Thailand's capital Krungthep known as Bangkok to Westerners and the City of Angels to Thais has been home to smugglers and adventurers since the late eighteenth century. During the 1970s it became a modern Casablanca to a new generation of treasure seekers from surfers looking to finance their endless summers to wide-eyed hippie true believers and lethal marauders left over from the Vietnam War. Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade. Many forget that until the mid 1970s the vast majority of marijuana consumed in the United States was imported and there was little to no domestic production. Peter Maguire and Mike Ritter are the first historians to document this underground industry; the only record of its existence rooted in the fading memories of its elusive participants. Drawing on hundreds of interviews with smugglers and law enforcement agents, the authors recount the buy-delivery-voyage-home and product offload. They capture the eccentric personalities of the men and women who transformed the Thai marijuana trade from a GI cottage industry into a professionalized business, moving the world's most lucrative commodities, unraveling a rare history from the smugglers' perspective. Highly recommended for anyone who loves adventure, cannabis, surfing, or all of the above. It's every single bit as heady, energetic, and captivating as the title implies. First Queer Voices from Thailand Peter A. Jackson, 2016-03-01. This is a fully revised and substantially expanded edition of Peter Jackson's highly regarded pioneering study of an Asian gay culture, *Male Homosexuality in Thailand* (1989). The hero of Jackson's fascinating narrative is Uncle Go, which was the pen name of a popular magazine editor who, despite being avowedly heterosexual, was tolerant of all sexual practices and whose agony-uncle columns in the 1970s provided unique spaces in the national press for Thailand's gays, lesbians, and transgenders (kathoey) to speak for themselves in the public domain. By allowing the voices of alternative sexualities to be heard, Uncle Go emerged as Thailand's first champion of gender equality and sexual rights. Peter Jackson translates and analyses selected correspondence published in Uncle Go's advice columns, preserving and presenting important primary sources. In this new edition, Jackson has expanded his coverage to include not only letters from Thai gay men but also those from lesbians and transgenders, thus capturing the full diversity of Thailand's modern queer cultures at a key moment in their historical development when new understandings of sexual identities were first communicated to the wider community. How wonderful to see this classic volume printed in a new expanded edition for the 21st century. When first published, the figure of Uncle Go became an instant and unique voice in Thai sexuality studies. Peter Jackson's contributions here are huge and foundational. Gilbert Herdt, San Francisco State University. If Thailand is now well known for its unique milieu of sex and gender diversity, it is in large part due to Peter Jackson's writings. *First Queer Voices from Thailand* offers a rare archive of non-normative sexualities invaluable for anyone wishing to understand sexual modernity outside of the West. Ara Wilson, Duke University. An amazing work. Most valuable for this new

edition is perhaps the way in which it documents changes in Jackson's thinking and in the field of sexuality studies over the last twenty years in response to the methodological challenges of queer and transgender scholarship Susan Stryker University of Arizona *Thailand: A Climbing Guide*, **Making Money in Thailand** Godfree Roberts Ed., Godfree Roberts, 2017-06-09 His wide ranging knowledge of the expat community is evident from the real world examples make this book authentic Written with the charming immediacy of someone who is passionate about the lifestyle he has chosen and wants to make the advantages of living as an active retiree in the land of smiles available to others Superb Guide to Retirement in Thailand By Ian D Griffin Brilliant retirement in Thailand and making money to boot By Nick Ash This is a great book to show you how easy it is to make money in Thailand through many well thought out and well described ideas it is a second great book to read after reading his how to retire in Thailand WANT TO KNOW What to Do Before Coming to Thailand What it costs to live in Thailand How to get a work visa in Thailand Thailand's business pitfalls and opportunities What kinds of money making opportunities are available How Thailand's business culture works Hint not like ours How to export from Thailand What to export Fifteen Ways to Start a Thai Business What jobs are available in Thailand What to pack and what to leave behind Who you'll meet when you get here How to meet other entrepreneurs in Thailand Real Success Stories from Real People How to interact with the bureaucracy **Fodor's Essential Thailand** Fodor's Travel Guides, 2025-05-27 Whether you want to visit Buddhist temples sample Bangkok's street food indulge in a Thai massage or shop at floating markets the local Fodor's travel experts in Thailand are here to help Fodor's Essential Thailand guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor's Essential guides were named by Booklist as the Best Travel Guide Series of 2020 Fodor's Essential Thailand travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 40 DETAILED MAPS to help you navigate confidently COLOR PHOTOS throughout to spark your wanderlust HONEST RECOMMENDATIONS FROM LOCALS on the best sights restaurants hotels nightlife shopping performing arts activities side trips and more PHOTO FILLED BEST OF FEATURES on Best Festivals in Thailand Best Temples and Ruins in Thailand Best Temples and Ruins in Cambodia and Laos Best Natural Wonders in Cambodia and Laos and more TRIP PLANNING TOOLS AND PRACTICAL TIPS including when to go getting around what to pack beating the crowds and saving time and money HISTORICAL AND CULTURAL INSIGHTS providing rich context on the local people art architecture cuisine music geography and more SPECIAL FEATURES on What to Read and Watch Before You Visit What to Eat and Drink and What to Buy LOCAL WRITERS to help you find the under the radar gems UP TO DATE COVERAGE ON Bangkok Phuket Chiang Mai Chiang Rai Ayutthaya Koh Phi Phi Koh Samui Cambodia and Laos and includes the Ruins of Ayutthaya Khao Suk National Park Phnom Rung the
