Blessing Splendor of Our Father s Word is an inspirational daily read It is full of valuable life lessons on the important of humility forgiveness and fellowship with others It provides reminders to avoid the many vices and attitudes that can keep us from leading a fulfilling joyful life The collection of personal reflections can inspire happiness and peace in all readers and bring them closer to God Getting the Holy Ghost Peter Marina,2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the

church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church's members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern church scene The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers

**God's Hand, My Choices** Robert Coombs,2020-03-23 The drive from Texas to Florida without God's hand would not have happened My choices showed me it was not just about me but about my mom and dad too My mother instinctively knew her son was spiraling out of control The automobile crash brought him to the brink of death God showed him heaven and then sent him back to give this testament God watches over us giving us free will to choose This is about my choices and the miracles from God The 240Z flipped three times crushing down on my visibly dead body I was pinned between the console and roof The crash results three skull fractures an induced stroke partial paralysis on my left side and permanent deafness in my left ear After a mastoidectomy surgery in Paris Texas things did not improve Talking and walking were difficult and each day of my recovery had my mother getting more distraught With each troubled conversation she

sensed my frustrations Mom was stressed with me and at home She did the only thing she could do She called me in an uncharacteristic panic telling I had to come home My normally stoic father was worried about her so I had to make a choice stay or go to Florida God gives us choices all our lives I had been making the wrong choices but it was time for God to intervene My first good choice was to give up almost all I had in Texas and go home to be with my mother and father I am human so there was doubt when it seemed hopeless Pushing doubt aside and trusting God this trip was filled with miracles others would consider luck or coincidences      Dear God: Remember Me Petra Guillaume,2019-01-16 Dear God Remember Me is a story about the author s walk with Christ Uplifting and encouraging and at the same time honest portrayal of the author s walk with Christ Through trials and tribulation God kept his promises Ms Guillaume is an evangelist who enjoys writing songs poems and stories The author wrote the following books 13 Original Poems and Songs God s Love Revealed 21 original Poems and Songs God s love Revealed Hijacked God Please Pick Up My Case CPG Poems and Breaking Free With Jesus Help      **Season's of My Life** Mary Ann Harring-Duhart,2012-01-01 This book reveals the seasons of the world s greatest spiritual writer of this generation s life In this her tenth book she brings you beautiful poetic style through her true to life experiences and the feelings that she has lived She holds nothing back the poetry comes from within the inner depths of her soul Mary Ann has a love of God which cannot be denied She has great knowledge of Bible verses and displays some as she uses them in comments at the end of a poem She also provides a full glossary of the poetic forms styles used in the book It comes as no surprise that she has created some of these forms herself Learn about life and struggles and how Mary Ann is able to get through whatever is set before her through her faith in the Lord
