West, 2014-12-12 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten s *Bambi* and Carlo Collodi s *Pinocchio* as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney s relationships with authors his animation staff and his audience

When Cats Reign'd Like Kings Georgie Anne Geyer, 2017-09-29. In her fascinating exploration of feline history, Georgie Anne Geyer explores the connections between the royal and sacred felines of ancient civilizations and the beloved domestic cats of today. Chasing an irresistible mystery across the globe, Geyer conducts exhaustive research into the little-known puzzle of how cats came to occupy their unique position in the lives of humans. Treated with the tenacity, resourcefulness, and narrative instinct of a seasoned foreign correspondent, the investigation yields unexpected answers and poses tantalizing new questions. It was Geyer's curiosity about her own cats that inspired her to study the history of human feline relations and especially the exalted status of cats among the ancients as royal or sacred beings. In Egypt, Geyer learned of the cat goddess Bastet and of
