## Thank You For Being You:

**My Gift** Gary Ford Jr.,2016-01-30 My Gift A Few Pages of Inspiration and Love represents the authors experiences of joy and wonder as well as hurt and pain They are inspired stories of heartfelt pain from breakups as well as a lifetime of happy marriage The author has noticed friends and some loved ones not being patient enough in waiting for that special someone to light up their life This book is meant to promote love and happiness in current relationships and provide the foundation to build new ones

**Inexplicably Me** Chelsea Austin Montgomery-Duban Wächter,2022-05-03 A hilariously moving and inspirational memoir of a girl with two gay dads navigating her way through life with joy love gratitude and an excellent sense of humor As the daughter of two gay fathers in the 90s Chelsea has always had a different outlook than some people And yet her message is one of universal importance love is the most important force in the world Through her moving and at times hilarious memoir Chelsea reflects on how we are all much more similar than we are different Living two doors down from normal Chelsea quickly learned that society loves to put people in boxes but these boxes do not always reflect how we feel about ourselves Through Inexplicably Me Chelsea works to bring people together in love and acceptance and to illustrate that while her story may seem worlds away from others we all strive for happiness and love From sharing the stage with President Obama when she was only eighteen years old to her father spending her senior year of college in federal prison camp to her biological mother dying of cancer when she was only 56 Chelsea explores her painful and joyful experiences with the hope that readers will find inspiration to face their own challenges and embrace their own joys Inexplicably Me is a bridge for those who fear what they don t understand as well as a possibility for those who have lacked love in their lives to see how they can start to access their self worth begin achieving their dreams and start loving themselves again Most of all it is a reminder that everyone will have an opinion about who you are supposed to be but you and only you get to decide exactly who it is you want to be

the truth is that to fall in love with yourself is the first secret to happiness and happiness comes when you love yourself unconditionally just as you love those closest to you despite their faults like your family and the ones in your closest circle The most important things in life are often misunderstood to be money and wealth and everything that comes with it but what good would any of those things be if you don't have your family or your nearest and dearest to share those moments with Things may come and go but the one thing that will remain the same till the end of time is the your family Que Sera Sera is a book compiled by Aafreen Zafar with 15 co authors who talk about the importance of not just family and self love and making the world believe that the most important thing in the world is family and self love because those are the things that matter *Someone to Love* Donna Alward,2017-03-07 She s a free spirit He s an uptight single father Can they make it work
