

# Life Is All That Does Matter

We read and hear of talented people but in truth one can say  
The greatest gift they have they share with everyone living today  
They may boast of their talents and their worldly success  
But life is the greatest gift they do possess  
It is only in life that success seem to count  
In cemeteries to nothing it does amount  
Life is all that does matter why otherwise pretend  
On the day you do die everything for you end  
Since death does bring equality in truth one can say

There are no billionaires where dead people lay  
No matter what you have achieved or have won  
Life is all that does matter when all is said and done  
Though my better days are in the forever gone  
I too do love life and I want to live on.
