Thats Sexploitation The Forbidden World Of Adult Cinema:

That's Sexploitation!! Eddie Muller, Daniel Faris, 1996 A history of exploitation cinema from low budget pictures of the 1930s and 40s through an era of nudie cuties and into the days of free love and beyond Portraits of the artists and auteurs behind the films are provided including Russ Meyer Dwain Esper Radley Metzger and The Mitchell Brothers Dad Made Dirty Movies Jordan Todorov, Joe Blevins, 2020-09-18 Strippers zombies fugitives and jewel thieves These were just some of the characters who inhabited the weird wild films of director Stephen C Apostolof in the 1960s and 1970s But Apostolof's own life was every bit as improbable as the plots of his lurid movies Escaping the clutches of the communists in his native Bulgaria he came to America in 1952 and decided on a whim to reinvent himself as a Hollywood filmmaker right down to the cigars sunglasses and Cadillacs He produced a string of memorable sexploitation classics including the infamous Orgy of the Dead Along the way he married three times fathered five children and forged a personal and professional relationship with the notorious Ed Wood Jr Drawing on rare archival material and interviews with those who knew him best this first biography of Apostolof chronicles the life and career of a cult film legend *Latsploitation, Exploitation Cinemas, and Latin America* Victoria Ruétalo, Dolores Tierney, 2009-05-07 Exploring the much neglected area of Latin American exploitation cinema this anthology challenges established continental and national histories and canons which often exclude exploitation cinema due to its perceived low cultural status It argues that Latin American exploitation cinema makes an important aesthetic and social contribution to the larger body of Latin American cinema often competing with Hollywood and more mainstream national cinemas in terms of popularity *Headpress Guide to the Counter Culture* Temple Drake, 2004 An indispensable sampling of the vast assortment of publications which exist as an adjunct to the mainstream press or which promote themes and ideas that may be defined as pop culture alternative underground or subversive Updated and revised from the pages of the critically acclaimed Headpress journal this is an enlightened and entertaining guide to the counter culture including everything from cult film music comics and cutting edge fiction by way of its books and zines with contact information accompanying each review *Defining Cult Movies* Mark Jancovich, 2003-11-08 This collection concentrates on the analysis of cult movies how they are defined who defines them and the cultural politics of these definitions The definition of the cult movie relies on a sense of its distinction from the mainstream or ordinary This also raises issues about the perception of it as an oppositional form of cinema and of its strained relationships to processes of institutionalization and classification In other words cult movie fandom has often presented itself as being in opposition to the academy commercial film industries and the media more generally but has been far more dependent on these forms than it has usually been willing to admit The international roster of essayists range over the full and entertaining gamut of cult films from Dario Argento Spanish horror and Peter Jackson's New Zealand gore-fests to sexploitation kung fu and sci fi flicks **Phallacies** Kathleen M. Brian, James W. Trent, Jr., 2017-09-01 Phallacies Historical Intersections of Disability and Masculinity is a collection of essays that focuses

Grindhouse Austin Fisher,Johnny Walker,2016-09-22 The pervasive image of New York s 42nd Street as a hub of sensational thrills vice and excess is from where grindhouse cinema the focus of this volume stemmed It is arguably an image that has remained unchanged in the mind s eye of many exploitation film fans and academics alike Whether in the pages of fanzines or scholarly works it is often recounted how should one have walked down this street between the 1960s and the 1980s one would have

undergone a kaleidoscopic encounter with an array of disparate exploitation films from all over the world that were being offered cheaply to urbanites by a swathe of vibrant movie theatres The contributors to Grindhouse Cultural Exchange on 42nd Street and Beyond consider grindhouse cinema from a variety of cultural and methodological positions Some seek to deconstruct the etymology of grindhouse itself add flesh to the bones of its cadaverous history or examine the term's contemporary relevance in the context of both media production and consumerism Others offer new inroads into hitherto unexamined examples of exploitation film history presenting snapshots of cultural moments that many of us thought we already knew
