The 10 Best Years Of Baseball An Informal History Of The Fifties

David Krell

The 10 Best Years Of Baseball An Informal History Of The Fifties:

The 10 Best Years of Baseball Harold Rosenthal, 1979-01-01 Presents facts and anecdotes about people and events connected with baseball during the 1950 s [The Ten Best Years of Baseball](#) Harold Rosenthal, 1981-01-01 **501**

Baseball Books Fans Must Read Before They Die Ron Kaplan, 2018-08-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they re missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be *The Black Stars Who Made Baseball Whole* Rick Swaine, 2014-09-24 For major league baseball the decade following Jackie Robinson s 1947 debut was one of slow yet persistent change Four other black players made their first brief big league appearances that year followed by only two in 1948 and four in 1949 But by the end of 1959 122 black ballplayers had made it to the big leagues Like Robinson their lives were made difficult off the field and on it they dodged beanballs and spikes This book brings attention to the accomplishments of this transitional generation of African American players made up of men like Luscious Luke Easter Sam The Jet Jethroe and Sad Sam Jones many of whom spent years in the minors the Negro leagues or both before getting their shot Chapters on each season from 1947 to 1959 incorporate biographical and career profiles for 25 players who stood out during baseball s integration A final chapter covers the outstanding minor league players who for various reasons never got a real chance to play major league ball Appendices include a roster of black major leaguers from 1947 through 1959 a list of black player firsts and statistics on the year by year population of black players in the majors **Brooklyn Dodgers**

Transactions, 1890-1957 Lyle Spatz, 2025-01-07 Baseball transactions trades sales purchases free agents coming or leaving have always had the ability to stir the interest and passion of fans Whether it is the purchase or sale of a veteran star during the heat of a pennant race a multi player trade made during the dead of winter or the offseason scramble for desirable free agents player transactions engender more interest and heated debate among fans than almost any other aspect of the game Baseball fans love trades they love to hear about them to read about them and to talk about them They even love those that are rumored but don t get made This book covers the transactions of the Brooklyn Dodgers one of the game s most storied teams from their 1890 entry into the National League until their 1957 move to Los Angeles For significant transactions players and the deal are placed in historical perspective covering why the Dodgers and the other team s involved made the exchange the expectations the owners general managers and managers of the respective teams had for their new players and for most what the players involved thought about their old and new teams The history of the Brooklyn

Dodgers trades represents a microcosm of the history of baseball and that history is covered here in fine detail *A Brand New Ballgame* G. Scott Thomas, 2021-11-25 America grew rapidly after World War II and the national pastime followed suit Baseball dramatically changed from a 19th century pastoral relic to a continental modern sport Six Major League clubs relocated to new cities capped by the coast to coast moves of the Brooklyn Dodgers and New York Giants Four expansion teams were created from thin air Dozens of black stars emerged after Jackie Robinson broke the color barrier The players formed a union higher salaries materialized This book tells the story of baseball s metamorphosis 1945 1962 driven by larger than life personalities like the bombastic Larry MacPhail the sage Branch Rickey the kindly Connie Mack the quick witted Bill Veeck and the wily Walter O Malley Hall of Famers all The upheaval they sparked and sometimes failed to control would broaden the sport s appeal setting the stage for tremendous growth in the half century to come Team First Lloyd H. H. Barrow, 2018-12-11 The year 2017 is a special year the seventieth anniversary of the Brooklyn Dodgers Jackie Robinson integrating modern baseball Robinson s successes and challenges have been documented by baseball and civil rights historians This three part book presents the chronological history of baseball integration along with the major civil rights events of the 1940s and 1950s Team First focuses upon each of the sixteen Major League teams and players with life stories who were the first to integrate each team Some individuals were players of the Negro League Hall of Famers and World Series players and others whose notable contribution was only being the first to integrate Information about owners general managers and managers influenced teams orientation about integration Rates of integration varied by team The final three teams to integrate happened ten years after Robinson won the 1947 Rookie of the Year Award Find out how your favorite team approached integration How did your team compare to other National League and American League teams How was your favorite team influenced by early civil rights events The New York Times Book Review , 1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Musial** James N. Giglio, 2001 In the most comprehensive assessment of baseball legend Stan Musial s life and career to date James N Giglio places the St Louis Cardinal star within the context of the times the Great Depression and wartime and postwar America and the issues then prevalent in professional baseball particularly race and the changing economics of the game Giglio illuminates how the times shaped Musial and delves further into his popular image as a warm unfailingly gracious role model known for good sportsmanship and devotion to family Golden Years of Baseball Jim Kaplan, Rh Value Publishing, 1992-09-08 Vintage photographs detail the history of baseball from 1919 to 1969 including the leading teams and players memorable moments on and off the field and life in the segregated Negro leagues **Team Chemistry** Nathan Michael Corzine, 2016-01-30 In 2007 the Mitchell Report shocked traditionalists who were appalled that drugs had corrupted the pure game of baseball Nathan Corzine rescues the story of baseball s relationship with drugs from the sepia toned tyranny of such myths In Team Chemistry he reveals a game splashed

with spilled whiskey and tobacco stains from the day the first pitch was thrown. Indeed, throughout the game's history, stars and scrubs alike partook of a pharmacopeia that helped them stay on the field and cope off of it. In 1889, Pud Galvin tried a testosterone-derived elixir to help him pile up some of his 646 complete games. Sandy Koufax needed Codeine and an anti-inflammatory used on horses to pitch through his late-career elbow woes. Players returning from World War II mainstreamed the use of the amphetamines they had used as servicemen. Vida Blue invited teammates to cocaine parties. Tim Lincecum used it to stay awake on the bench, and Will McEnaney snorted it between innings. Corzine also ventures outside the lines to show how authorities handled or failed to handle drug and alcohol problems and how those problems both shaped and scarred the game. The result is an eye-opening look at what baseball's relationship with substances legal and otherwise tells us about culture, society, and masculinity in America.

The Team that Forever Changed Baseball and America Lyle Spatz, 2012-04 Tells the story of the 1947 Brooklyn Dodgers in contextualized biographies of the players, managers, and everyone else important to the team.

Mover and Shaker Andy McCue, 2014-05-01 One of the most influential and controversial team owners in professional sports history, Walter O. Malley (1903-79) is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles. Yet much of the O. Malley story leading up to the Dodgers move is unknown or created from myth, and there is substantially more to the man. When he entered the public eye, the self-constructed family background and early life he presented was gilded. Later, his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers. In *Mover and Shaker*, Andy McCue presents for the first time an objective, complete, and nuanced account of O. Malley's life. He also departs from the overly sentimentalized accounts of O. Malley as either villain or angel and reveals him first and foremost as a rational, hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game.

"Our Bums" David Krell, 2015-10-15 Baseball fans may know the story of the Brooklyn Dodgers, but they don't know the whole story. With a foreword by Branch Rickey, grandson of Branch Rickey, this book fills the void in Dodgers scholarship, exploring their impact on popular culture and revealing lesser-known details of the team's history. Personal stories are included from the fans who embraced Jackie Robinson, Pee Wee Reese, Carl Erskine, Roy Campanella, and other icons of Ebbets Field. Drawing on archival documents, contemporary press accounts, and fan interviews, the author brings to life the magic of the Dodgers, chronicling in detail the genesis, glory, and demise of the team that changed baseball and America.

Baseball's Last Golden Age, 1946-1960 J. Ronald Oakley, 1994 The place was post-World War II America, and baseball was entering its last Golden Age. Fans flocked to the ballparks or tuned in on their television sets to catch the heroics of some of the greatest players the game has ever known. Men like Joe DiMaggio, Stan Musial, Willie Mays, and Mickey Mantle could be seen hitting, pitching, and catching their way to the Hall of Fame. But just like the rest of post-war America, baseball was experiencing change. The rise of the specialized relief pitcher and the increased emphasis on the home run

worked to alter the game on the field Off the field the baseball players themselves were changing Players were becoming better educated and more vocal and were demanding better pay Many no longer played the game for fun It was a time of social change as Jackie Robinson broke baseball s color barrier and opened the door for other black players to join what had previously been an all white game It was a time too when the national pastime was being transformed by television competition from football and other spectator sports dramatic declines in attendance and the first movement of franchises in fifty years From dramatic pennant races to the spread of night games this account covers every facet of baseball s last Golden Age

Pull Up a Chair Curt Smith, 2009 The Voice of the Dodgers **Library Journal** , 1982-07 *Library Journal Book Review*, 1979 Jaques Cattell Press, 1980-03

Teaching with Documents United States. National Archives and Records Administration, 1989 Guide for social studies teachers in using primary sources particularly those available from the National Archives to teach history

Sal Maglie Judith Anne Testa, 2007 To the batters who faced him pitcher Sal Maglie looked like the hurler from hell Tall and sinister in appearance with glowering dark eyes and a formidable five o clock shadow the famed right hander earned the nickname Sal the Barber for his high inside fastball that cut dangerously close to the batter s chin But Maglie was much more than his intimidating image This biography provides a colorful detailed occasionally shocking and often moving narrative about the son of poor Italian immigrants who rose far beyond his family s and his own early dreams and became a star pitcher for the New York Giants He then at the apex of his career in the mid 1950s joined the Brooklyn Dodgers This is the story of a man whose early mediocrity and failures in the minor leagues in no way prefigured his later success and fame Maglie s major league career shines with baseball drama He was a key player in some of the most dramatic pennant races in baseball history and a participant in several of the sport s most famous games Women found him irresistible and his first marriage was at times severely strained by his infidelities Despite his success in baseball he endured pain disappointment and personal tragedy Through wide ranging research that includes interviews with Maglie s relatives friends former teammates and team officials as well as newspaper reports books and magazines Judith Testa creates an insightful and compelling portrait of one of baseball s most intriguing figures Baseball fans and people interested in baseball history and in the Italian American experience will discover new insights and a wealth of information in Sal Maglie

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we give the books compilations in this website. The 10 Best Years Of Baseball An Informal History Of The Fifties Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The 10 Best Years Of Baseball An Informal History Of The Fifties PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The 10 Best Years Of Baseball An Informal History Of The Fifties PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The 10 Best Years Of Baseball An Informal History Of The Fifties free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The 10 Best Years Of Baseball An Informal History Of The Fifties Books
