**100 Ways to Beat the Blues** Tanya Tucker,2010-05-11 This book is like a good song, it will reach so many people right where they live. Tanya Tucker: How do you beat the blues? We all have moments in life when we're down, lonely or just plain sad. It's part of being human. Just as everyone is different, everyone has a unique way of beating the blues. For anyone who needs a bit of inspiration, a smile or a friendly pat on the back, Tanya Tucker and ninety-nine friends offer this heartwarming collection of their personal recipes for beating the blues. Whether through family, friends, nature, music or maybe even a little Jack Daniel's, as Nobel Prize winner William Faulkner recommended, the collected voices in this timeless book remind us of all the happiness and joy life has to offer. President George H. W. Bush yells at the television, Loretta Lynn makes herself a fried Bologna sandwich, Sir Arthur C. Clarke explores the infinite universe of fractals, NASCAR's Geoff Bodine cleans the house. Seventy celebrities such as Kris Kristofferson, Jerry Orbach and Garth Brooks and thirty ordinary folks such as a farmer, a private detective, a doctor and a retired gospel radio show host share what lifts their spirits and puts them back in the game of life. From George Jones's practical 'Around the Farm Blues' to Weird Al Yankovic's funny 'The Warm Weather Blues' to Cathie Pelletier's soulful 'The Sunday Blues', 100 Ways to Beat the Blues is an inspiring guide to finding happiness no matter what the blues may bring.

**After the Rain** Maxine James,2017-03-24 This is a story of overcoming in the presence of life's obstructions. Sometimes in life we see the storm clouds of trouble moving overhead so we run for shelter. Other times we're caught completely off guard. Either way we know that eventually those storms will pass. In every stage of my life I have seen God's hand of mercy and grace guiding not only my life but the lives of those around me. This book is a collection of memories and experiences gathered from the various stages of my life in Jamaica before I immigrated to Canada. They journey through innocence, kindness, ignorance and learning with a good mix of humour, laughter, fear and disgust thrown in and all told with a Caribbean flare. My prayer is that these stories will encourage others to face their storms with faith and trust in God, knowing that after the rain passes, He will still be there.
