at the current state of things economically and socially One of his best known poems is an apology poem taught to most American children in elementary school called This Is Just to Say I have eaten the plums that were in the icebox and which you were probably saving for breakfast Forgive me they were delicious so sweet and so cold Dorothy Day 1897 1980 was an American journalist and social activist who became most famous for founding with Peter Maurin the Catholic Worker movement a nonviolent pacifist movement which combines direct aid for the poor and homeless with nonviolent direct action on their behalf Dorothea Lange 1895 1965 was a hugely influential American documentary photographer and photojournalist best known for her Depression era work for the Farm Security Administration FSA Lange's photographs humanized the tragic consequences of the Great Depression and profoundly influenced the development of documentary photography one of Robert Coles' great passions Erik Erikson 1902 1994 was a Danish German American developmental psychologist and psychoanalyst known for his theories on social development of human beings He may be most famous for coining the phrase identity crisis Erikson's greatest innovation was to postulate not five stages of development as Freud has done with his psychosexual stages but eight Erik Erikson believed that every human being goes through a certain number of stages to reach his or her full development theorizing eight stages that a human being goes through from birth to death Walker Percy 1916 1990 was an American southern author best known for his philosophical novels set in and around New Orleans the first of which The Moviegoer won the National Book Award for Fiction in 1962 He devoted his literary life to the exploration of the dislocation of man in the modern age His work displays a unique combination of existential questioning Southern sensibility and deep Catholic faith all themes of great interest to Coles Bruce Frederick Joseph Springsteen born September 23 1949 has long been in Robert Coles' orbit and he once held a concert as a fundraiser for Coles' magazine Double Take now defunct Springsteen's most successful studio albums Born to Run and Born in the U S A epitomize his penchant for finding grandeur in the struggles of daily life in America and the latter album made him one of the most recognized artists of the 1980s within the United States

**The Moral Intelligence of Children** Robert Coles, 1998-01-01 NEW YORK TIMES BESTSELLER The question is more relevant now than ever before what makes someone a moral person Child psychiatrist and Harvard professor Robert Coles has dedicated much of his life to exemplifying teaching and writing about the moral life Here Coles illuminates the ways in which children become moral or not so moral adults drawing on case studies talks with parents visits to nurseries and classrooms and interviews with children No subject could be more important and more timely for all Americans but especially for parents In the tradition of such bestsellers as Cultural Literacy and Emotional Intelligence The Moral Intelligence of Children identifies a new type of intelligence essential for success and fulfillment in life It will be used by parents and teachers for years to come as the authoritative guide to children's moral development

**Conversations with Robert Coles** Robert Coles, 1992 Robert Coles is a psychiatrist with a novelist's sensibilities Of course everything I come up with he says novelists have known beforehand These twenty three interviews selected from hundreds that Coles has

given disclose not only an illustrious physician trained in pediatrics and psychoanalysis but also a sage whose compassion for children and suffering seems boundless In focusing on a man known mainly as an eminent psychiatrist and author of *The Spiritual Life of Children* and more than fifty other books this collection is a departure from the other books in the Literary Conversations Series By no means is Coles best known as a writer of belles lettres as are other figures in this series Yet his varied critical insights and the critical authority with which he approaches literary subjects have enriched American literature Here through the prism of his medical and literary training Coles's conversations reveal his imposing moral vision As he ranges with penetrating wisdom over many subjects children literature teaching psychiatry family he explores the cultural social and intellectual dimensions of our lives *Lives of Moral Leadership* Robert Coles, 2010-09-22 In this rich and illuminating book the Pulitzer Prize winning bestselling author Robert Coles creates a portrait of moral leadership what it is and how it is achieved through stories of people who have led and inspired him Robert Kennedy Dorothy Day Dietrich Bonhoeffer Erik Erikson a Boston bus driver teachers in college medical school and elementary school among others Coles tells how to be a moral leader and shows how the intervention of one person can change the course of history as well as influence the day to day quality of life in our homes schools communities and nation We need to hand one another along in life says Coles quoting his friend Walker Percy and in *Lives of Moral Leadership* he explores how each of us can be engaged in a continual and mutual life giving process of personal and national leadership development Coles discusses how the actions of the American president affect the way people feel about themselves and the country and citing the influence of Shakespeare's Henry V on Robert Kennedy and of Tolstoy's Anna Karenina on his own mother explains how reading literature can motivate action and growth The way in which moral leaders emerge today and for all time comes vividly to light in this brilliant book by one of America's finest teachers and writers *On William Stafford* Tom Andrews, 1995-03 Contemporary writers and critics trace the achievement of William Stafford and his influence on contemporary poetry

**Bruce Springsteen's America** Robert Coles, 2004 The Pulitzer Prize winning author of *Children of Crisis* offers a unique vision of musical legend Bruce Springsteen and the influence of his music on both the lives of ordinary Americans and on the American literary tradition examining the meaning of Springsteen's lyrics and profiling The Boss as a poet within a larger social cultural and philosophical context Reprint 26 000 first printing **Handing One Another Along** Robert Coles, 2010-08-31 In this book on shaping a meaningful and ethical life the renowned Pulitzer Prize winning author explores how character courage and human and moral understanding can be fostered by reflecting on the lives of others through stories Based on Robert Coles' legendary course at Harvard this provocative book addresses such questions as Who are we Where do we come from Where are we going It calls on us to become stronger and more aware by reflecting on ourselves and others with the help of great literature and art Dr Coles shows how the work of writers artists and thinkers of the past two centuries can inspire our own reflections on the daily lives we lead He offers a compelling call to venture outside of our

own selves and lives and to listen attentively and with growing humanity to the way others get through life Coles encourages us to examine our own character kindness and complexity by looking carefully at our perceptions of others and by studying the wisdom of authors from Charles Dickens to Flannery O Connor from James Agee to George Orwell and many others In this influential conversation about empathy and engagement Coles inspires us to seek out deeper meaning in our lives and guides us toward achieving greater clarity strength and richness of understanding amid the moral psychological and social complexities of the modern world

**Rumors of Separate Worlds** Robert Coles, 1989 Poems deal with the world's ambiguities randomness luck fate and the accidental

*The Spiritual Life of Children* Robert Coles, 1991-10-10 A look at faith through the voices of children from varied religious backgrounds by the Pulitzer winning author of *The Moral Intelligence of Children* A New York Times Notable Book What do children think about when they consider God Heaven and Hell the value of life in the here and now and the inevitability of death Child psychiatrist Pulitzer Prize winning writer and Harvard professor Robert Coles spent thirty years interviewing hundreds of children from South America and Europe to Africa and the Middle East who are developing concepts of faith even as they struggle to understand its contradictions Be they Catholic or Protestant Jewish children from Boston Pakistani children in London agnostics Native Americans or young Christians in the American South they offer honest enlightening and sometimes startling ideas of a spiritual existence A Hopi girl who knows for a fact that we are resurrected as birds an African American child who believes God exists as a hurricane to blow away drug dealers a young Christian who needs his faith to cope with the death of his sister lest she be just a big heartache to us till the day we die and a Tennessee child who rationalizes his belief by admitting that if there's no God that's all there is ashes *The Spiritual Life of Children* is a remarkable book The generosity of vision that characterizes Dr Coles's enterprise enables him to create a climate where words of great beauty and truthfulness can be spoken The New York Times

**Being There in the Age of Trump** Barbara Tapa Lupack, 2020-08-20 Jerzy Kosinski's *Being There* published in 1970 and adapted to film in 1979 was prescient in its vision of a simple man without discernible talent or political experience whose knowledge of the world comes almost exclusively from television Yet his very shallowness establishes him as a TV celebrity and propels him to the pinnacle of American government Both an incisive satire and a clarion call to resist the collectivizing force of the media that influences American life and shapes distorts and ultimately corrupts politics and culture *Being There* offered a trenchant comment on the nature of being in the modern world of power And it critiqued the tendency of Americans to seek mindless distraction rather than engagement and to find profundity in banal slogans and slick visuals Issued a half century ago Kosinski's warning not to let hollow imagery trump our good sense and become our new reality is even more urgent today The first book length examination of Kosinski in more than a decade *Being There in the Age of Trump* goes beyond conventional literary and film analysis to a larger interdisciplinary and cultural study of a work still timely and popular

**Clothed in Nothingness** Leonard M. Hummel, *Clothed in Nothingness* provides practical and

theological considerations for pastoral care and insights from the Lutheran tradition for coping with suffering     *Political Leadership* Robert Coles, George Eliot, George Orwell, Leo Tolstoy, Anthony Trollope, 2007-12-18 From ancient times to the present day here are indispensable insights on political power and leadership as expressed in the novels plays and poetry of the world's greatest artists and intellectuals Adapted from a course taught at Harvard by Pulitzer Prize winning author Robert Coles *Political Leadership* features scenes stories and speeches that pierce to the core of how and why some lead and others follow In *Felix Holt the Radical* George Eliot observes that progressive reformers can be even more self serving than their conservative counterparts in *The Prime Minister* Anthony Trollope suggests that honest men must cope with the corruption of politics or leave leadership entirely to the crooked and the works of Nadine Gordimer and George Orwell reveal that those who overturn tyrants often envy their power and repeat their mistakes Anyone trying to understand today's confused and violent world will be both challenged and inspired by this unique and important collection
