

Thank You

Many thanks to those that came out to celebrate my 90th birthday. I was surprised and overwhelmed to say the least! A special thank you to my five kids Susan, Robert, Rick, Len, and Cathy for putting on the party and footing the bill! Thank you to my grandson Kyle for renting the hall and donating food. Thank you to my granddaughter Robin for the slideshow, videos and decorations. Thank you to Darren for preparing the delicious food. Thank you to my sister, Julie, and my good friend Claire for helping with the food, for getting me to the hall, and for cleaning up. Thank you to all the others who jumped in to help where it was needed. To those that travelled from out of town, and those that sent well wishes, cards and gifts, it means more than you can imagine. You ALL sure made this old gal feel loved!

Trouble in Texas John Mayer, 2012-02-24 Weather in San Antonio can be anywhere from nasty to fantastic but this day was better than fantastic as Johnny Devreau walked toward the cattle barns The weather reminded him of some nice days he had seen in Hawaii only cooler He was at the Joe Freeman Coliseum for the San Antonio Livestock Show and Rodeo an annual ten day affair It seemed everyone male and female young and old was wearing the same thing Levis cowboy boots and a western style shirt and most had a western style hat This was standard everyday wear for Devreau The Saturday rodeo matinee was just over and the standing room crowd was spilling out of the coliseum in every which direction or so it seemed It made getting to where Devreau wanted to be slow going

Two Roses Mazen Kharboutli, 2018-06-29 To Daniel Bouchard the word love is synonymous with loss He experiences early hardships that rob him of the people he most cherishes and leaves him bewildered and lost in a world he doesn't understand His childhood and youth are solemn and he buries his emotions deeply in order to hide his broken heart After high school Daniel is accepted at a prestigious university in New York and so he leaves what remains of his family behind in Paris to begin a new life But grief reaches him even there As he struggles with existential questions about love and sorrow he meets a young woman named Greta who changes everything Daniel finds comfort in her presence and joy in her smile and for a brief instant in time he is gloriously happy Then Greta leaves him without a word of explanation and Daniel is once more struck with confusion and loss For more than two decades he searches for reasons for what has happened only to discover through a series of astonishing coincidences that he has come full circle with a new perspective

Vicious Circle Helena Pielichaty, 2000 Louisa May and her mother are caught in the vicious circle of poverty and there doesn't seem to be any way they can break free

Changes Of The Heart Judith McCoy Miller, 2014-02-01 In 1852 Maura Thompson answers an ad for a mailorder bride and leaves her home in Boston in search of a new life in California What she finds though is rejection from Luther Buchanan who wanted help in his store more than he wanted a wife especially one with a secret disability Yet they begin a loveless marriage Maura had hoped for a new start but the obstacles against this marriage seem like mountains She prays that God will change her husband's heart unaware that her own attitudes including her fear of rejection have played a major part in the problem Will Maura give up on the marriage and leave when the stress becomes too great Can she find something to love about Luther
