Walters,2012-02-27 In human relations to know where we are you must know here we have been Only by knowing both can you begin to understand where we are going Trying to understand history is like trying to comprehend the world while in a sand storm because we are so much a part of it in our own tiny little corner Before there was television people gained their view of the outside world by news reels which were run ahead of movies If a picture is worth a thousand words how much is a moving picture worth with sound Our tiny little corners have greatly expanded thus the causes for our hearts to change have changed as well      *Little Girl Black* Cassandra Hudson,2019-10-09 Little Girl Black Confronts Domestic abuse physical abuse mental abuse emotional abuse and verbal abuse This book and all my Little Girl Black poetry books volumes 1 6 celebrate and confront dreams religion marriage unfairness sex friendship racism colorism abuse strength judgments fantasy love education families power death the black sheep syndrome and many other situations Domestic abuse You know that old saying You don t really know what happens behind closed doors Everything looks great on the outside but no one really knows the real deal And there are entire families living in total fear Looks can be very deceiving Most people only show what they want people to see and it s usually a fa ade Some abuse goes unnoticed and some abuse screams out loud Some mothers and fathers tell their kids to shush This is family business Keep what s going on at home at home and what s going on outside outside We re a family We don t mix the two Now you and your whole family are bound to secrecy Physical abuse Some people are in total denial when they don t want anyone to notice the makeup that s covering a black eye or when they give you an excuse for how their arm got broken and it has everything to do with falling down the stairs But there are some people who wear physical abuse like a crown or tiara and strut like a peacock He or she wants everybody to know how they keep their woman or man in check Yes women can be and are abusers too Love should not hurt so bad until love stops breathing and you have to give love and your heart mouth to mouth resuscitation every second of your every day If that s what you re on you may as well go on and buy that black dress or make orange your favorite color Sooner or later he or she will snap Abuse is true life not a TV show      The King Holiday and Service Act of 1993 United States.
