Thanking God:

365 Days of Thanking God Daniella Whyte,2010-11-23 This book is not about the holiday called Thanksgiving It is not about how to celebrate Thanksgiving This book is a challenge to you to cultivate a heart of thankfulness to God and to the people He has placed in your life 365 days of the year Thankfulness is not about keeping tradition It is a matter of the heart It should be an everyday occurrence It should be a habit it should be a way of life It may seem as though it is small or insignificant to you but it means a lot to God and to others I pray that this book will encourage you and challenge you to be thankful for everything Daniella from the Introduction You simply will not be the same person two months from now after consciously giving thanks each day for the abundance that exists in your life And you will have set in motion an ancient spiritual law the more you have and are grateful for the more will be given you Sarah ban Breathnach **Thanking God** R T Kendall Ministries Inc.,R.T. Kendall,2011-01-06 What God does for us every day is a thousand times more than what the best of friends and neighbours do for us The question is are we thankful That is what this book is about It is all about learning gratitude and remembering to thank God for everything the big things the little things God wants to be appreciated I want this book to help show us how to be thankful This book is R T at his very best popular theology and guidance for life in the style that has made him one of the most popular Christian writers in the UK today As with Total Forgiveness Thanking God explores and unpacks one of the simple but absolutely crucial aspects of the Christian life R T examines the biblical teaching on gratitude and relates it to our everyday experience in a fashion both enlightening and challenging Thanking God Emphatically David C. Dickenson,2024-07-11 Is Paul being ironic when he thanks God for the Corinthians in 1 Cor 1 4 9 On one hand the apostle seems sincere as he gives thanks for God s gifting of the church On the other hand it can be hard to trust Paul s sincerity when the very things mentioned e g speech and knowledge will later be associated with Paul s rebuke of the church This book clarifies the apostle s intent A look at rhetorical ornamentation from Paul s world reveals that he is using one of the most popular rhetorical figures of his day called emphasis The figure allows Paul to give thanks genuinely while implicitly chiding his audience through various hints These hints prepare for every major section of the letter and the rebukes contained within them Intriguingly the only two comparable thanksgivings in the letter 1 14 16 14 18 19 also employ emphasis These passages all reveal a subtlety that is at once sincere critical and even humorous They reveal that Paul is thanking God emphatically *Thanking God With Integrity* Willard Metzger,2014-11-09 Hunger disaster environmental degradation it can be difficult to enjoy the good things God has given us when others face these struggles on a daily basis How do we give thanks for our food while being sensitive to such needs Author Willard Metzger has crafted these 57 prayers of table grace to help us cultivate gratitude while acknowledging the sorrow and pain of others Rather than attaching guilt to our shared meals these prayers aspire to flavour thankfulness and sandwich it with a celebration of response and purpose Accompanied by scripture and beautiful photography *Thanking God With Integrity* will quickly become an essential resource
