## That Bad Woman:

**[Un]framing the "Bad Woman"** Alicia Gaspar de Alba, 2014-07-15 What the women I write about have in common is that they are all rebels with a cause and I see myself represented in their mirror asserts Alicia Gaspar de Alba Looking back across a career in which she has written novels poems and scholarly works about Sor Juana In s de la Cruz la Malinche Coyolxauhqui the murdered women of Ju rez the Salem witches and Chicana lesbian feminists Gaspar de Alba realized that what links these historically and socially diverse figures is that they all fall into the category of bad women as defined by their place culture and time and all have been punished as well as remembered for rebelling against the frames imposed on them by capitalist patriarchal discourses In *Un Framing the Bad Woman* Gaspar de Alba revisits and expands several of her published articles and presents three new essays to analyze how specific brown female bodies have been framed by racial social cultural sexual national regional historical and religious discourses of identity as well as how Chicanas can be liberated from these frames Employing interdisciplinary methodologies of activist scholarship that draw from art literature history politics popular culture and feminist theory she shows how the bad women who interest her are transgressive bodies that refuse to cooperate with patriarchal dictates about what constitutes a good woman and that queer alter the male centric and heteronormative history politics and consciousness of Chicano Mexicano culture By unframing these bad women and rewriting their stories within a revolutionary frame Gaspar de Alba offers her compa eras and fellow luchadoras empowering models of struggle resistance and rebirth

*A Bad Woman Feeling Good: Blues and the Women Who Sing Them* Buzzy Jackson, 2005-02-17 The women who broke the rules creating their own legacy of how to live and sing the blues An exciting lineage of women singers originating with Ma Rainey and her prot g e Bessie Smith shaped the blues launching it as a powerful expressive vehicle of emotional liberation Along with their successors Billie Holiday Etta James Aretha Franklin Tina Turner and Janis Joplin they injected a dose of reality into the often trivial world of popular song bringing their message of higher expectations and broader horizons to their audiences These women passed their image their rhythms and their toughness on to the next generation of blues women which has its contemporary incarnation in singers like Bonnie Raitt and Lucinda Williams with whom the author has done an in depth interview Buzzy Jackson combines biography an appreciation of music and a sweeping view of American history to illuminate the pivotal role of blues women in a powerful musical tradition Musician Thomas Dorsey said The blues is a good woman feeling bad But these women show by their style that he had it backward The blues is a bad woman feeling good

**Male Daughters, Female Husbands** Professor Ifi Amadiume, 2015-03-12 In 1987 more than a decade before the dawn of queer theory Ifi Amadiume wrote *Male Daughters Female Husbands* to critical acclaim This compelling and highly original book

frees the subject position of husband from its affiliation with men and goes on to do the same for other masculine attributes dislocating sex gender and sexual orientation Boldly arguing that the notion of gender as constructed in Western feminist discourse did not exist in Africa before the colonial imposition of a dichotomous understanding of sexual difference Male Daughters Female Husbands examines the structures in African society that enabled people to achieve power showing that roles were not rigidly masculinized nor feminized At a time when gender and queer theory are viewed by some as being stuck in an identity politics rut this outstanding study not only warns against the danger of projecting a very specific Western notion of difference onto other cultures but calls us to question the very concept of gender itself **A Woman's View**
