That Marriageable Man:

That Marriageable Man! Barbara Boswell, 2011-07-15 MAN of the Month MR JUNE That Marriageable Man Tall dark and very sexy Rafe Paradise was single and satisfied until he inherited four mischievous kids His Ultimate Dilemma Being a devoted dad without getting hitched That Marriageable Woman Next door darling Holly Casale She knew exactly what Rafe needed her Rafe was determined to be an exceptional single father But keeping his mind strictly on fatherhood was impossible with luscious Holly offering helpful parenting hints Besides Rafe was more interested in what his eligible neighbor knew about making children than raising them But taking her as his lover would mean making her his wife And marriage was the farthest thing from his mind wasn't it MAN OF THE MONTH This seductive bachelor finds love under his very roof

The Gay Man's Guide to Open and Monogamous Marriage Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony [Marriage in Men's Lives](#) Steven L. Nock, 1998 There are two marriages in every marital union his and hers Men and women live in worlds that are organized around gender and their marriages reflect differing realities As life companions they respond to each other but they also respond to the cultural definitions of what it means to be a husband and a wife What has fascinated social and behavioral scientists for several years however is not only that husbands and wives experiences are different but also that his marriage is better than hers Numerous findings have reported that married men are better off than married women on measures of both physical and mental health but the reasons are not yet fully understood In *Marriage in Men's Lives* Dr Nock proposes an explanation to this issue He focuses on marriage as a system of rules customs and expectations The book shows that marriage changes men on basic dimensions of achievement participation in public social life and philanthropy because marriage reinforces such behaviors as part of adult masculinity Men in modern society crave well being comfort luxury and prestige and marriage affords a means of achieving these things within circumscribed legitimate boundaries Using a huge

data base of over 6 000 interviews with men the author has studied since 1979 Nock draws some interesting and far reaching conclusions about the nature of marriage and predicts that marriage is definitely here to stay

The Alpha Female's Guide to Men and Marriage Suzanne Venker,2017-02-14 As seen on Fox Friends The Alpha Female s Guide to Men and Marriage shows women who have a dominating personality how to love a man America is in love with the alpha female She s the quintessential modern woman assertive razor sharp and fully in control Her success in the marketplace is undeniable a downright boon to society But what happens when the alpha female gets married She becomes an alpha wife of course An alpha wife is in charge of everything and everyone She is quite simply the Boss The problem is no man wants a boss for a wife That type of relationship may work for a spell but it will eventually come crashing down Since 1970 just as women became more and more powerful outside the home more alpha the divorce rate has quadrupled And it is women who lead the charge Today 70% of divorce is initiated by wives Do men just make lousy husbands Not at that rate says Suzanne Venker bestselling author of The War on Men The truth is that women don t know how to be wives Why would they That s not what they were raised to become But women can learn There s an art to loving a man says Venker and any woman can master it An alpha female herself Venker learned how to be a wife the hard way through trial and error Lots of error And here s what she knows today the set of skills a woman needs to pursue a career or even to raise children is the exact set of skills that will mess up her marriage but good No man likes to be told what to do And no woman respects the man who does The Alpha Female s Guide to Men and Marriage gives women who are used to being in charge the tools they need to make their marriages less competitive and more complementary Part memoir part advice this brave manifesto argues that while marriage is more challenging for the alpha female it is possible to find peace in your marriage In fact it may be easier than you think

Masculinity, Marriage and Rural Men in Urban China Sarah Gosper,2024-12-31 This book explores the conjuncture and interrelationship between three so called crises facing Chinese society a crisis of marriage a crisis of masculinity and a crisis of mobility Based on sustained ethnographic research on unmarried lower class rural men from two distinct social and class categories namely migrant workers employed in the food delivery and express mail delivery industries and tertiary educated white collar professionals the book reveals how the increasing socio economic precarity of rural men and their largely unrealised desires to marry and have children demonstrates a fundamental reconfiguration of Chinese masculinity and

mobility in urban China and the social impact on central Chinese institutions The book also reveals the futile efforts to fulfil hegemonic models of masculinity in contemporary China and addresses the heterogeneity of unmarried lower class rural men as they navigate marriage manhood and mobility Exploring gender relations in China and contributing to global studies of heterosexual masculinities this book will appeal to students and scholars of Chinese culture and society gender studies and social anthropology

Every Man's Marriage Stephen Arterburn, 2010-03-16 What every man wishes he knew about what his wife desires most Authors Stephen Arterburn and Fred Stoeker believe that every man can meet the secret desires of his wife The problem is most of us aren't exactly sure what that desire is and how we can go about fulfilling it faithfully In *Every Man's Marriage* you can discover the common misconceptions about what it means to exercise biblical authority and understand the role of submission in the marriage relationship This groundbreaking book can help men grasp and apply essential but often overlooked principles for marital leadership Through candid reflections on their own struggles to achieve biblical unity in their own marriages along with many years of combined experience in marital counseling Arterburn and Stoeker apply solid time tested biblical wisdom to the everyday potential distortions that can lead to strife in a marriage The second book in the *Every Man* series this is the perfect follow up to the best selling *Every Man's Battle* *Every Man's Marriage* is a terrific resource for establishing mutual respect and sacrifice in your marriage based on Christ's example of loving His bride the church Includes a comprehensive workbook for individual or group study

Why Men Marry Some Women and Not Others John T. Molloy, 2008-12-14 A groundbreaking book based on years of the same thorough research that made the *Dress For Success* books national bestsellers about how women can statistically improve their chances of getting married

Behold the Man Harold Burke-Sivers, 2015-08-17 Lucid and inspiring *Behold the Man* is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is

authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately Essays on the Marriageable Men Hypothesis and the Cyclicity of Relative Wages Robert Graham Wood,1992 God's Marriage and Man's Divorce David Boudreaux,2023-05-08 There are many books already out there that address the topic of marriage and divorce but this one is different in that it is basically a Bible commentary that expounds extensively and solely on the scriptures that deal with this topic You have heard many people say that wives or husbands or children do not come with instruction manuals well now they can This book takes a serious look at marriage having and raising children divorce abortion alcohol consumption drugs church attendance and salvation and so many other topics that are critical to the kind of marriage that God wants His people to have A Man's Place John Tosh,2007-01-01 Based on family records and didactic texts this book reconstructs how men of the Victorian middle class experienced the demands of an exacting domestic code and how they negotiated its contradictions **Let Not Man Put Asunder** Chris Christian,2016-12-09 This book presents a biblical and historical view of marriage divorce and remarriage to explore the heart of God on these subjects It is intended to provide critical insights needed for counselors to provide biblical based counseling for these difficult and challenging topics that lead to lifelong fulfilling marriage relationships Couples who are currently struggling in their marriage will find encouragement and direction for building strong and vibrant marriages Those that have been divorced will find reason to believe that God can restore and reconcile the broken marriage relationship better than it was in the beginning Those that have been remarried following a divorce will discover that they can find peace with God and now build a lifelong marriage that honors the vows made with the new spouse **Men in Families** Alan Booth,Ann C. Crouter,1998-01-01 Recently the roles of fathers and husbands in families have been recognized as important issues They appear in legislation aimed at deadbeat dads social movements including the Million Man March and Promise Keepers in the development of advocacy groups and in think tanks Therefore contemporary research on men in family relationships has very mixed results Some studies show that fathers have small effects on child development and in preventing antisocial behavior whereas others suggest no effects Other research claims that the primary importance of men in families is in their role as providers Although some studies state that the husbands and fathers most vital work occurs in new families others indicate that it is when their offspring reach adolescence Confusing the issue even further labor market trends predict that men's family roles may diminish Based on the presentations and discussions from a recent national symposium on men in families held at The Pennsylvania State University this book addresses these issues This is the only book that deals with men's involvement in

families in a comprehensive way Although several books focus on fathers alone or on a broader family perspective this is the first book that deals with a variety of family roles on an interdisciplinary basis Although most of the writers are psychologists or sociologists there are key figures in history and anthropology who also make important contributions As such this volume will be useful to scholars students policy specialists and family program administrators An Essay Concerning the Unlawfulness of a Man's Marriage with His Sister by Affinity Colin M'Iver, Colin MACIVER, 1842 **The Renaissance of Marriage in Fifteenth-Century Italy** Anthony F. D'Elia, 2004 Weddings in 15th century Italian courts were grand sumptuous affairs often requiring guests to listen to lengthy orations given in Latin D Elia shows how Italian humanists used these orations to support claims of legitimacy and assertions of superiority among families jockeying for power as well as to advocate for marriage and sexual pleasure *Moral Philosophy; or the Duties of man considered in his individual, domestic, and social capacities ... Third edition, revised, corrected, and enlarged. (The people's edition.).* George COMBE (Phrenologist), 1846 *The Origin of Civilisation and the Primitive Condition of Man* Sir John Lubbock, 1902 **Marriage, Sex and Family in Judaism** Michael J. Broyde, 2005-08-22 Marriage Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage
