Queen Latifah Amy Pettinella,2014-08-01 Queen Latifah is the critically acclaimed hip hop artist and actor Learn about her life from her childhood in Newark NJ to the present day and how she used music to fight racism and sexism *Songs of America* Jon Meacham,Tim McGraw,2019-06-11 NEW YORK TIMES BESTSELLER A celebration of American history through the music that helped to shape a nation by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw Jon

Meacham and Tim McGraw form an irresistible duo connecting us to music as an unsung force in our nation's history. Doris Kearns Goodwin: Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music by the lyrics, performers and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From The Star Spangled Banner to Born in the U.S.A., Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history exploring the stories behind the songs and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War and into the twenty-first century, Meacham and McGraw explore the songs that defined generations and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt and Martin Luther King Jr. and will learn more about some of our most beloved musicians and performers including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen and more. *Songs of America* explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as My Country 'Tis of Thee, God Bless America, Over There, We Shall Overcome and Blowin' in the Wind. As Quincy Jones says, Meacham and McGraw have convened a concert in *Songs of America*, one that reminds us of who we are, where we've been and what we at our best can be.

1960s Model Girl Felice McDowell, 2025-06-26 Examining histories of post-war Britain, fashion modelling, photography and popular culture, *1960s Model Girl: Narrative Identities in Fashion Time and History* explores model girl narratives found throughout media, fashion magazines, advice literature, auto-biographies and fashion exhibits. Introducing theories of history, life writing and narrative identity, *1960s Model Girl* demonstrates how these can be applied to the study of fashion and shows how fashion studies opens new pathways to understanding identity and emergent British femininities. Drawing on a wealth of archival research, case studies include teen fashion magazines, *Petticoat and Model Girl*, advice writing of model agent Lucie Clayton and fashion journalist Suzy Menkes' autobiographies of fashion models Jean Shrimpton and Twiggy and the Mary Quant exhibition at the Victoria and Albert Museum, London, 2019-2020. This book provides an intricate study of a varied and manifold figure whose impact and influence spreads further afield than a particular time, place and professional context. Closely attending to a range of model girl narratives, *1960s Model Girl* illuminates the cultural past and in turn sheds light on our own historical present.

Fashion Christopher Breward, 2003-04-24 This lively survey of 150 years of fashion covers everything from Haute Couture to the High Street. From Coco Chanel to Alexander McQueen, Breward explores fashion as a cultural phenomenon. Topics include fashion in film, the

world of Vogue and advertising and the use of fashion to create identity from the Flapper to the New Look and Dandy to Punk
