Lespinasse, 2022-01-04 In 1957 Duke Ellington released the influential album *A Drum Is a Woman* This musical allegory revealed the implicit truth about the role of women in jazz discourse jilted by the musician and replaced by the drum Further the album's cover displays an image of a woman sitting atop a drum depicting the way in which the drum literally obscures the female body turning the subject into an object This objectification of women leads to a critical reading of the role of women in jazz music If the drum can take the place of a woman then a woman can also take the place of a drum *The Drum Is a Wild Woman* Jazz and Gender in African Diaspora Literature challenges that image but also defines a counter tradition within women's writing that involves the reinvention and reclamation of a modern jazz discourse Despite their alienation from bebop women have found jazz music empowering and have demonstrated this power in various ways *The Drum Is a Wild Woman* explores the complex relationship between women and jazz music in recent African diasporic literature The book examines how women writers from the African diaspora have challenged and revised major tropes and concerns of jazz literature since the bebop era in the mid 1940s Black women writers create dissonant sounds that broaden our understanding of jazz literature By underscoring the extent to which gender is already embedded in jazz discourse author Patricia G Lespinasse responds to and corrects narratives that tell the story of jazz through a male centered lens She concentrates on how the Wild Woman the female vocalist in classic blues used blues and jazz to push the boundaries of Black womanhood outside of the confines of respectability In texts that refer to jazz in form or content the Wild Woman constitutes a figure of resistance who uses language image and improvisation to refashion herself from object to subject This book breaks new ground by comparing the politics of resistance alongside moments of improvisation by examining recurring literary motifs cry and response the Wild Woman and the jazz moment in jazz novels short stories and poetry comparing works by Ann Petry Gayl Jones Toni Morrison Paule Marshall Edwidge Danticat and Maya Angelou with pieces by Albert Murray Ralph Ellison James Baldwin and Ellington Within an interdisciplinary and transnational context Lespinasse foregrounds the vexed negotiations around gender and jazz discourse **Armistice** Nick Stafford, 2013-10-01 *Philomena*

Bligh's fiancée Dan has been shot. The First World War claimed many lives and so his death is not in its own way surprising. But Dan was shot in the minutes after the Armistice. The war was over. She cannot understand how this could have happened or why they were still fighting that morning anyway. So in March 1919, over Dan's birthday, Philomena travels to London to meet the men who were with him when he died. What she discovers is more shocking than she'd ever imagined. Dan's best friend Jonathan tells her that Dan was shot by a British officer over a gambling debt. There is no proof and all records of Jonathan's accusation have been destroyed. Refusing to accept anything less than justice for the man she loved, Philomena decides to take on the Establishment. Worried that she may cause his own downfall and feeling guilty for his mysterious part in Dan's death, Jonathan decides to accompany her on her mission. Set against a backdrop of London in the aftermath of the Great War, a time of upheaval, grief, and wanton escapism, this is not just an inspirational book about what it means to be a hero, but also a breathtaking love story.

Screening Contemporary Irish Fiction and Drama Marc C. Conner, Julie Grossman, R. Barton Palmer, 2022-09-16. In this book, each chapter explores significant Irish texts in their literary, cultural, and historical contexts. With an introduction that establishes the multiple critical contexts for Irish cinema, literature, and their adaptive textual worlds, the volume addresses some of the most popular and important late 20th Century and 21st Century works that have had an impact on the Irish and global cinema and literary landscape. A remarkable series of acclaimed and profitable domestic productions during the past three decades has accompanied while chronicling Ireland's struggle with self-identity, national consciousness, and cultural expression, such that the story of contemporary Irish cinema is in many ways the story of the young nation's growth pains and travails. Whereas Irish literature had long stood as the nation's foremost artistic achievement, it is not too much to say that film now rivals literature as Ireland's key form of cultural expression. The proliferation of successful screen versionings of Irish fiction and drama shows how intimately the contemporary Irish cinema is tied to the project of both understanding and complicating even denying a national identity that has undergone radical change during the past three decades. This present volume is the first to present a collective accounting of that productive synergy which has seen so much of contemporary Irish literature transferred to the screen.
