

# That's Alright, Elvis

The Untold Story of Elvis's  
First Guitarist and Manager, Scotty Moore

SCOTTY MOORE AS TOLD TO JAMES DICKERSON

# Thats Alright Elvis The Untold Story Of Elvis First Guitarist And Manager Scotty Moore

**Bobbie Ann Mason**

## **Thats Alright Elvis The Untold Story Of Elvis First Guitarist And Manager Scotty Moore:**

That's Alright, Elvis Scotty Moore,1997 For the first time Scotty Moore the only remaining member of the original trio comprised of Scotty Elvis and Bill Black who played on all of Presley s original Sun recording sessions and in the early days at RCA tells the real story behind his years with Elvis Presley Includes rare photos and documents from the period 65 illustrations

**Thats Alright, Elvis** Scotty Moore,James Dickerson,1997-06-01 When Elvis Presley showed up at Sam Phillips s Memphis based Sun Records studio Sam asked Scotty Moore a guitarist who worked with a local band called the Starlite Wranglers to help make him into a record star Moore didn t know what to make of Elvis but when they started to jam he realized that this teenager did have something special Along with bass player Bill Black the trio recorded the song that became the defining record of Elvis s early style They performed as a group until Colonel Tom Parker bought Elvis s contract relegated the band to second place and eventually pushed Scotty and Bill out of Elvis s inner circle

*Before Elvis* Larry Birnbaum,2013 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock s origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history

**Dixie's Dirty Secret** James Dickerson,1998 After the landmark Brown v Board of Education ruling in 1954 mandated the desegregation of schools nationwide the legislature in the state of Mississippi created the Mississippi State Sovereignty Commission the basic mission of which was to prevent integration in that state This book is an investigative history of the Commission other government agencies including the FBI and organized crime all of which conspired to break the law in dealing with civil rights and antiwar activists during the 1950s and 1960s The author uncovers new information about the efforts of FBI agents to combat integration and exposes the longest running conspiracy in American history

*Sam Phillips: The Man Who Invented Rock 'n' Roll* Peter Guralnick,2015-11-10 From the author of the critically acclaimed Elvis Presley

biography *Last Train to Memphis* brings us the life of Sam Phillips the visionary genius who singlehandedly steered the revolutionary path of Sun Records The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley Ike Turner Howlin Wolf Jerry Lee Lewis and Johnny Cash introduced a sound that had never been heard before He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring once and for all a new integrated musical day With extensive interviews and firsthand personal observations extending over a 25 year period with Phillips along with wide ranging interviews with nearly all the legendary Sun Records artists Guralnick gives us an ardent unrestrained portrait of an American original as compelling in his own right as Mark Twain Walt Whitman or Thomas Edison

**Let's Rock!** Richard Aquila, 2016-10-28 Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend Let s Rock reclaims the lost history of rock roll Based on years of research as well as interviews with Bo Diddley Pat Boone and other rock roll pioneers the book offers new information and fresh perspectives about Elvis the rise of rock roll and 1950s America Rock roll is intertwined with the rise of a post World War II youth culture the emergence of African Americans in society the growth of consumer culture technological change the expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila s book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era s conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music s origins reminds us of the common history we all share Music lovers who grew up during rock roll s early years as well as those who have come to it more recently will find Let s Rock an exciting historical and musical adventure

**Elvis Presley** Joel Williamson, Donald Lewis Shaw, 2015 An eminent Southern biographer interprets one of the most famous Southern icons of popular culture

Just for a Thrill James Dickerson, 2002 Lillian Lil Hardin was a pioneer for women in jazz After studying at Fisk University the Chicago College of Music and the New York College of Music Lil joined Sugar Johnny s Creole Orchestra and then moved on to Freddie Keppard s Original Creole Orchestra In the 1920 s Lil began playing in King Oliver s world famous Creole Jazz Band becoming the first female jazz musician of renown She was well established in Chicago as a pianist composer arranger and bandleader before she met and married Louis Armstrong in 1924 She was the only member of Armstrong s group that could read music Based on extensive research Dickerson s stunning biography is the first to examine this musical iconoclast s life and career

**Elvis Presley** Bobbie Ann Mason, 2007-07-31 A vibrant sympathetic portrait of the once and future king of rock n roll by the award winning author of *Shiloh* and *In Country*

To this clear eyed portrait of the first rock n roll superstar Bobbie Ann Mason brings a novelist s insight and the empathy of a fellow Southerner who from the first time she heard his voice on the family radio knew that Elvis was one of us Elvis Presley deftly braids the mythic and human aspects of his story capturing both the charismatic boundary breaking singer who reveled in his celebrity and the soft spoken working class Southern boy who was fatally unprepared for his success The result is a riveting tragic book that goes to the heart of the American dream *Songbooks* Eric Weisbard,2021-04-23 In *Songbooks* critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings s 1770 New England Psalm Singer to Jay Z s 2010 memoir *Decoded* Drawing on his background editing the Village Voice music section coediting the Journal of Popular Music Studies and organizing the Pop Conference Weisbard connects American music writing from memoirs biographies and song compilations to blues novels magazine essays and academic studies The authors of these works are as diverse as the music itself women people of color queer writers self educated scholars poets musicians and elites discarding their social norms Whether analyzing books on Louis Armstrong the Beatles and Madonna the novels of Theodore Dreiser Gayl Jones and Jennifer Egan or varying takes on blackface minstrelsy Weisbard charts an alternative history of American music as told through its writing As Weisbard demonstrates the most enduring work pursues questions that linger across time period and genre cultural studies in the form of notes on the fly on sounds that never cease to change meaning *Natalie Portman* James Dickerson,2002 Natalie Portman is only 20 years old but already she has co starred in nine films with everyone from Woody Allen to Al Pacino and is considered the best young actress in Hollywood In the first biography of this dynamic star Dickerson examines the charm and wit of her professional persona while revealing the emotional life of the real Portman From her relationship with her parents her long friendship with Britney Spears her life at Harvard and her involvement in Star Wars this book delves into a story never before told Illustrated with 8 colour and 15 b w photos **Faith Hill** James Dickerson,2001-06-23 From humble beginnings in Star Mississippi Faith Hill has soared to the top of the country and pop charts becoming one of the most successful female recording artists in history she has had eight number one singles and ten number one videos and her albums have sold millions She is country music s hottest star and America s newest sweetheart Everything she touches turns to gold Faith Hill *Piece of My Heart* tells the inspirational story of the Grammy winning singer s rise to stardom Drawing on interviews with Faith Hill her childhood friends and teachers music professionals and fans James L Dickerson chronicles her storybook life from birth to the present This intimate portrait of Faith Hill examines her Huck Finn like childhood her first marriage and divorce her hardscrabble years as a struggling artist in Nashville her love affair with the man who became her husband country superstar Tim McGraw her thoughts on marriage and motherhood and heartbreaking search for her birth mother Complete with photographs and insider information here at last is the whole story behind the life and music of Faith Hill country music s darling and pop superstar *Music Business Made Simple: A Guide To Becoming A Recording Artist* J. S. Rudenske,2004-04-12 Enhance your chance for success as a

recording artist by following the real world advice found within the pages of the book Step by step suggestions for Setting career goals Developing your songs and stage presence Recording your first demo and full length album Designing your promotional materials Knowing where to hire an attorney manager booking agent and producer And of course getting a record deal Success depends on talent hard work and a little luck This handbook will help you prepare and increase you opportunities in the music business

**Careless Love (Enhanced Edition)** Peter Guralnick, 2014-12-30 Hailed as a masterwork by the Wall Street Journal Careless Love is the full true and mesmerizing story of Elvis Presley's last two decades in the long awaited second volume of Peter Guralnick's masterful two part biography Winner of the Ralph J Gleason Music Book Award Last Train to Memphis the first part of Guralnick's two volume life of Elvis Presley was acclaimed by the New York Times as a triumph of biographical art This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail and confirms Guralnick's status as one of the great biographers of our time Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977 Careless Love chronicles the unravelling of the dream that once shone so brightly homing in on the complex playing out of Elvis' relationship with his Machiavellian manager Colonel Tom Parker It's a breathtaking revelatory drama that for the first time places the events of a too often mistold tale in a fresh believable and understandable context Elvis' changes during these years form a tragic mystery that Careless Love unlocks for the first time This is the quintessential American story encompassing elements of race class wealth sex music religion and personal transformation Written with grace sensitivity and passion Careless Love is a unique contribution to our understanding of American popular culture and the nature of success giving us true insight at last into one of the most misunderstood public figures of our times

*The Electric Guitar* André Millard, 2004-07-20 In The Electric Guitar scholars working in American studies business history the history of technology and musicology come together to explore the instrument's importance as an invention and its peculiar place in American culture Documenting the critical and evolving relationship among inventors craftsmen musicians businessmen music writers and fans the contributors look at the guitar not just as an instrument but as a mass produced consumer good that changed the sound of popular music and the self image of musicians

**BOOK JACKET**

**Race, Rock, and Elvis** Michael T. Bertrand, 2000 In Race Rock and Elvis Michael T. Bertrand contends that popular music specifically Elvis Presley's brand of rock n roll helped revise racial attitudes after World War II Observing that youthful fans of rhythm and blues rock n roll and other black inspired music seemed more inclined than their segregationist elders to ignore the color line Bertrand links popular music with a more general relaxation led by white youths of the historical denigration of blacks in the South The tradition of southern racism successfully communicated to previous generations failed for the first time when confronted with the demand for rock n roll by a new national commercialized youth culture In a narrative peppered with the colorful observations of ordinary southerners Bertrand argues that appreciating black music made possible a new recognition of blacks as fellow human beings Bertrand

documents black enthusiasm for Elvis Presley and cites the racially mixed audiences that flocked to the new music at a time when adults expected separate performances for black audiences and white. He describes the critical role of radio and recordings in blurring the color line and notes that these media made black culture available to appreciative whites on an unprecedented scale. He also shows how music was used to define and express the values of a southern working class youth culture in transition as young whites many of them trying to orient themselves in an unfamiliar urban setting embraced black music and culture as a means of identifying themselves. By adding rock n roll to the mix of factors that fed into civil rights advances in the South, Rock and Elvis shows how the music with its rituals and vehicles symbolized the vast potential for racial accord inherent in postwar society. *Colonel Tom Parker* James L. Dickerson, 2003-01-21 Based on unprecedented research and interviews this authoritative biography of Colonel Tom Parker 1909-1997 includes new revelations and insights into rock music's most renowned and notorious manager. *Lost Revolutions* Pete Daniel, 2000-11-15 This sweeping work of cultural history explores a time of startling turbulence and change in the South, years that have often been dismissed as placid and dull. In the wake of World War II southerners anticipated a peaceful and prosperous future but as Pete Daniel demonstrates the road into the 1950s took some unexpected turns. Daniel chronicles the myriad forces that turned the world southerners had known upside down in the postwar period. In chapters that explore such subjects as the civil rights movement, segregation and school integration, the breakdown of traditional agriculture and the ensuing rural-urban migration, gay and lesbian life and the emergence of rock n roll music and stock car racing as well as the triumph of working class culture, he reveals that the 1950s South was a place with the potential for revolutionary change. In the end, however, the chance for significant transformation was squandered. Daniel argues, "One can only imagine how different southern history might have been if politicians, the press, the clergy and local leaders had supported democratic reforms that bestowed full citizenship on African Americans and how little would have been accomplished if a handful of blacks and whites had not taken risks to bring about the changes that did come." **Tammy Wynette** Jimmy McDonough, 2010-03-04 The first full scale biography of the enduring first lady of country music. The twentieth century had three great female singers who plumbed the darkest corners of their hearts and transformed private grief into public dramas. In opera there was the unsurpassed Maria Callas. In jazz the tormented Billie Holiday. And in country music there was Tammy Wynette. Stand by Your Man, D I V O R C E, Take Me to Your World are but a few highlights of Tammy's staggering musical legacy, all sung with a voice that became the touchstone for women's vulnerability, disillusionment, strength and endurance. In *Tammy Wynette*, bestselling biographer Jimmy McDonough tells the story of the small town girl who grew up to be the woman behind the microphone whose meteoric rise led to a decades long career full of tragedy and triumph. Through a high profile marriage and divorce, her dreadful battle with addiction and illness, and the struggle to compete in a rapidly evolving Nashville, Tammy turned a brave smile toward the world and churned out masterful hit songs though her life resembled the most heartbreaking among them.

Tammy Wynette is an intimate portrait of a music icon the Queen of Heartbreak whose powerful voice simultaneously evoked universal pain and longing even as it belied her own Dewey and Elvis Louis Cantor, 2010-10-01 Beginning in 1949 while Elvis Presley and Sun Records were still virtually unknown and two full years before Alan Freed famously discovered rock n roll Dewey Phillips brought the budding new music to the Memphis airwaves by playing Howlin Wolf B B King and Muddy Waters on his nightly radio show Red Hot and Blue The mid South s most popular white deejay Daddy O Dewey soon became part of rock n roll history for being the first major disc jockey to play Elvis Presley and subsequently to conduct the first live on air interview with the singer Louis Cantor illuminates Phillips s role in turning a huge white audience on to previously forbidden race music Phillips s zeal for rhythm and blues legitimized the sound and set the stage for both Elvis s subsequent success and the rock n roll revolution of the 1950s Using personal interviews documentary sources and oral history collections Cantor presents a personal view of the disc jockey while restoring Phillips s place as an essential figure in rock n roll history
