That Damned Democrat Michael Cannon, 1981 *House documents*, 1877 *Congressional Record* United States. Congress, 1877 *A Bitter Cup of Tea* Tim McDaniel, 2012-10 Andrew Rand of Wyland Ohio is a freshman Democratic representative at the start of the Obama administration Deep in the corridors of political power he will find a broken system a liberal party in power and out of control passing legislation that its constituents neither desire nor need with its members under constant political and personal pressure to fundamentally transform the nation Soon Andrew will struggle with the question of what he is willing to sacrifice in order to win reelection Meanwhile his wife Carolyn a brilliant apolitical woman from a family of radical academics will struggle not only with the emotional fallout of her husband's choices but with her own awakening conservative conscience as well Weaving contemporary political satire with an emotionally devastating plot novelist Tim McDaniel imagines the rise of the conservative Tea Party to national prominence a rise seen through the eyes of characters from all walks of American life a housewife who decides to challenge the powers that be in her home district a Texan radio host with a gift for caustic political insight a campaign manager concealing a secret romantic ambition student radicals disenchanted factory workers and more *A Bitter Cup of Tea* serves up a bitterly funny vision of contemporary America a land whose leaders have betrayed its people and whose people are beginning to fight back **Traveling on the Democratic Donkey** Clement Garibaldi Lanni, 1925 *Miscellaneous Documents* United States. Miscellaneous Documents United States. Congress. House, 1876 **Shrill Hurrahs** Kate Cote Gillin, 2013-12-15 In *Shrill Hurrahs* Kate C t Gillin presents a new perspective on gender roles and racial violence in South Carolina during Reconstruction and the decades after the 1876 election of Wade Hampton as governor In the aftermath of the Civil War southerners struggled to either adapt or resist changes to their way of life Gillin accurately perceives racial violence as an attempt by white southern men to reassert their masculinity weakened by the war and emancipation and as an attempt by white southern women to preserve their antebellum privileges As she reevaluates relationships between genders Gillin also explores relations within the female gender She has demonstrated that white women often exacerbated racial and gender violence alongside men even when other white women were victims of that violence Through the nineteenth century few bridges of sisterhood were built between black and white women Black women asserted their rights as mothers wives and independent free women in the postwar years while white women often opposed these assertions of black female autonomy Ironically even black women participated in acts of intimidation and racial violence in an attempt to safeguard their rights In the turmoil of an era that extinguished slavery and redefined black citizenship race not gender often determined the relationships that black and white women displayed in the defeated South By canvassing and documenting numerous incidents of racial violence from lynching of black men to assaults on white women Gillin proposes a new view of postwar South Carolina Tensions grew over controversies including the struggle for land and labor black politicization the creation of

the Ku Klux Klan the election of 1876 and the rise of lynching Gillin addresses these issues and more as she focusses on black women s asserted independence and white women s role in racial violence Despite the white women s reactionary activism the powerful presence of black women and their bravery in the face of white violence reshaped southern gender roles forever

Showdown at the 1964 Democratic Convention John C. Skipper,2014-01-10 In the summer of 1964 three forces converged at the Democratic National Convention in Atlantic City New Jersey each with the potential to shake the moorings of traditional democracy the all white segregationist delegation from Mississippi a mostly black delegation determined to unseat the segregationists and President Lyndon Johnson who had signed the civil rights bill but wanted to avoid trouble that could jeopardize his chances of carrying the South in the November election These groups struggled to reach a compromise that in the end epitomized sheer political power and its consequences By examining the motivations of those involved this work explores how American politics and the civil rights movement clashed at the convention how the federal government

felt compelled to spy on its own people for purely political purposes and how this interlude changed the political landscape for generations
