**An American Emmaus** Regis A. Duffy, 2010-04-01 A penetrating study of the impact of culture on the Catholic Church in the U S and the importance of the Church to the culture Emmaus writes the author is not only the name of a town in the gospel of Luke It is also a state of mind He portrays the American Emmaus as an ongoing conversion walk of twentieth century Christians who attempt to recognize the crucified and risen Christ within the complex and pluralistic cultures of the United States He focuses on the connections between being Catholic and American at this point in history challenges the Church to give witness to the gospel message and shows how it is through liturgy the gathered American community that the Church once again takes the walk to Emmaus Here are insights not only for Catholics but for Christians of every denomination

**Israel and the Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it

involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *Memory, Humanity, and Meaning* Mihail Neamțu, Bogdan Tătaru-Cazaban, 2009
