Closing the Gap Jay McGraw, 2008-06-30 Parents Does your teen withdraw to his or her room at every opportunity Does she talk with you about her friends Does he participate in discussions at meals Does your teen want you to see projects from school When is the last time you actually went into your teen s room and looked at what s hanging on the walls and sitting on the shelves Teens Do your parents hide behind the newspaper Do they always have to work when you ve got a game a recital or an open house at school Is there anything you do together anymore When was the last time they took a walk a bike ride or even a trip to get ice cream with you When did that sudden gap divide your home into territories staked and claimed with music blasting

through the halls and fists banging on doors to turn down the stereo TV video game Teens when did you start seeing your parents as your enemies instead of your heroes And parents when did you start seeing your teens as crazy little demons instead of your loving children Finally there is a solution for both sides and one that will not only bridge that gap but show parents and teens alike how to prevent it Jay McGraw is the ideal person to write a book for both parents and teens A bestselling author by the age of twenty one and son of number one New York Times bestseller Phillip C McGraw Ph D known to millions worldwide as Dr Phil Jay has seen the parent teen battle from all angles In this groundbreaking work he introduces a new plan for both teens and their parents to work through the issues that divide them and in the process rediscover the love that initially defined their relationship Jay works from both sides sharing the perspectives of parent and teen as the former struggles for control the latter for independence He explains to parents how their teenagers wish to be treated cared for and even disciplined and he shows teens how gaining power can come only from earning respect In this entertaining informative and life changing book Jay gives instructions to both sides of the familial gap on Dos and Don ts for Parents and Teens Parent and Teen Myths Discovering Your Needs Tuning In to the Needs of Others Ten Ways to Bridge the Gap and Reconnect In finding a common ground and even more important a common respect for each other parents and teens can break down the walls unlock the doors and welcome each other back into one another s lives again *You Ain't My Dad* Arnold Shurn,2015-12-16 I started this journey around 2001 to write a book about the role that fathers did not play or could not play but wanted to play in the lives of their offspring However due to internal factors and external factors fathers did not meet the expectations of society nor their child's or of their own This book is not designed to be an outlet for men to berate women about them having to pay child support but more about the experiences men go through from their lenses I want to reiterate the point that this is not an attempt to influence the courts or the court of public opinion to alleviate the male's responsibility of his financial obligations I have witnessed firsthand the struggle of single mothers and the things they have to endure However there are elements out there that want to portray men as the culprit of some sort of dark evil element that is causing the family dynamic to be annihilated There are facets involved in the complexities of raising a family unfortunately the men's roles are vanishing There are systems designed to alter the natural function that the fathers play in their children's lives This book will attempt to input a collage of ideas from the author to paint the picture of the challenges fatherless fathers encounter in their pursuit to be fathers *Would the Real Stanley Carrot Please Stand Up?* Rob Stevens,2015-02-05 Stanley Carrot Harris is ginger tubby and definitely not cool And he has a secret he's adopted and this makes him feel like he's never quite fitted in On his thirteenth birthday he receives the one thing he's been waiting his whole life for a card from his long lost birth mother asking to meet up But Stanley isn't sure what if he's a big disappointment to her So he hatches a plan and he's going to need a stand in Stanley someone who is handsome sporty and God's Gift to Mothers What Stanley doesn't realise is he's about to have the most confusing time of his life just who is the real Stanley Carrot
