Great Sex Secrets Dan Siffredi, 2020-04-04 SEX IS ONE OF THE WORLD'S MOST SATISFYING PLEASURES IF NOT THE ONLY ONE In any way the truth relates to others whether it be kin platonic or personal SEX is an acquired skill gained through years of practice If you had the ability to see open communication modeled as a kid in your family perhaps you may have embraced those skills automatically but again they are not innate Unfortunately we never have a chance to see safe difficult conversations playing out so they don't teach us how to handle issues like waning ambition or hating our bodies in school That means in our struggles we sometimes feel like we are totally alone But the best thing is that you can also learn them as these are skills that are learnable Building up the sex toolbox with your partner can be motivational and that's a big part of what I'm doing for my customers but skills do come into practice Sexual desires aren't politically correct and they aren't actually something in real life that you want to happen They are your private artistic environment and to embrace your sexual impulses is to let go of shame and own your story as a human being free to run wild sexually Professionals realize they are perfectly natural Your body was made for enjoyment Your mind is limitless and imaginative Good sex is not something of a divine gift It's not something seen just by a select few Sex professionals know that our challenges aren't special they aren't insurmountable and that great sex will happen with a little wisdom and a spirit of adventure And great sex can be whatever you want it to be intense lovemaking no penetration at all kinky as everybody gets out or whatever else makes you feel happy and friendly Sometimes it may be painful and stressful and scary and unpleasant but if you're willing to deal with it and allow it to be what it is for a while there's bliss on the other hand IN THIS BOOK WE OPEN YOUR EYES TO SEXUAL FANTASIES FOR YOU TO ADD TO YOUR REALITIES ENJOY
