one of the first thorough analyses of the saga

Girls' Literacy Experiences In and Out of School Elaine O'Quinn,2012-10-02 How do American girls compose and amend their identities In this text prominent scholars in their respective fields examine the complex social and cultural

constructions that shape girls lives both in and out of school The book looks at matters ranging from embedded issues of class race ethnicity immigrant status and sexuality to popular culture and personal histories Exploring the scholarly literature on gender and education the successes and failures of feminist pedagogy and girls practices with both traditional and non traditional texts as well as the primary sources of a material culture the authors expose the myriad forces that script girls gender identity and literacy The distinctive contribution of this book is to open up new discussions of girls in American classrooms today and to critically examine their experiences as they navigate preconceived notions of who they are while forming their personal and public identities thereby helping teachers to better understand and create classroom experiences that make girls visible to themselves and to others Cultural Studies Goes To School David Buckingham, Julian

Sefton-Green, 2005-08-15 In the context of the growing diversity of contemporary societies and the central importance of the electronic media the place of popular culture in the school curriculum has become an increasingly controversial political issue Based on in depth research in an ethnically mixed working class secondary school Cultural Studies Goes to School is concerned with the relationships between young people s involvement in popular culture outside school and their experiences of media education within the formal school curriculum The first part of the book provides a detailed analysis of students readings and uses of popular media ranging from computer games and soap operas to comics and rap music It offers a further challenge to received notions of young people as passive victims of ideological manipulation by the media and develops a social theory of reading that acknowledges the complex roles of gender race and social class The second part describes a number of classroom projects involving both critical and practical aspects of media education Through analysis of students work in a range of media including photography video and print the authors develop a challenging theory of learning about popular culture and its place in the school curriculum This book offers an exciting and accessible account of young people reading and making popular culture which challenges many of the political claims and received wisdoms of academic Cultural Studies **Childrens Literature and the Politics of Equality** Pat Pinsent, 2013-07-04 First published

in 1997 In this book the author intends to explore some of the many questions which arise as a result of increasing awareness in our society about equality issues Can the attempt to make books for children consistent with contemporary views about equality go too far In any case are children really as much influenced by books and other material as some educationalists would claim What can or should we do about the classics Of the past And are today s children s writers so much better at avoiding giving offence to minorities How much are children affected by the kind of prejudices and preconceptions that we all grow up with but don t always succeed in acknowledging in later life **Issues in English Teaching** Jon Davison, John Moss, 2002-09-11 Issues in English Teaching invites primary and secondary teachers of English to engage in debates about key issues in subject teaching The issues discussed include the increasingly centralised control of the curriculum assessment and pedagogy in the school teaching of English in England and Wales as a result of initiatives such as the National Literacy

Strategy new technologies which are transforming pupils lived experience of literacy or literacies the accelerating globalisation of English and the independence of other versions of English from English Standard English A National Curriculum with a nationalist perspective on language literacy and literature cannot fully accommodate English what has become naturalised and normalised in English teaching and the educational and ideological reasons for this hierarchies that have been created in the curriculum and pedagogy identifying who and what has been given low status excluded or marginalised in the development of the current model of English Issues in English Teaching will stimulate student teachers NQTs language and literacy co ordinators classroom English teachers and aspiring or practising Heads of English to reflect on the identity or the subject the principles and policies which have determined practice and those which should influence future practice

Education in Popular Culture Roy Fisher, Ann Harris, Christine Jarvis, 2008-05-06 Education in Popular Culture explores what makes schools colleges teachers and students an enduring focus for a wide range of contemporary media What is it about the school experience that makes us wish to relive it again and again The book provides an overview of education as it is represented in popular culture together with a framework through which educators can interpret these representations in relation to their own professional values and development The analyses are contextualised within contemporary historical and ideological frameworks and make connections between popular representations and professional and political discourses about education Through its examination of film television popular lyrics and fiction this book tackles educational themes that recur in popular culture and demonstrates how they intersect with debates concerning teacher performance the curriculum and young people s behaviour and morality Chapters explore how experiences of education are both reflected and constructed in ways that sometimes reinforce official and professional educational perspectives and sometimes resist and oppose them Education in Popular Culture will stimulate critical reflection on the popular myths and professional discourses that surround teachers and teaching It will serve to deepen analyses of teaching and learning and their associated institutional and societal contexts in a creative and challenging way

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

Education, Arts, and Morality Doris B. Wallace, 2006-01-27 Inspired by Howard Gruber s Evolving Systems Approach these studies explore creativity in several domains The idea that the creative person embodies a system of loosely coupled sub systems knowledge purpose and affect that work together is viewed here in different chapters that explore this concept These include autobiographies of incarcerated youth curricula for moral and civic responsibility changing attitudes of readers to text romance novels as well as case studies of highly creative individuals such as George

Bernard Shaw Gruber's approach provides concepts as well as methodological tools which the authors apply to diverse creative processes. This book is a valuable resource for undergraduate as well as graduate level students interested in creativity development and education. In addition to the intrinsic interest of each chapter, the guiding theme of the book is the underlying theory of creativity. Gruber's Evolving Systems Approach and illustrates the unusual breadth and flexibility of that theory.

Power/knowledge/pedagogy Dennis Carlson, 2018-03-05. The essays in this volume explore the educational implications of unsettling shifts in contemporary culture associated with postmodernism. These shifts include the fragmentation of established power blocs, the emergence of a politics of identity, growing inequalities between the haves and the have nots in a new global economy, and the rise in influence of popular culture in defining who we are. In the academy, postmodernism has been associated with the emergence of new theoretical perspectives that are unsettling the way we think about education. These shifts, the authors suggest, are deeply contradictory and may lead in divergent political directions, some of them quite dangerous. *Power Knowledge Pedagogy* examines these issues with regard to four broad domains of educational inquiry: state educational policy and curriculum reform, student identity formation, the curriculum as a text, and critical pedagogy. The book contributes to the dialogue on the forging of a new commonsense discourse on democratic educational renewal attuned to the changing times in which we live.

Queering Classrooms Erin A. Mikulec, Paul Chamness Miller, 2016-11-01. This book discusses the need for teacher education programs to better address LGBTIQ issues. It argues for integrating these needs throughout the curriculum rather than treating them as isolated topics. Through narratives and research, it highlights the struggles of queer youth and how teachers can better support them.

Understanding (Post)feminist Girlhood Through Young Adult Fantasy Literature Elizabeth Little, 2024-11-04. *Understanding Post feminist Girlhood Through Young Adult Fantasy Literature* takes advantage of growing critical interest in popular young adult texts and their influence on young people. The monograph offers an innovative approach by pairing traditional literary analysis with the responses of readers to show the complex ways that young people respond to the depiction of female protagonists. In the first section, the book utilises a feminist framework to examine young adult fantasy novels published from 2012 to 2018, with a particular focus on *A Court of Thorns and Roses* (Maas, 2015) and *Red Queen* (Aveyard, 2015). The analysis shows how strong female protagonists in young adult fantasy are postfeminist heroines who reinscribe patriarchal power structures, embrace limited understandings of gender roles, and persist in relationships that oppress them. In the second section, the monograph introduces empirical data from a series of focus groups discussing those same novels. The discussion shows that readers respond to these popular young adult fantasy texts with complexity and nuance that highlights their postfeminist subjectivities as they simultaneously reject and reinscribe elements of postfeminism in their understanding of the girl protagonists.

Elite Girls' Schooling, Social Class and Sexualised Popular Culture Claire Charles, 2013-11-26. Young women's identities are an issue of public and academic interest across a number of western nations at the present time. This book

explores how young women attending an elite school for girls understand and construct empowerment It investigates the extent to which and the ways in which their constructions of empowerment and identity work to overturn or resist key regulations and normative expectations for girls in post feminist hyper sexualised cultural contexts The book provides a succinct overview of feminist theorisations of normative femininities in young women s lives in western cultural contexts It includes familiar sexist discourses such as sexual double standards as well as more recent commentary about the regulation of young women s subjectivities in neoliberal post feminist hyper sexualised cultures Drawing on ethnographic research in the context of an elite girls secondary school the author explores how empowerment for young women is constructed and understood across a range of textual practices From visual representations of young women in school promotional material to students constructions of popular celebrities the question of how girls resistance to normative femininities begins to develop is examined This rich empirical work makes a unique contribution to the study of elite schooling within the sociology of education drawing on important insights from the field of critical girlhood studies and posing a challenge to popular feminist notions about media literacy young women and empowerment It will be of interest to scholars and postgraduates in the areas of gender studies sociology education youth studies and cultural studies

Reading, Writing, and Talking Gender in

Literacy Learning Barbara J. Guzzetti, Josephine Peyto Young, Margaret M. Gritsavage, Laurie M. Fyfe, Marie

Hardenbrook, 2013-10-08 Until now there has been no systematic analysis or review of the research on gender and literacy With all the media attention and research surveys surrounding gender bias and the inequities that continue to flourish in education a synthesis of the research studies was needed to raise awareness of gender issues in learning and literacy to provide successful interventions and recommendations to educators and to point out the direction for future inquiries by examining the unanswered questions of the existing research For the convenience of readers the studies are organized by genre gender and discussion reading writing electronic text and literacy autobiography Published by International Reading Association

Differently Literate Dr Elaine Millard, Elaine Millard, 2002-09-26 Presents research into the differences in boys and girls experiences of the reading and writing curriculum at home and in school The book includes an outline of the theoretical debates on gender difference and academic achievement

Texts Of Desire Essays On Fiction Femininity And Schooling Introduction

In the digital age, access to information has become easier than ever before. The ability to download Texts Of Desire Essays On Fiction Femininity And Schooling has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Texts Of Desire Essays On Fiction Femininity And Schooling has opened up a world of possibilities. Downloading Texts Of Desire Essays On Fiction Femininity And Schooling provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Texts Of Desire Essays On Fiction Femininity And Schooling has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Texts Of Desire Essays On Fiction Femininity And Schooling. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Texts Of Desire Essays On Fiction Femininity And Schooling. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Texts Of Desire Essays On Fiction Femininity And Schooling, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Texts Of Desire Essays On Fiction Femininity And Schooling has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Texts Of Desire Essays On Fiction Femininity And Schooling Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
